The Novels and Stories of Iván Turgénieff: Virgin soil .1903

English Creek Ivan Doig. 2013-07-02 In this prize-winning portrait of a time and place—Montana in the 1930s—that at once inspires and fulfills a longing for an explicable past, Ivan Doig has created one of the most captivating families in American fiction, the McCaskills. The witty and haunting narration, a masterpiece of vernacular in the tradition of Twain, follows the events of the Two Medicine country's summer: the tide of sheep moving into the high country, the capering Fourth of July rodeo and community dance, and an end-of-August forest fire high in the Rockies that brings the book, as well as the McCaskill family's struggle within itself, to a stunning climax. It is a season of escapade as well as drama, during which fourteen-year-old Jick comes of age.

Through his eyes we see those nearest and dearest to him at a turning point—“where all four of our lives made their bend”—and discover along with him his own connection to the land, to history, and to the deep-fathomed mysteries of one’s kin and one’s self.

Fathers and Children (English Edition) (Illustrated) Ivan Turgenev.2019-12-27 *Fathers and Sons* also translated more literally as *Fathers and Children*, is an 1862 novel by Ivan Turgenev, published in Moscow by Grachev & Co.[1] It is one of the most acclaimed Russian novels of the 19th century.

The Death of Ivan Ilych (English French Edition Illustrated) Leo Tolstoy.2020-04-21 *The Death of Ivan Ilych* has been classified as the best example of a novella ever written. Leo Tolstoy remains one of the greatest writers to put pen to paper, revolutionizing the form of the novel, the short story, and with *Ivan Ilych*, the novella. The story revolves around the titular Ivan Ilyich Golovin, who has discovered that he will die. Ivan is a well-liked official, but he has spent his life pursuing his career, eschewing his domestic life. Forced to confront his mortality, Ivan has the time

to consider his life and discovers he has fled from an authentic life. Ivan has turned away from his wife, his daughter, and his son, and the lack of any real connection with them only exacerbates the pain of his impending demise. Only through conversation with the simple peasant boy Geresim does Ivan find some solace, and that realization allows him to find a new joy in his last moments. Tolstoy wrote Ivan Ilyich late in his career, well after his major novels Anna Karenina and War and Peace. His religious and philosophical convictions shine through in this work, showing how Tolstoy has developed a deep understanding of the meaning of life itself. Tolstoy moved away from novels with daunting page-counts towards more accessible, but no less profound, works of fiction, such as The Death of Ivan Ilyich. Although the subject of the novella may be macabre, the story gives hope for a better life for us all.

Numeric English New Testament Ivan Panin.2013-01-07 The Numeric New Testament was originally transcribed by Ivan Panin. He believed he found a mathematical pattern in the Greek texts of the bible that would indicate the documents that were most authentic and correct. Mr. Panin devoted much of his life to proving the inspired Word contained certain watermarks by God to preserve its truth. The Greek texts that contained this pattern were the ones he chose to be most reliable. These Greek texts were then translated into English. Ivan Panin used a literal word for word type translation for this work. When word for word Greek was too fragmented to read, Mr. Panin added additional words to give the sentence structure; marking those words in italics. The literal translating of words gives a new richness and depth into God's word. With scripture renderings like: And the Word became flesh and tabernacled among us, (Jn 1:14); and whosoever shall say, Thou fool, shall be in danger of the geenna of fire. (Mt. 5:22); Amen I say to unto you that this race shall not pass away, till all be accomplished. (Lk. 21:32). Reading the Word from this translation will give new perspective of Scripture and is

Education of a Wandering Man Louis L'Amour.2008-04-29 From his decision to leave school at fifteen to roam the world, to his recollections of life as a hobo on the Southern Pacific Railroad, as a cattle skinner in Texas, as a merchant seaman in Singapore and the West Indies, and as an itinerant bare-knuckled prizefighter across small-town America, here is Louis L'Amour's memoir of his lifelong love affair with learning—from books, from yondering, and from some remarkable men and women—that shaped him as a storyteller and as a man. Like classic L'Amour fiction, *Education of a Wandering Man* mixes authentic frontier drama--such as the author's desperate efforts to survive a sudden two-day trek across the blazing Mojave desert--with true-life characters like Shanghai waterfront toughs, desert prospectors, and cowboys whom Louis L'Amour met while traveling the globe. At last, in his own words, this is a story of a one-of-a-kind life lived to the fullest . . . a life that inspired the books that will forever enable us to relive our glorious frontier heritage.

