When you click on My Google eBooks, you'll see all the books in your virtual library, both purchased and free. You can also get this information by using the My library link from the Google Books homepage. The simplified My Google eBooks view is also what you'll see when using the Google Books app on Android. Amazon's star rating and its number of reviews are shown below each book, along with the cover image and description. You can browse the past day's free books as well but you must create an account before downloading anything. A free account also gives you access to email alerts in all the genres you choose. Questia Public Library has long been a favorite choice of librarians and scholars for research help. They also offer a world-class library of free books filled with classics, rarities, and textbooks. More than 5,000 free books are available for download here, alphabetized both by title and by author. Read Print is an online library where you can find

thousands of free books to read. The books are classics or Creative Commons licensed and include everything from nonfiction and essays to fiction, plays, and poetry. Free registration at Read Print gives you the ability to track what you've read and what you would like to read, write reviews of books you have read, add books to your favorites, and to join online book clubs or discussion lists to discuss great works of literature. Both fiction and non-fiction are covered, spanning different genres (e.g. science fiction, fantasy, thrillers, romance) and types (e.g. novels, comics, essays, textbooks). After more than 30 years \$domain continues as a popular, proven, low-cost, effective marketing and exhibit service for publishers large and small. \$domain book service remains focused on its original stated objective - to take the experience of many years and hundreds of exhibits and put it to work for publishers. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. There are plenty of genres available and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download. If your library doesn't have a subscription to OverDrive or you're looking for some more free Kindle books, then Book Lending is a similar service where you can borrow and lend books for your Kindle without going through a library.
