The Medieval Chastity Belt A. Classen.2007-03-19 The chastity belt is one of those objects people have commonly identified with the 'dark' Middle Ages. This book analyzes the origin of this myth and demonstrates how a convenient misconception, or contorted imagination, of an allegedly historical practice has led to profoundly flawed interpretations of control mechanisms used by jealous husbands.

Locked-In Love: How Two Weeks in Chastity Can End the Barter System, Renew Courtship and Make a Better Husband. Key Barrett.2018-09-24 Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase

communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

The Transgender Phenomenon Richard Ekins,Dave King.2006-10-23 Dave King and Richard Ekins are the leading world sociologists in this field. The book brings together a brilliant synthesis of history, case studies, ideas and positions as they have emerged over the past thirty years, and brings together a rich but always grounded account of this field, providing a state of the art of critical concepts and ideas to take this field further during the twenty first century. - Ken Plummer, University of Essex An outstanding survey of the evolution of trans phenomena, splendidly written, highly informative, scholarly at its best, yet easy to read even for those neither trans nor sociologist. Ekins and King, experts in the field, unroll the panoramas of sex, gender, and transgenering that have evolved during the last decades. For everyone wanting to understand the interaction of women and men and of those who cannot or will not identify with either of these two categories, reading this book is a must, and a real pleasure. - Friedmann Pfaefflin, University of ULM This groundbreaking study sets out a framework for exploring transgender diversity for the new millennium. It sets forth an original and comprehensive research and provides a wealth of vivid illustrative material. Based on two decades of fieldwork, life history work, qualitative analysis, archival work and contact with several thousand cross-dressers and sex-changers around the world, the authors distinguish a number of contemporary transgenering 'stories' to illustrate: The binary male/female divide The interrelations between sex, sexuality and gender The interrelations between the main sub-processes of transgenering. Wonderfully insightful, *The Transgender Phenomenon* develops an original and innovative conceptual framework for understanding the full range of the transgender experience.

Of Male Chastity Chris Bellows.2011-10-10 In this industrious tale of revenge, women of latent power rebel, turn the tides and end their frustration. A frustrated Millicent Hayward decides to end husband Harold's annoying attempts to please himself with his inadequate equipment, locking away an organ which the women of the world will never miss. In doing so she finds a level of arousal not before achieved and a Harold who begins to better perform orally. Curious body modifications assist in Harold's new role and Millicent enters a new world of feminine authority. After training her husband to offer pleasure but never to receive, she next turns the tables on her once wealthy libertine boss, and Millie learns that she is not alone in her quest to transform male desire into meaningful and ardent feminine ecstasy. The boss has secret penchants that led to an expensive divorce and enables his proficient assistant, the experienced Penepole Teasdale, to take control a very lucrative enterprise. Readers will thrill in learning of Miss Teasdale's background. Just where does a prim and well educated woman learn to so thoroughly control the male organ? Millie is also joined by her jaded neighbor and nurse Julie Danforth who will finally take control of her philandering husband. In the author's world of feminine dominion, the phallus is deemed superfluous to sexual gratification. Oral pleasure rules. Therefore the penis is best locked away and relegated to being a source of control and torment rather than enjoyment. Instead it is the tongue which best satisfies. And what better way to ensure fervent oral servitude than to demand thorough chastity and thus assure that the male desire for ecstasy be experienced only vicariously, felt through she holding the key to an ineluctable chastity device.

