StrengthsQuest Donald O. Clifton, Edward "Chip" Anderson. 2016-01-01 Students who use their natural talents achieve the most --- but they need to know what those talents are. StrengthsQuest includes the Clifton StrengthsFinder, an online assessment that reveals students' top five themes of talent. And StrengthsQuest also helps students make the most of those talents. Students and learners of all ages continually face the challenges of gaining direction, making decisions, and building self-confidence. Fortunately, the keys to successfully meeting these challenges — your own natural talents — already exist within you. Through these talents, you will produce your greatest achievements. Over the course of 30 years, Gallup conducted millions of psychological interviews and identified 34 themes of talent that are indicative of success. In the StrengthsQuest program, Gallup offers you the opportunity to discover talents from your top five themes and build on them to achieve academic, career, and personal excellence. More than 100,000 students have benefited from the program. Your quest starts with the Clifton StrengthsFinder, a 30-minute assessment that reveals your top five themes of talent. This online assessment is your entryway to a variety of experiences that will help you discover your greatest talents and develop strengths. You'll gain access to action items specific to your top themes, covering general academic life, study habits, relationships, and career. You'll also be challenged to think about applying your talents for success in other settings, such as on projects and teams and in leadership. StrengthsQuest was written by the late Donald O. Clifton, who was the former chairman of Gallup; coauthor of the bestseller *Now, Discover Your Strengths*; and recognized as the Father of Strengths-Based Psychology and the late Edward "Chip" Anderson, who taught education, psychology, and leadership at UCLA and Azusa Pacific University. Revised portions of the text were written by Laurie A. Schreiner, who has taught psychology and higher education at Azusa Pacific University and Eastern University. Reminiscences of Levi Coffin, the Reputed President of the Underground Railroad Levi Coffin. 1880

Edible Insects Arnold van Huis, Food and Agriculture Organization of the United Nations. 2013 Edible insects have always been a part of human diets, but in some societies there remains a degree of disdain and disgust for their consumption. Although the majority of consumed insects are gathered in forest habitats, mass-rearing systems are being developed in many countries. Insects offer a significant opportunity to merge traditional knowledge and modern science to improve human food security worldwide. This publication describes the contribution of insects to food security and examines future prospects for raising insects at a commercial scale to improve food and feed production, diversify diets, and support livelihoods in both developing and developed countries. It shows the many traditional and potential new uses of insects for direct human consumption and the opportunities for and constraints to farming them for food and feed. It examines the body of research on issues such as insect nutrition and food safety, the use of insects as animal feed, and the processing and preservation of insects and their products. It highlights the need to develop a regulatory framework to govern the use of insects for food security. And it presents case studies and examples from around the world. Edible insects are a promising alternative to the conventional production of meat, either for direct human consumption or for indirect use as feedstock. To fully realise this potential, much work needs to be done by a wide range of stakeholders. This publication will boost awareness of the many valuable roles that insects play in sustaining nature and human life, and it will stimulate debate on the expansion of the use of insects as food and feed.

Handbook for federal grand jurors .2003

Strengthening Forensic Science in the United States National Research Council, Division on Engineering and Physical Sciences, Committee on Applied and Theoretical Statistics, Policy and Global Affairs, Committee on Science, Technology, and Law, Committee on Identifying the Needs of the Forensic Sciences Community. 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Sport of Kings C. E. Morgan. 2016-05-03 A Finalist for the Pulitzer Prize Winner of the Kirkus Prize for Fiction • A Recipient of the Windham-Campbell Prize for Fiction • A Finalist for the James Tait Black Prize for Fiction • A Finalist for the Baileys Women's Prize for Fiction • A Finalist for the Rathbones Folio Prize • Longlisted for an Andrew Carnegie Medal for Excellence • One of New York Times Book Review 100 Notable Book Named a Best Book of the Year by Entertainment Weekly • GQ • The New York Times (Selected by Dwight Garner) • NPR • The Wall Street Journal • San Francisco Chronicle • Refinery29 • Booklist • Kirkus Reviews • Commonweal Magazine In its poetic splendor and moral seriousness, *The Sport of Kings* bears the traces of Faulkner, Morrison, and McCarthy. . . . It is a contemporary masterpiece.—San Francisco Chronicle Hailed by *The New Yorker* for its "remarkable achievements," *The Sport of Kings* is an American tale centered on a horse and two families: one white, a Southern dynasty whose forefathers were among the founders of Kentucky; the other African-American, the descendants of their slaves. It is a dauntless narrative that stretches from the fields of the Virginia piedmont to the abundant pastures of the Bluegrass, and across the dark waters of the Ohio River; from the final shots of the Revolutionary War to the resounding clang of the starting bell at Churchill Downs. As C. E. Morgan unspools a fabric of shared histories, past and present converge in a Thoroughbred named Hellsmouth, heir to Secretariat and a contender for the Triple Crown. Newly confronted with one another in the quest for victory, the two families must face the consequences of their ambitions, as each is driven—and haunted—by the same, enduring question: How far away from your father can you run? A sweeping narrative of wealth and poverty, racism and rage, *The Sport of Kings* is an unflinching portrait of lives cast in the shadow of slavery and a moral epic for our time.

