Stars, Studios, and the Musical Theatre Screen Adaptation Dominic Broomfield-McHugh,Reader in Musicology Dominic Broomfield-McHugh.2023-02-28 From *Show Boat* (1936) to *The Sound of Music* (1965) and from *Grease* (1978) to *Chicago* (2002), many of the most beloved film musicals in Hollywood history originated as Broadway shows. And in the three years since the original publication of the chapters in this volume (as *The Oxford Handbook of Musical Theatre Screen Adaptations*, 2019) the phenomenon has persisted, with new adaptations such as *Cats*, *In the Heights*, *Tick, Tick...Boom!*, *Dear Evan Hansen*, and Spielberg's remake of *West Side Story*. Yet in general, the number of screen adaptations of Broadway musicals and operettas is far greater than the number that have met with success, especially both critical and commercial success (i.e., good reviews and a profit at the box office). This is all the more surprising since Hollywood tended almost (if not quite) exclusively to buy the rights to musicals that had been successful on the stage as a means of guaranteeing a profitable outcome. After all, musicals that had already enjoyed long runs and nationwide productions on the stage ought to have a readymade audience. One might also think that because the authors had puzzled over the individual challenges posed by such properties in their stage incarnations, it ought to be easier to turn them into strong film musicals. But for every *West Side Story* there were several *Finian's Rainbows*, *Man of La Mancha*, and *Carousels*: movies that simply did not do justice to the 'enchanted evenings' these works provided in their stage incarnations--

Mickey Rooney James A. MacEachern.2017-05-15 Mickey Rooney was one of Hollywood's most prolific and long-lived stars, with film credits spanning the silent and CGI eras. Despite his Broadway acclaim and gift for character acting, he is remembered mainly for his comedies and tumultuous personal life. Most biographies have focused on these, neglecting his long and varied career, which was marked by sharp declines and meteoric comebacks. Drawing on interviews with coworkers, this book reveals Rooney as a skilled actor who settled for less in an industry that relegated him to lesser roles, and built a body of work admired by audiences and actors alike.

Academy Architecture and Annual Architectural Review .1892

Wall-to-wall America Karal Ann Marling.1982 From the back cover of the book, quoted in part:The America Karal Ann Marling (the author) refers to is small-town America during the depression era; in particular those communities that were portrayed in the 1000-odd murals that appeared in post offices around the country under the auspices of the Treasury Department Section of Fine Arts. She goes far beyond an investigation of the murals as art, and 'Wall to Wall America' becomes an intelligent, often irreverent, discussion of popular taste and culture during the depression decade.

Art Psychotherapy Groups in The Hostile Environment of Neoliberalism Sally Skaife,Jon Martyn.2022-02-23 This book explores how 'the hostile environment' of neoliberalism affects art therapy in Britain. It shows how ambiguity in art and in psychoanalytically understood relationships can enable art psychotherapy groups to engage with class dynamics and aspire to democracy. The book argues that art therapy needs to become a political practice if it is to resist collusion with a system that marginalises collectivity and holds individuals responsible for both their suffering and their recovery. It provides accounts of the contradictions that are thrown up by neoliberalism in art therapists' workplaces as well as accounts of art therapy groups with those affected by the fire at Grenfell Tower, in an acute ward, a women's prison, a community art studio and in a refugee camp. Written by art psychotherapists for arts therapists and other mental health workers, the book will bring political awareness and consideration of resistance into all art therapy relationships, whatever the context and client group.

Vintage Knits Kaffe Fassett.2010 The post-war period of the late 40's, 50's and 60's seems a golden, unhurried age, and it's to this era, with its mood of renewal, that we look for fashion inspiration. Drawing on old photographs, films and archives of knitting patterns to bring this period look alive, the designers whose work is featured in this book have updated and adapted classic designs to make them easy to wear, while at the same time being true to the spirit of the age. The collection encapsulates the feel for quality materials, lasting craftsmanship, classic looks and, above all, a real sense of style. The knitwear found here won't date in the passing of a season; it will improve with time and become a treasure in its own right. It features 30 original knitted pieces for women and men from top designers. It includes colored charts and diagrams, and clear knitting instructions. Beautiful photographs throughout capture the spirit of the post-war era and places it in a contemporary framework.--Publisher description.