Stolen Elizabeth Gilpin.2021-07-20 A gripping chronicle of psychological manipulation and abuse at a "therapeutic" boarding school for troubled teens, and how one young woman fought to heal in the aftermath. At fifteen, Elizabeth Gilpin was an honor student, a state-ranked swimmer and a rising soccer star, but behind closed doors her undiagnosed depression was wreaking havoc on her life. Growing angrier by the day, she began skipping practices and drinking to excess. At a loss, her parents turned to an educational consultant who suggested Elizabeth be enrolled in a behavioral modification program. That recommendation would change her life forever. The nightmare began when she was abducted from her bed in the middle of the night by hired professionals and dropped off deep in the woods of Appalachia. Living with no real shelter was only the beginning of her ordeal: she was strip-searched, force-fed, her name was changed to a number and every moment was a test of physical survival. After three brutal months, Elizabeth was transferred to a boarding school in Southern Virginia that in reality functioned more like a prison. Its curriculum revolved around a perverse form of group therapy where students were psychologically abused and humiliated. Finally, at seventeen, Elizabeth convinced them she was rehabilitated enough to "graduate" and was released. In this eye-opening and unflinching book, Elizabeth recalls the horrors she endured, the friends she lost to suicide and addiction, and—years later—how she was finally able to pick up the pieces of her life and reclaim her identity.

Though John is anxious to have Laura back, with Christine now a permanent fixture in Laura's life, the terms of the relationship are about to radically change. Either John agrees to be submissive in a menage a trois with two dominant females, or he's out. Eager to stay in Laura's good graces John agrees to anything, including public humiliation, panty wearing, and Laura's unique punishment for unauthorized masturbation: a locking chastity device. She tricks him into putting it on, not telling him that Christine has the keys. Later he learns from Christine that a key has been hidden in his weekend bag all along. But now, the demanding Christine wants him to consciously choose to remain in chastity! John can't help wonder who's running the relationship, Laura or Christine? As the two femmes take charge, John is trained to serve their every whim, to call them mistress, and play their humiliating sexual games. When he fails to please this daunting duo, he suffers a variety of painful punishments from bondage to whipping to being sodomized with a strap-on. Despite the rough demands of his new life, John finds his surrendering role strangely pleasing, and highly erotic. Will John ever have Laura to himself again? Is Christine really falling in love with him?

Although John's journey into chastity has just begun, it's certain to take some curious twists as these two lovely, in charge females turn this wary college boy into their groveling slave.

Seduction Catherine Gildiner.2010-05-21 During her decade in prison, Kate Fitzgerald has learned a few things. The best way to survive is to absorb yourself in your own world. Never make eye contact with your fellow inmates. And the last person you can trust is your prison psychiatrist - not only is he likely to be lazy and incompetent (really, why else wouldn't he be getting rich off of well-heeled clients instead?) but if you complain about him you're going to be labelled as a “permanent malcontent” and denied parole. So when Dr. Gardonne offers Kate a temporary absence and a job working for him, she only takes it because she knows that turning him down could be worse for her in the long run - counted in prison years, of course. But the real challenge is figuring out why he would choose her. On the surface, it's pretty clear. Kate has spent her incarceration immersing herself in the writings of Sigmund Freud, and has become a recognized expert on his work. Dr. Gardonne represents the members of a psychoanalytic organization that is being attacked at its core: Anders Konzak, the hand-picked director of the Freud academy, has been boasting to the media that his new research on Freud will bring the entire profession of psychoanalysis to its knees. He's also been receiving death threats. And Kate, as an outsider, is the only one Konzak will talk to. Though she doesn't trust Gardonne, Kate accepts his offer, and she races to uncover Konzak's secrets before he publishes his work. Never one to work well with others, Kate is less than thrilled to find out Gardonne has hired a private detective to be her partner. Jackie Lawton is a hardened ex-con who has spent most of his life in prison and only recently turned things around by starting his own business. From the moment the two meet, Kate sees that it won't be easy working with a man who isn't really interested in the intellectual battle at hand and who keeps her prison time at the forefront of every conversation. And can he really be trusted? When key players - who were all last seen with Kate - begin to turn up dead, there's the very real possibility she's being set up by Gardonne. After all, who would believe the word of a convict serving time for murdering her husband? All she can hope is that following the threads of Konzak's research to his sources will keep her one step ahead of Gardonne and lead her to the real killer. With *Seduction*, Catherine Gildiner gives us not only a gripping detective story full of shifting characters and fast-paced twists but a remarkable intellectual thriller. Through the letters and papers of Sigmund Freud, Charles Darwin and the venerable Wedgwood family, Gildiner brings the personalities and ideological conflicts of the past to life in the present. Along the way we meet an assortment of characters, from social misfits to the demure but resolute Anna Freud, who is still living in the London house where she brought her ailing father for the last year of his life, and where she actively guards his legacy. The story takes us from Toronto to Vienna, London, the Isle of Wight, New York and back again to Toronto - each locale seen through the eyes of Kate, who relishes in the beauty of a world that has been denied to her for a decade.

