Sand Creek and the Tragic End of a Lifeway Louis

Kraft.2020-03-12 Western Heritage Award, Best Western

Nonfiction Book, National Cowboy and Western Heritage Museum

Nothing can change the terrible facts of the Sand Creek

Massacre. The human toll of this horrific event and the ensuing

loss of a way of life have never been fully recounted until now. In

Sand Creek and the Tragic End of a Lifeway, Louis Kraft tells this

story, drawing on the words and actions of those who participated

in the events at this critical time. The history that culminated in

the end of a lifeway begins with the arrival of Algonquin-speaking

peoples in North America, proceeds through the emergence of

the Cheyennes and Arapahos on the Central Plains, and ends with

the incursion of white people seeking land and gold. Beginning in

the earliest days of the Southern Cheyennes, Kraft brings the

voices of the past to bear on the events leading to the brutal

murder of people and its disastrous aftermath. Through their

testimony and their deeds as reported by contemporaries, major

and supporting players give us a broad and nuanced view of the

discovery of gold on Cheyenne and Arapaho land in the 1850s,

followed by the land theft condoned by the U.S. government. The

peace treaties and perfidy, the unfolding massacre and the

investigations that followed, the devastating end of the Indians'

already-circumscribed freedom—all are revealed through the eyes

of government officials, newspapers, and the military; Cheyennes

and Arapahos who sought peace with or who fought Anglo-

Americans; whites and Indians who intermarried and their

offspring; and whites who dared to question what they considered

heinous actions. As instructive as it is harrowing, the history recounted here lives on in the telling, along with a way of life destroyed in all but cultural memory. To that memory this book gives eloquent, resonating voice.

Cherries John Podlaski.2010-04-20 In 1970, John Kowalski is one of many young, naive teenage soldiers sent to Vietnam to fight in an unpopular war. Dubbed “Cherries” by their more seasoned peers, these newbies suddenly found themselves thrust into the middle of a terrible nightmare - literally forced to become men overnight. On-the-job-training is intense, however, most of these teenagers were hardly ready to absorb the harsh mental, emotional, and physical stress of war. When coming under enemy fire for the first time and witnessing death first-hand, a life changing transition begins...one that can't be reversed. The author is an excellent story teller, readers testify that they are right there with the characters, joining them in their quest for survival, sharing the fear, awe, drama, and sorrow, witnessing bravery and sometimes, even laughing at their humor. It's a story that is hard to put down. When soldiers return home from war, all are different - changed for life. *Cherries* tells it like it is and when finished, readers will better understand what these young men had to endure, and why change is imminent.

Being Heumann Judith Heumann, Kristen Joiner. 2020-02-25 A Publishers Weekly Best Book of the Year for Nonfiction ...an essential and engaging look at recent disability history.— Buzzfeed One of the most influential disability rights activists in US history tells her personal story of fighting for the right to receive an education, have a job, and just be human. A story of fighting to belong in a world that wasn't built for all of us and of one woman's activism—from the streets of Brooklyn and San Francisco to inside the halls of Washington—Being Heumann recounts Judy Heumann's lifelong battle to achieve respect, acceptance, and inclusion in society. Paralyzed from polio at eighteen months, Judy's struggle for equality began early in life. From fighting to attend grade school after being described as a "fire hazard" to later winning a lawsuit against the New York City school system for denying her a teacher's license because of her paralysis, Judy's actions set a precedent that fundamentally improved rights for disabled people. As a young woman, Judy rolled her wheelchair through the doors of the US Department of Health, Education, and Welfare in San Francisco as a leader of the Section 504 Sit-In, the longest takeover of a governmental building in US history. Working with a community of over 150 disabled activists and allies, Judy successfully pressured the Carter administration to implement protections for disabled peoples' rights, sparking a national movement and leading to the creation of the Americans with Disabilities Act.