The Things They Carried Tim O'Brien. 2009-10-13 Look for O'Brien's new book, *American Fantastica*, on sale October 24th A classic work of American literature that has not stopped changing minds and lives since it

burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Police Violence William A. Geller, Hans Toch. 1959-12-11 Although the prevalence of police-citizen conflict has diminished in recent decades, police use of excessive force remains a concern of police departments nationwide. This timely book focuses on what is known and what still needs to be learned to understand, prevent, and remediate police abuse of force. The topics covered include: a theory of police abuse of force; the causes of police brutality; measures of its prevalence; the violence-prone police officer; public opinion about police abuse of force; the issue of race; officer selection, training, and attitudes; police unions and police culture; administrative review; procedural justice and the review of citizen complaints; the role of lawsuits; and a survey of police brutality abroad. In the final chapter Geller and Toch suggest new directions for research and practical innovations in law enforcement, from which both police and citizens can benefit. The contributors to this volume are scholars of criminology, criminal justice, social psychology, law, and public administration; former police managers; a police union leader; civilian oversight agency administrators and analysts; civil liberties advocates; police litigation expert witnesses; and media commentators. The combination of theoretical and practical perspectives makes this book ideal for students and scholars of democratic policing and for those in police departments, government, and the media charged with addressing and understanding the problem of improper exercise of force.

Just Mercy Bryan Stevenson. 2014-10-21 #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn’t commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. *Just Mercy* is at once an unforgettable account of an idealistic, gifted young lawyer’s coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book “Every bit as moving as *To Kill a Mockingbird*, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields.”—David Cole, *The New York Review of Books* “Searing, moving . . . Bryan Stevenson may, indeed, be America’s Mandela.”—Nicholas Kristof, *The New York Times* “You don’t have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. *Just Mercy* will make you upset and it will make you hopeful.”—Ted Conover, *The New York Times Book Review* “Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he’s also a gifted writer and storyteller.”—*The Washington Post* “As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty.”—*The Financial Times* “Brilliant.”—*The Philadelphia Inquirer*

The Second Grave Carl Wedekind. 1999

Slave Life in Virginia and Kentucky C. L. Innes. 2010-11 In 1854, faced with the threat of yet another brutal beating, a fifty-year-old slave in Mason County, Kentucky, decided to try again to escape. His first attempt had ended in his near starvation as he hid for nine weeks in a swamp, before hunger compelled him to return to his master. This time the slave sought the help of a neighbor with abolitionist sympathies, and he joined the hundreds of other fugitive slaves fleeing across the Ohio River and north to Canada on the Underground Railroad. After his arrival in Toronto he discarded his master's surname (Parker), renamed himself Francis Fedric, and married an Englishwoman. In 1857, he traveled with his wife to Great Britain, where he lectured on behalf of the antislavery cause and published two versions of his life story. Born in Virginia circa 1805, Francis Fedric was not unlike thousands of other African Americans who escaped slavery in the southern states and sought refuge in Britain. Many of his fellow ex-slaves also joined the abolitionist lecture circuit and published memoirs to support both the cause and themselves. Addressed to a British audience, these memoirs constitute a distinctive subgenre of the slave narrative, and an essential continuation of the narrative tradition established in England by Olaudah Equiano, Ottobah Cugoana, and Mary Prince. The first of Fedric's two memoirs, *Life and Sufferings of Francis Fedric, While in Slavery: An Escaped Slave after 51 Years in Bondage* (1859), offers a brief but vivid and dramatic twelve-page description of his escape. *Slave Life in Virginia and Kentucky; or, Fifty Years of Slavery in the Southern States of America* (1863) provides a much more detailed account of life as a slave and of plantation culture in the southern states. Together the two works present a mesmerizing and distinct perspective on slavery in the South. Amazingly, these narratives, among the most interesting of the genre, remained out of print for nearly a hundred and fifty years. Collected here for the first time and meticulously edited by C. L. Innes, *Slave Life in Virginia and Kentucky: A Narrative by Francis Fedric, Escaped Slave* includes a contextual introduction, substantial biographical information on Fedric, and extensive annotations that situate and illuminate his work. Long forgotten and never before published in the United States, Fedric's narratives are certain to take their rightful place alongside the most recognizable accounts in the canon of slave memoirs.

