Treat Yourself! Jessica Siskin.2017-08-08 It all began with a giant cheeseburger-shaped rice crispy treat, created on a whim and posted online. Since then, Misterkrisp, aka food artist Jessica Siskin, has become an Instagram sensation with her joy-inducing, pop-culture-inspired treats. Treat Yourself! is the perfect answer for any cook, crafty food lover, or creative parent looking to make crowd-pleasing and personalized treats for birthdays, holidays, school events, and virtually every other occasion. With no baking required, these playful, visually dazzling sweets are simple enough for anyone to whip up. Each of the 93 projects, arranged from Apple to Zebra, starts with a single base recipe. There are large, cake-sized treats to share and individual-sized treats perfect for bake sales and goody bags. Step-by-step instructions, vibrant illustrations, and downloadable templates ensure that anyone, with any level of skill, can turn out delicious, eye-catching creations: Lively designs for kids' parties—Robot, Dinosaur, Crown, Balloons. A Cheeseburger. A Statue of Liberty. A Dancing Lady Emoji. And a sweet centerpiece for your next Super Bowl bash: a Football Stadium filled with sprinkle spectators. It'll serve the neighborhood! Treats have never been so much fun or so doable.

Uncle Sam Barbara M. Linde.2018-12-15 Was there really an Uncle Sam? Yes! He was Samuel Wilson, who sent barrels of meat marked U.S. to American soldiers during the War of 1812.The soldiers called it Uncle Sam's meat, and an icon was born. Cartoonist Thomas Nast drew the familiar portrait of the man in a top hat and striped pants. Uncle Sam's image has appeared in political ads and on postage stamps. Costumed interpreters take on his persona at historic sites, including Mount Vernon. This high-interest text will engage readers and leave them wanting to find out more about one of America's most famous symbols.

Dangerous Ground John Suval.2022-06-14 The squatter--defined by Noah Webster as one that settles on new land without a title--had long been a fixture of America's frontier past. In the antebellum period, white squatters propelled the Jacksonian Democratic Party to dominance and the United States to the shores of the Pacific. In a bold reframing of the era's political history, John Suval explores how Squatter Democracy transformed the partisan landscape and the map of North America, hastening clashes that ultimately sundered the nation. With one eye on Washington and the other on flashpoints across the West, Dangerous Ground tracks squatters from the Mississippi Valley and cotton lands of Texas, to Oregon, Gold Rush-era California, and, finally, Bleeding Kansas. The sweeping narrative reveals how claiming western domains became stubbornly intertwined with partisan politics and fights over the extension of slavery. While previous generations of statesmen had maligned and sought to contain illegal settlers, Democrats celebrated squatters as pioneering yeomen and encouraged their land grabs through preemption laws, Indian removal, and hawkish diplomacy. As America expanded, the party's power grew. The US-Mexican War led many to ask whether these squatters were genuine yeomen or forerunners of slavery expansion. Some northern Democrats bolted to form the Free Soil Party, while southerners denounced any hindrance to slavery's spread. Faced with a fracturing party, Democratic leaders allowed territorial inhabitants to determine whether new lands would be slave or free, leading to a destabilizing transfer of authority from Congress to frontier settlers. Squatters thus morphed from agents of Manifest Destiny into foot soldiers in battles that ruptured the party and the country. Deeply researched and vividly written, Dangerous Ground illuminates the overlooked role of squatters in the United States' growth into a continent-spanning juggernaut and in the onset of the Civil War, casting crucial light on the promises and vulnerabilities of American democracy.

Seasonal Pageants and Skits Susan Parsons.2003-07 Add a boost to your children's ministry with these easy-to-prepare productions, ranging from special-occasion quick skits to full-blown traditional holiday pageants.

How to Make Yarn Dolls Joanne Singley.2009-04 The perfect project guide for scout troops, craft classes, and everyone who wants an easy and inexpensive activity. sell at craft shows or make just for fun and recreation! How to Make Yarn Dolls is an easy-to-follow guide for creating many different doll characters using one basic pattern. This book will show you how to: Make the basic doll body, the beginning of every doll character Create faces for People, Animals, and Birds Add just the right hair or other facial feature Finish the character with clothes and accessories Included are step by step instructions as well as full size pattern pieces for the different doll costumes. About the Author: JoAnne Singley lives in Northeastern Pennsylvania and has been doing crafts for over 40 years. Her love of crafts started when she was only 15. Yarn dolls were something a classmate taught her when she was only 10 years old. She has been creating new and exciting doll characters ever since. Yarn dolls are not the only interest that JoAnne has. She also enjoys pouring composition dolls, sewing, reading, designing and making new crafts, gardening, cooking, designing costumes for bears and cloth dolls, and reupholstering furniture. Not enough hours in the day, as you can see! JoAnne does out-of-state craft shows in addition to working and designing craft kits for local nursing homes. She has also attended cosmetology school and has studied business and healthcare. She wants to share all her designs and crafting tips with others. So, with the publication of *How to Make Yarn Dolls I and II*, her writing career has begun. In her spare time, when she has some, she chases after her two cats, Red Cat and Junior.

Narratives Crossing Boundaries Joachim Friedmann.2023-09-30 As the dominant narrative forms in the age of media convergence, films and games call for a transmedial perspective in narratology. Games allow a participatory reception of the story, bringing the transgression of the ontological boundary between the narrated world and the world of the recipient into focus. These diverse transgressions - medial and ontological - are the subject of this transdisciplinary compendium, which covers the subject in an interdisciplinary way from various perspectives: game studies and media studies, but also sociology and psychology, to take into account the great influence of storytelling on social discourses and human behavior.

Artist as Reporter Jason E. Hill.2018-01-09 Active from 1940 to 1948, PM was a progressive New York City daily tabloid newspaper committed to the politics of labor, social justice, and antifascism—and it prioritized the intelligent and critical deployment of pictures and their perception as paramount in these campaigns. With PM as its main focus, *Artist as Reporter* offers a substantial intervention in the literature on American journalism, photography, and modern art. The book considers the journalistic contributions to PM of such signal American modernists as the curator Holger Cahill, the abstract painter Ad Reinhardt, the photographers Weegee and Lisette Model, and the filmmaker, photographer, and editor Ralph Steiner. Each of its five chapters explores one dimension of the tabloid's complex journalistic activation of modernism's potential, showing how PM inserted into daily print journalism the most innovative critical thinking in the fields of painting, illustration, cartooning, and the lens-based arts. *Artist as Reporter* promises to revise our own understanding of midcentury American modernism and the nature of its relationship to the wider media and public culture.
