Thanks to public domain, you can access PDF versions of all the classics you've always wanted to read in PDF Books World's enormous digital library. Literature, plays, poetry, and non-fiction texts are all available for you to download at your leisure. We provide a range of services to the book industry internationally, aiding the discovery and purchase, distribution and sales measurement of books. ManyBooks is a nifty little site that's been around for over a decade. Its purpose is to curate and provide a library of free and discounted fiction ebooks for people to download and enjoy. Freebooksy is a free eBook blog that lists primarily free Kindle books but also has free Nook books as well. There's a new book listed at least once a day, but often times there are many listed in one day, and you can download one or all of them. Amazon's star rating and its number of reviews are shown below each

book, along with the cover image and description. You can browse the past day's free books as well but you must create an account before downloading anything. A free account also gives you access to email alerts in all the genres you choose. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. If you are reading a book, \$domain Group is probably behind it. We are Experience and services to get more books into the hands of more readers.