A Brief Lesson in Chastity John James Redden.2019-05-26 Alex went to his local leather bar, hoping to find someone to tie up and spank. When his eyes locked with a beefy, buzzcut man wearing a leather baseball cap, Alex thought he'd found just the right guy. There was a problem: that hunky submissive was wearing a locking steel collar. And a wedding ring. And some other jewelry below the belt which his husband was eager to discuss. The submissive, Patrick, and his husband, Sam, had an arrangement. Patrick could play with anyone he wanted, but Sam first had to get Patrick's play partner under lock and key. If Alex wanted to play with a married man, he was going to get a lesson in chastity. The Fateful Phone Call Part II R T McConnell Aka Slave Robert.2022-10-09 If you were fortunate enough to read *The Fateful Phone Call* which documented the plight of slave Robert after he was Locked into a Chastity Cage by Mistress Gloria with no obvious hope of ever getting a release because she sealed the security screw on the device, then you will be thrilled to see that he has just released a Sequel which details what has taken place since that time. Robert was totally surprised when Mistress Linda contacted him and told him that if he was willing to meet with her, that she and her friend Mistress Elizabeth could possibly get him out of the Chastity Cage which had held him prisoner for over a year. Obviously, Linda's offer had some conditions and Robert had to decide whether or not he was willing to agree with her conditions ... One of which required that he would then become her collared slave for a year, and he would totally serve her and satisfy all of her needs. When Robert agreed to Linda's conditions, he only had one thing on his mind and that was possibly getting out of permanent chastity and experiencing an orgasm once again. Little did he know where the road would lead when he eventually became Locked Up once again in Chastity to Mistress Linda, since she had some plans for him which she never mentioned to him beforehand. You will be absolutely amazed and surprised by the events which take place in this Revealing and Intense Female Domination Novel with non-stop FemDom action on every page. Just like in the first novel, some Chapters describing Robert's journey will shock you. We guarantee that most Chapters will arouse you. A Source Book for Mediaeval History : Selected Documents illustrating the History of Europe in the Middle Age Oliver J. Thatcher, Edgar Holmes McNeal. 1968 A Source Book for Mediaeval History : Selected Documents illustrating the History of Europe in the Middle Age It will be observed that we have made use chiefly of documents, quoting from chronicles only when it seemed absolutely necessary. An exception to this general principle is found in section I, where a larger use of chronicles was rendered necessary by the lack of documentary sources for much of the period covered; but it is perhaps unnecessary to apologize for presenting selections from the important histories of Tacitus, Gregory, Einhard, and Widukind. In the matter of form (translation, omissions, arrangements, notes, etc.), we were guided by considerations of the purpose of the book. The style of most of the documents in the original is involved, obscure, bombastic, and repetitious. A faithful rendition into English would often be quite unintelligible. We have endeavored to make a clear and readable translation, but always to give the correct meaning. If we have failed in the latter it is not for want of constant effort. We have not hesitated to omit phrases and clauses, often of a parenthetical nature, the presence of which in the translation would only render the passage obscure and obstruct the thought. As a rule we have given the full text of the body of the document, but we have generally omitted the first and last paragraphs, the former containing usually titles and pious generalities, and the latter being composed of lists of witnesses, etc. We have given a sufficient number of the documents in full to illustrate these features of mediæval diplomatics. All but the most trivial omissions in the text (which are matters rather of form of translation) are indicated thus: ... Insertions in the text to explain the meaning of phrases are inclosed in brackets []. Quotations from the Bible are regularly given in the words of the Authorized Version, but where the Latin (taken from the Vulgate) differs in any essential manner, we have sometimes translated the passage literally. Within each section the documents are arranged in chronological order, except in a few cases where the topical arrangement seemed necessary. We believe that the explanatory notes in the form of introductions and foot-notes will be found of service; they are by no means exhaustive, but are intended to explain the setting and importance of the document and the difficult or obscure passages it may contain. The reference to the work or the collection in which the original is found is given after the title of practically every document; the meaning of the references will be plain from the accompanying bibliography. The original of nearly all the documents is in Latin; some few are in Greek, Old French, or German, and in such cases the language of the original is indicated. It is impossible, of course, to give explicit directions as to the use of the book, other than the very obvious methods of requiring the student to read and analyze the documents assigned in connection with the lesson in the text-book, and of making clear to him the relation of the document to the event. It may be possible also for the teacher to give the student some notion of the meaning of historical method; e.g., the necessity of making allowance for the ignorance or the bias of the author in chronicles, or the way in which a knowledge of institutions is deduced from incidental references in documents. Suggestions of both sorts will be found in the introduction and notes. The teacher should insist on the use of such helps as are found in the book: notes, cross-references, glossary, etc. Groups of documents can be used to advantage in topical work: assigned topics worked up from authorities can be illustrated by documents selected from the book; e.g., imperial elections, papal elections, the Normans in Sicily, history of the Austrian dominions, Germans and Slavs on the eastern frontier, relations of the emperors and the popes before the investiture strife, etc.

