Similar to PDF Books World, Feedbooks allows those that sign up for an account to download a multitude of free e-books that have become accessible via public domain, and therefore cost you nothing to access. Just make sure that when you're on Feedbooks' site you head to the "Public Domain" tab to avoid its collection of "premium" books only available for purchase. ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way. Consider signing up to the free Centsless Books email newsletter to receive update notices for newly free ebooks and giveaways. The newsletter is only sent out on Mondays, Wednesdays, and Fridays, so it won't spam you too much. If you keep a track of books by new authors and love to read them, Free eBooks is the perfect platform for you. From self-help or business growth to fiction the site offers a wide range of eBooks from independent writers. You have a long list of category to choose from that includes health, humor, fiction, drama, romance, business and many more. You can also choose from the featured eBooks, check the Top10 list, latest arrivals or latest audio books. You simply need to register and activate your free account, browse through the categories or search for eBooks in the search bar, select the TXT or PDF as preferred format and enjoy your free read. Free ebooks are available on every different subject you can think of in both fiction and non-fiction. There are free ebooks available for adults and kids, and even those tween and teenage readers. If you love to read but hate spending money on books, then this is just what you're looking for. Since Centsless Books tracks free ebooks available on Amazon, there may be times when there is nothing listed. If that happens, try again in a few days. FreeBooksHub.com is another website where you can find free Kindle books that are available through Amazon to everyone, plus some that are available only to Amazon Prime members. As of this writing, Gutenberg has over 57,000 free ebooks on offer. They are available for download in EPUB and MOBI formats (some are only available in one of the two), and they can be read online in HTML format.