Just Mercy Bryan Stevenson. 2016 From one of the most brilliant and influential lawyers of our time comes an unforgettable true story about the redeeming potential of mercy. Bryan Stevenson was a gifted young attorney when he founded the Equal Justice Initiative, a legal practice dedicated to defending the poor, the wrongly condemned, and those trapped in the furthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man sentenced to die for a notorious murder he didn't commit. The case drew Stevenson into a tangle of conspiracy, political machination, and legal brinkmanship - and transformed his understanding of mercy and justice forever.--Back cover.

Corcoran Gallery of Art Corcoran Gallery of Art, Sarah Cash, Emily Dana Shapiro, Jennifer Carson. 2011 This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Composed of more than 600 objects dating from 1740 to 1945.

Extremely Loud & Incredibly Close Jonathan Safran Foer. 2005 Jonathan Safran Foer emerged as one of the most original writers of his generation with his best-selling debut novel, *Everything Is Illuminated*. Now, with humor, tenderness, and awe, he confronts the traumas of our recent history. What he discovers is solace in that most human quality, imagination. Meet Oskar Schell, an inventor, Francophile, tambourine player, Shakespearean actor, jeweler, pacifist, correspondent with Stephen Hawking and Ringo Starr. He is nine years old. And he is on an urgent, secret search through the five boroughs of New York. His mission is to find the

lock that fits a mysterious key belonging to his father, who died in the World Trade Center on 9/11. An inspired innocent, Oskar is alternately endearing, exasperating, and hilarious as he careens from Central Park to Coney Island to Harlem on his search. Along the way he is always dreaming up inventions to keep those he loves safe from harm. What about a birdseed shirt to let you fly away? What if you could actually hear everyone's heartbeat? His goal is hopeful, but the past speaks a loud warning in stories of those who've lost loved ones before. As Oskar roams New York, he encounters a motley assortment of humanity who are all survivors in their own way. He befriends a 103-year-old war reporter, a tour guide who never leaves the Empire State Building, and lovers enraptured or scorned. Ultimately, Oskar ends his journey where it began, at his father's grave. But now he is accompanied by the silent stranger who has been renting the spare room of his grandmother's apartment. They are there to dig up his father's empty coffin.

Teaching at Its Best Linda B. Nilson.2010-04-20 Teaching at Its Best This third edition of the best-selling handbook offers faculty at all levels an essential toolbox of hundreds of practical teaching techniques, formats, classroom activities, and exercises, all of which can be implemented immediately. This thoroughly revised edition includes the newest portrait of the Millennial student; current research from cognitive psychology; a focus on outcomes maps; the latest legal options on copyright issues; and how to best use new technology including wikis, blogs, podcasts, vodcasts, and clickers. Entirely new chapters include subjects such as matching teaching methods with learning outcomes, inquiry-guided learning, and using visuals to teach, and new sections address Felder and Silverman's Index of Learning Styles, SCALE-UP classrooms, multiple true-false test items, and much more. Praise for the Third Edition of Teaching at Its Best Everyone veterans as well as novices will profit from reading Teaching at Its Best, for it provides both theory and practical suggestions for handling all of the problems one encounters in teaching classes varying in size, ability, and motivation. Wilbert McKeachie, Department of Psychology, University of Michigan, and coauthor, McKeachie's Teaching Tips This new edition of Dr. Nilson's book, with its completely updated material and several new topics, is an even more powerful collection of ideas and tools than the last. What a great resource, especially for beginning teachers but also for us veterans! L. Dee Fink, author, Creating Significant Learning Experiences This third edition of Teaching at Its Best is successful at weaving the latest research on teaching and learning into what was already a thorough exploration of each topic. New information on how we learn, how students develop, and innovations in instructional strategies complement the solid foundation established in the first two editions. Marilla D. Svinicki, Department of Psychology, The University of Texas, Austin, and coauthor, McKeachie's Teaching Tips