The Brain That Changes Itself Norman Doidge. 2007-03-15 "Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

Male Chastity M. Rennie. 2014-06-01 How does a modern woman keep a handsome, virile husband in deep submission? The answer for some wives is Enforced Male Chastity. M. J. Rennie's remarkable novel of Feminine Domination, considered a modern classic, reveals the discoveries of three contemporary couples who embrace the exalted highs, the deep, submissive lows, and the extreme ecstatic climaxes that Enforced Male Chastity produces. When they learn about the recent advent of safe, secure polycarbonate Male Chastity devices, Elaine, Cissy, and Jennifer begin to keep their otherwise restless husbands in a permanent state of subjection. Because they are locked in the one of the new Male Chastity devices, each custom fit for the individual man, Jerome, Raymond, and Brad desperately do whatever is necessary to keep their devoted, dominant wives happy and sexually satisfied. Will Male Chastity allow these three couples to achieve the most cherished intimacy, the most blissful happiness? Or will the Women, with their absolute power, take Male Chastity too far? In *Male Chastity: A Novel of Muzzled Manhood*, M. J. Rennie's eloquent storytelling supplies the exquisitely erotic answer. With a very special introduction by the author.

The Rabbit Hutch Tess Gunty. 2023-06-27 NATIONAL BOOK AWARD WINNER • The standout literary debut that everyone is talking about • Inventive, heartbreaking and acutely funny.—The Guardian A BEST BOOK OF THE YEAR: The New York Times, TIME, NPR, Oprah Daily, People Blandine isn't like the other residents of her building. An online obituary writer. A young mother with a dark secret. A woman waging a solo campaign against rodents — neighbors, separated only by the thin walls of a low-cost housing complex in the once bustling industrial center of Vacca Vale, Indiana. Welcome to the Rabbit Hutch. Ethereally beautiful and formidably intelligent, Blandine shares her apartment with three teenage boys she neither likes nor understands, all, like her, now aged out of the state foster care system that has repeatedly failed them, all searching for meaning in their lives. Set over one sweltering week in July and culminating in a bizarre act of violence that finally changes everything, *The Rabbit Hutch* is a savagely beautiful and biting funny snapshot of contemporary America, a gorgeous and provocative tale of loneliness and longing, entrapment and, ultimately, freedom. Gunty writes with a keen, sensitive eye about all manner of intimacies—the kind we build with other people, and the kind we cultivate around ourselves and our tenuous, private aspirations.—Raven Leilani, author of *Luster*