Krilof and His Fables Ivan Andreevich Krylov, William Ralston Shedden Ralston.1883

Oblomov: New Translation Ivan Goncharov.2021-04-20 First published in 1859, Oblomov is an indisputable classic of Russian literature, comparable in its stature to such masterpieces as Gogol's *Dead Souls*, Tolstoy's *Anna Karenina* and Dostoevsky's *Brothers Karamazov*. The book centres on the figure of Ilya Ilyich Oblomov, a member of the dying class of the landed gentry, who spends most of his time lying in bed gazing at life in an apathetic daze, encouraged by his equally lazy servant Zakhar and routinely swindled by his acquaintances. But this torpid existence comes to an end when, spurred on by his crumbling finances, the love of a woman and the reproaches of his friend, the hard-working Stoltz, Oblomov finds that he must engage with the real world and face up to his commitments. Rich in situational comedy, psychological complexity and social satire, Oblomov – here presented in Stephen Pearl's award-winning translation, the first major English-language version of the novel in more than fifty years – is a timeless novel and a monument to human idleness.

The Death of Ivan Ilyich Leo Tolstoy.2023-02-23 This is a special Trade eBook edition of Kirsten Lodge's acclaimed translation of Leo Tolstoy's *The Death of Ivan Ilyich and Other Stories*. The success of the 2022 film *Living* (the screenplay for which, by Kazuo Ishiguro, has been nominated for an Academy Award—as has Bill Nighy's lead performance) has sparked renewed interest in the works that inspired it. Ishiguro's script reimagines Akira Kurosawa's 1952 film, which was in turn inspired by Leo Tolstoy's classic novella from 1886, *The Death of Ivan Ilyich*. The most recent—and, many would say, the finest—English-language translation of that work is Kirsten Lodge's 2016 translation for Broadview Press. The existing Broadview edition of *The Death of Ivan Ilyich* and two other works of short fiction by Tolstoy is published in the publisher's standard academic format—with a

Dostoyevsky spent nearly two years writing *The Brothers Karamazov*, which was published as a serial in *The Russian Messenger* and completed in November 1880. The author died less than four months after its publication. *The Brothers Karamazov* is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral struggles concerning faith, doubt, judgement, and reason, set against a modernizing Russia, with a plot which revolves around the subject of patricide. Dostoyevsky composed much of the novel in Staraya Russa, which inspired the main setting. Since its publication, it has been acclaimed as one of the supreme achievements in world literature.

Roll Call of Mirrors Ivan V. Lalic.1988-06 A postwar Serbian poet captures the spirit of the classical in his newly translated book of poems. Ivan V. Lalic is one of the most important Serbian poets of the postwar generation. In Roll Call of Mirrors the translator Charles Simic, a native Yugoslavian, captures these poems in Lalic's own idiom, He retains their spare beauty, from the lyrical intensity of the early poems - by a poet destined to burn - to his later love of sonnets, to his most recent =, more meditative work on what geometry dreams, and on the art of the poet (standing before the mirror, fearless/ Of the returning image). Although Lalic is part of a generation of Yugoslavian poets considered modernist, the spirit of his poetry is classical, calling up Roman triumphal arches, Orpheus descending into Hades, Lazarus rising from the tomb, and Byzantine warriors with their breastplates of bronze. Byzantium is, for Lalic, both the historical city, spiritual and also the mythical home from which we all have been exiled. According to Simic, in Lalic's poetry the historical and the mythical are in dialogue. Like the icon or the fresco, his poems begin with metaphors that, through meditation, reflect and give meaning to identity.

his discomfort grows, his behavior towards his family becomes more irritable. His wife finally insists that he visit a physician. The physician cannot pinpoint the source of his malady, but soon it becomes clear that his condition is terminal. Confronted with his diagnosis, Ivan attempts every remedy he can to obtain a cure for his worsening situation, until the pain grows so intense that he is forced to cease working and spend the remainder of his days in bed. Here, he is brought face to face with his mortality and realizes that, although he knows of it, he does not truly grasp it. During the long and painful process of dying, Ivan dwells on the idea that he does not deserve his suffering because he has lived rightly. If he had not lived a good life, there could be a reason for his pain; but he has, so pain and death must be arbitrary and senseless. As he begins to hate his family for avoiding the subject of his death, for pretending he is only sick and not dying, he finds his only comfort in his peasant boy servant, Gerasim, the only person in Ivan's life who does not fear death, and also the only one who, apart from his own son, shows compassion for him. Ivan begins to question whether he has, in fact, lived a good life. In the final days of his life, Ivan makes a clear split between an artificial life, such as his own, which masks the true meaning of life and makes one fear death, and an authentic life, the life of Gerasim. Authentic life is marked by compassion and sympathy, the artificial life by self-interest. Then some force strikes Ivan in the chest and side, and he is brought into the presence of a bright light. His hand falls onto his nearby son's head, and Ivan pities his son. He no longer hates his daughter or wife, but rather feels pity for them, and hopes his death will release them. In so doing, his terror of death leaves him, and as Tolstoy suggests, death itself disappears.