Crimes Committed by Terrorist Groups Mark S. Hamm.2011-01 This is a print on demand edition of a hard to find publication. Examines terrorists' involvement in a variety of crimes ranging from motor vehicle violations, immigration fraud, and mfg. illegal firearms to counterfeiting, armed bank robbery, and smuggling weapons of mass destruction. There are 3 parts: (1) Compares the criminality of internat. jihad groups with domestic right-wing groups. (2) Six case studies of crimes includes trial transcripts, official reports, previous scholarship, and interviews with law enforce. officials and former terrorists are used to explore skills that made crimes possible; or events and lack of skill that the prevented crimes. Includes brief bio. of the terrorists along with descriptions of their org., strategies, and plots. (3) Analysis of the themes in closing arguments of the transcripts in Part 2. Illus.

Death Penalty in a Nutshell Victor L. Streib.2005 Covering both the substantive law and the procedural law of the death penalty, this title begins with the arguments for and against the death penalty and an explanation of its basic constitutional challenges and limitations. Major sections cover capital crimes and defenses, as well as trial level and post-trial procedural issues. Special topics such as race and gender bias and executing the innocent are included, as well as a section on international and foreign law issues. This Nutshell serves both as supplemental reading for students in death penalty courses and as a concise, narrative explanation of death penalty law.

Extreme Justice Jack Godbey.2017-04 A story about the people that committed the crimes behind the death penalty in Kentucky.

Kentucky's Death Penalty Sharon M. Kouns.2017-11-15 'Kentucky's Death Penalty - History, Crimes and Victims' Kentucky, founded in 1792, opened the first penitentiary built west of the Allegheny Mountains in Frankfort in 1800. Capital punishment, for crimes of murder and rape, was hanging by the neck until dead on the gallows in the county of conviction. In 1890, a second prison opened in Lyon County and was known as the Branch Penitentiary. The 1910 Prison Reform Act changed the names of the two prisons; the location of where incarcerated men and children under and over 30 years of age were to be housed; and the legal execution law from the gallows to the electric chair. Finally, after one hundred and eleven years, Kentucky stood to reform instead of penalize the unfortunate criminal. The purpose of this book was intended to be a reference tool for current and future correctional staff and possibly criminal justice students regarding Kentucky's capital punishment. However, it has turned out to become an interesting and factual read on the crimes and victims of those that paid the ultimate price for their criminal actions. Questions, such as the following, brought the book into a new perspective: How many men and women have died in the electric chair? How many were executed in one night? How old was the youngest, the oldest? What crimes did they commit? Has Kentucky ever executed women? What crimes were covered under the death penalty law? When did the laws change from the gallows to electrocution to lethal injections? What brought about the changes? Why is the chair located in Eddyville? Will it be used again? Etc. This book relates not only a brief history and photos of Kentucky's first two prisons but gives the crimes, victims, and in some cases the execution time, last statement, and last meal of the 163 men that paid the ultimate price for their crime in Kentucky's electric chair.

Parenting Matters National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Supporting the Parents of Young Children.2016-11-21 Decades of research have demonstrated that the parent-child dyad and the environment of the family—which includes all primary caregivers—are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. Parenting Matters identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

Juror's Handbook Lynn Buchanan.2005-01-01 Jury service is one of the most important civic duties a person can undertake, yet it is often poorly understood. This booklet has been prepared in consultation with the Juries Commissioner's Office. It answers frequently asked questions about jury service and provides prospective jurors with a clear explanation of their responsibilities and the processes involved in trials. All potential jurors will receive a copy when they attend for jury service.

Interlopers Saki.2002-10 Saki. Years of rivalry and feuding between the von Gradwitzes and the Znaeysms seemingly come to an end when the two heads of the families find themselves in a life-or-death situation.