Grant Wood R. Tripp Evans.2010-10-05 He claimed to be "the plainest kind of fellow you can find. There isn't a single thing I've done, or experienced," said Grant Wood, "that's been even the least bit exciting." Wood was one of America's most famous regionalist painters; to love his work was the equivalent of loving America itself. In his time, he was an "almost mythical figure," recognized most supremely for his hard-boiled farm scene, *American Gothic*, a painting that has come to reflect the essence of America's traditional values—a simple, decent, homespun tribute to our lost agrarian age. In this major new biography of America's most acclaimed, and misunderstood, regionalist painter, Grant Wood is revealed to have been anything but plain, or simple . . . R. Tripp Evans reveals the true complexity of the man and the image Wood so carefully constructed of himself.

Grant Wood called himself a farmer-painter but farming held little interest for him. He appeared to be a self-taught painter with his scenes of farmlands, farm workers, and folklore but he was classically trained, a sophisticated artist who had studied the Old Masters and Flemish art as well as impressionism. He lived a bohemian life and painted in Paris and Munich in the 1920s, fleeing what H. L. Mencken referred to as "the booboisie" of small-town America. We see Wood as an artist haunted and inspired by the images of childhood; by the complex relationship with his father (stern, pious, the "manliest of men"); with his sister and his beloved mother (Wood shared his studio and sleeping quarters with his mother until her death at seventy-seven; he was forty-four). We see Wood's homosexuality and how his studied masculinity was a ruse that shaped his work. Here is Wood's life and work explored more deeply and insightfully than ever before. Drawing on letters, the artist's unfinished autobiography, his sister's writings, and many never-before-seen documents, Evans's book is a dimensional portrait of a deeply complicated artist who became a "National Symbol." It is as well a portrait of the American art scene at a time when America's Calvinistic spirit and provincialism saw Europe as decadent and artists were divided between red-blooded patriotic men and "hothouse aesthetes." Thomas Hart Benton said of Grant Wood: "When this new America looks back for landmarks to help gauge its forward footsteps, it will find a monument standing up in the midst of the wreckage . . . This monument will be made out of Grant Wood's works."

Belfast In Your Pocket .

John Wayne Was Here Roland Schaepli.2021-05-27 John Wayne worked on film sets around the globe. This book follows the trail, from his beginnings on the Fox backlot to his final filming in Lone Pine, California. Locations in Mexico, Normandy, Rome, Madrid, London, Ireland, Libya and Africa are covered, along with his favorite vacation spots in Hawaii, Acapulco, Greece, Monaco, and the Hollywood hot-spots he frequented. Anecdotes revisit his most famous scenes, including Rooster Cogburn's charge in True Grit (1969) and Davy Crockett's last stand in The Alamo (1960). Production details describe how San Diego stood in for Iwo Jima, how Old Tucson was turned into El Dorado, and how Genghis Kahn ruled over the deserts of Utah. Never before published photos present then-and-now views in this first of its kind guided tour for film location hunters and Wayne aficionados.

The Musical Times and Singing-class Circular .1912

By Rowan and Yew Melissa Harrison.2022-03-01 As autumn begins, Moss and friends travel to their former home in Ash Row, to find the rare mortal child who can both see and talk to them. The tiny beings know they should be brave and talk back-this is their chance to help reverse the fading of ancient Cumulus, who has now almost disappeared entirely. But they soon realize fading is connected to their role in the world ... Can the Hidden Folk prove that guardians of the Wild World are needed after all?

