Our Lady of Controversy Alicia Gaspar de Alba,Alma López.2011-04-01 Months before Alma López's digital collage *Our Lady* was shown at the Museum of International Folk Art in 2001, the museum began receiving angry phone calls from community activists and Catholic leaders who demanded that the image not be displayed. Protest rallies, prayer vigils, and death threats ensued, but the provocative image of *la Virgen de Guadalupe* (hands on hips, clad only in roses, and exalted by a bare-breasted butterfly angel) remained on exhibition. Highlighting many of the pivotal questions that have haunted the art world since the NEA debacle of 1988, the contributors to *Our Lady of Controversy* present diverse perspectives, ranging from definitions of art to the artist's intention, feminism, queer theory, colonialism, and Chicano nationalism. Contributors include the exhibition curator, Tey Marianna Nunn; award-winning novelist and Chicana historian Emma Pérez; and Deena González (recognized as one of the fifty most important living women historians in America). Accompanied by a bonus DVD of Alma López's *I Love Lupe* video that looks at the Chicana artistic tradition of reimagining *la Virgen de Guadalupe*, featuring a historic conversation between Yolanda López, Ester Hernández, and Alma López, *Our Lady of Controversy* promises to ignite important new dialogues.

Mandala Tattoo Designs Ed Perdomo.2016-04-04 This is a great book with the best mandalas designs for tattoos created by the well-known tattoo artist Ed Perdomo. Even though there are many mandalas book today, this is different, because this is designed and diagrammed exclusively for tattoos and created by a professional artist with much experience and talent in this activity. There are a total of 148 pieces with different degrees of difficulty and patterns, ideal for interpreting an idea for a tattoo or project related to this subject. The authors have chosen a bookbinding by the narrowest side of the book, so the book format is horizontal, in contrast to a traditional publication, giving it a more elegant and refined touch, which also allows a better exhibition of the pieces, given the format of the mandalas. All the designs are printed in high resolution on a high quality matte illustration paper, which allows us to represent each piece with the best level of details.

Graffiti Tattoo 2 Alain "KET" Maridueña,KET (Graffiti artist),Don Stone Karl.2012 Survey of international artists that merge these two vivid art forms: graffiti art and tattoo. Documenting the transition that graffiti writers are increasingly making into the tattoo world, this is #2 in this definitive series. Since the 70s, graffiti artists have made the leap to become muralists, fashion designers, art directors, and now late tattoo artists. Similar to the graffiti movement, in which the artists battle with one another in the public eye to be the best and most respected, the same competitive spirit holds within the tattoo world. These tattoos are a language filled with graffiti style burners and characters that are a departure from the standard tribal design and sailor styles. While the first book allowed a rare glimpse into this movement, this much larger successor provides a full-blown compendium of these fantastic burners on skin. Includes the work of Blen167, Chucho, Franz Jager, Kaves, Jason Kundell, Logan, Norm, Sabe, and many others.