Unfortunately, their reconciliation comes too late. 40 pages. Tale Bla

Running Out of Time Margaret Peterson Haddix.1995-10 When a diphtheria epidemic hits her 1840 village, thirteen-year-old Jessie discovers it is actually a 1996 tourist site under unseen observation by heartless scientists, and it's up to Jessie to escape the village and save the lives of the dying children.

The Monuments Men Robert M. Edsel.2013-07-01 Now a major film starring GEORGE CLOONEY, MATT DAMON, CATE BLANCHETT, BILL MURRAY, JOHN GOODMAN, HUGH BONNEVILLE, BOB BALABAN, JEAN DUJARDIN and DIMITRI LEONIDAS. What if I told you that there was an epic story about World War II that has not been told, involving the most unlikely group of heroes? What if I told you there was a group of men on the front lines who didn't carry machine guns or drive tanks; a new kind of soldier, one charged with saving, not destroying. From caves to castles in a thrilling race against time, these men risked their lives daily to save hundreds of thousands of the world's greatest works of art. THEY were the Monuments Men, and THIS is their extraordinary true story. 'Remarkable' Washington Post 'Engaging, inspiring' Publishers Weekly

The Death Penalty Louis J. Palmer.1998 Examines and explains the laws of capital punishment as they exist in the United States as of 1998, focusing primarily on issues that are resolved after a defendant has been convicted of a capital crime.

Getting Ready for the 4th Grade Assessment Tests Erika Warecki.2002 Getting Ready for the 4th Grade Assessment Test: Help Improve Your Child's Math and English Skills - Many parents are expressing a demand for books that will help their children succeed and excel on the fourth grade assessment tests in math and English -especially in areas where children have limited access to computers. This book will help students practice basic math concepts, i.e., number sense and applications as well as more difficult math, such as patterns, functions, and algebra. English skills will include practice in reading comprehension, writing, and vocabulary. Rubrics are included for self-evaluation.

Wisconsin Model Early Learning Standards 5th Edition Wisconsin Department of Public Instruction.2017

The Youth's Companion Nathaniel Willis, Daniel Sharp Ford.1925 Includes music.

The Secret Byron Preiss.2016-10-05 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels, are buried. The key to finding each can be found within the twelve full color paintings and verses of *The Secret*. Yet *The Secret* is much more than that. At long last, you can learn not only the whereabouts of the Fair People's treasure, but also the modern forms and hiding places of their descendants: the Toll Trolls, Maitre D'eamons, Elf Alphas, Tupperwerewolves, Freudian Sylphs, Culture Vultures, West Ghosts and other delightful creatures in the world around us. *The Secret* is a field guide to them all. Many armchair treasure hunt books have been published over the years, most notably *Masquerade* (1979) by British artist Kit Williams. *Masquerade* promised a jewel-encrusted golden hare to the first person to unravel the riddle that Williams cleverly hid in his art. In 1982, while everyone in Britain was still madly digging up hedgerows and pastures in search of the golden hare, *The Secret: A Treasure Hunt* was published in America. The previous year, author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. Preiss was killed in an auto accident in the summer of 2005, but the hunt for his casques continues.

The Death Penalty in America Robert M. Bohm.1991

The Greatest Treasure Hunt in History: The Story of the Monuments Men (Scholastic Focus) Robert M. Edsel.2019-01-29 Robert M. Edsel brings the story of his #1 NYT bestseller for adults *The Monuments Men* to young readers for the first time in this dynamic, narrative nonfiction project packed with photos. Robert M. Edsel, #1 New York Times bestselling author of *The Monuments Men*, brings this story to young readers for the first time in a sweeping, dynamic adventure detailing history's greatest treasure hunt. As the most destructive war in history ravaged Europe, many of the world's most cherished cultural objects were in harm's way. *The Greatest Treasure Hunt in History* recounts the astonishing true story of 11 men and one woman who risked their lives amidst the bloodshed of World War II to preserve churches, libraries, monuments, and works of art that for centuries defined the heritage of Western civilization. As the war raged, these American and British volunteers -- museum curators, art scholars and educators, architects, archivists, and artists, known as the Monuments Men -- found themselves in a desperate race against time to locate and save the many priceless treasures and works of art stolen by Adolf Hitler and the Nazis.