The Pacific Coast Musician .1919

Hollywood Remembered Paul Zollo.2011-04-16 In Hollywood Remembered, a wide array of Tinseltown veterans share their stories of life in the city of dreams from the days of silent pictures to the present. The 35 voices, many of whom have come to know Hollywood inside-out, range from film producers and movie stars to restaurateurs and preservationists. Actress Evelyn Keyes recalls how, fresh from Georgia, she met Cecil B. DeMille and was soon acting in *Gone With the Wind*; Blacklisted writer Walter Bernstein tells how he transformed his McCarthy era-experiences into drama with *The Front*; Steve Allen speaks out on how Hollywood has changed since he first came there in the 1920s; and Jonathan Winters relates how he left a mental institution to come work with Stanley Kramer in *It's a Mad, Mad, Mad, Mad World*.

Reaping a Greater Harvest Debra A. Reid.2007-03-26 Jim Crow laws pervaded the south, reaching from the famous separate yet equal facilities to voting discrimination to the seats on buses. Agriculture, a key industry for those southern blacks trying to forge an independent existence, was not immune to the touch of racism, prejudice, and inequality. In *Reaping a Greater Harvest*, Debra Reid deftly spotlights the hierarchies of race, class, and gender within the extension service. Black farmers were excluded from cooperative demonstration work in Texas until the Smith-Lever Agricultural Extension act in 1914. However, the resulting Negro Division included a complicated bureaucracy of African American agents who reported to white officials, were supervised by black administrators, and served black farmers. The now-measurable successes of these African American farmers exacerbated racial tensions and led to pressure on agents to maintain the status quo. The bureau that was meant to ensure equality instead became another tool for systematic discrimination and maintenance of the white-dominated southern landscape. Historians of race, gender, and class have joined agricultural historians in roundly praising Reid's work.

Motorcycles, Madness & Miracles - A Badass Journey to Empowerment Rowan Glaser.2017-01-12 *Motorcycles, Madness & Miracles* is the badass journey of custom motorcycle painter Katarina who, after experiencing several traumas, closes herself off to the joys of life and instead focuses on excelling in her career. She achieves success, but an undercurrent of resigned anger is always present - robbing her of living a life of greatness. Realizing this, she turns to introspection and Native wisdom, and explores a landscape outside of mainstream America. True to form, she celebrates this newfound knowledge with a motorcycle build and paint scheme honoring the Four Directions and once complete, travels to Sturgis Bike Week to compete with other top builders. Here she meets kindred soul, Groovy J, a good-humored man's man who expresses concern for his children's future. Their friendship quickly blossoms over several shared hours while waiting for the results of the bike show competition. Exchanging raw and brutally honest conversation balanced with hilarious highlight stories of their past military service, they reach the self empowerment required to become masters of their own fate. Complete with a Toolbox for further exploration - this is a gritty and real ride that will open your eyes and heart. And how do their bikes do in competition at this prestigious show? You'll have to read the book to find out!

Kaffe Fassett in the Studio Kaffe Fassett.2021-04-13 World-renowned artist and textile designer Kaffe Fassett provides a window into his creative process, offering readers new patterns, new ideas, and new inspiration With successes like *Bold Blooms* and *Dreaming in Color*, the latest book from Kaffe Fassett brings together all the best elements of his work and life. Kaffe Fassett in the Studio will offer an in-depth look at his work and where he finds inspiration, paying particular attention to his color work. He'll also showcase some of his greatest designs in the areas of needlework, patchwork, and knitting, as well as provide three to four new patterns in each of these areas. Lastly, Fassett will speak to his fabric design and painting processes. He remains an icon in the fashion and craft worlds. He partners with brands such as Coach and is regularly featured in the pages of *Vogue*. Fassett's brilliant use of color sets his work apart from other artists, and any collection of his work is a must have among fans and beyond.

The Top Books of the Year Rowan Studio 32 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Rowan Studio 32 : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Rowan Studio 32 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing

storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
