Memories of James McNeill Whistler the Artist T. R. Way. 2015-06-25 Excerpt from *Memories of James McNeill Whistler the Artist* In writing these few reminiscences, my intention has been to try to recall the picture of the man in his work as I knew him during many years. Soon after Whistler's death the Art Workers' Guild devoted an evening to his memory, and gathered together a small but very fine collection, representing all sides of his pictorial work, in Clifford's Inn Hall. This little book is based on a paper which I read at that meeting; and I have tried to bring out the side of his character which appealed to me most and to show him as the keen, untiring student and worker, rather than the brilliant figure in society or the keen fighter. As to the illustrations, which are mostly facsimiles of sketches by Whistler. Some are selected because they seem to me to show the artist thinking aloud as it were; many of these were pinned to the wall in his studio for a number of years; indeed, he did not part with them until some time in the 'eighties. Whistler on Art James McNeill Whistler. 2004 'Whistler on Art' brings together a selection of his letters, interviews and other writings, many previously unpublished. In letters to other artists,

family, and patrons, Whistler discusses his principles of composition, the rights of dealers and owners, and his celebrated libel suit against John Ruskin.

W/KINDEST REGARDS Charles Lang Freer, James McNeill Whistler. 1995-04-17 With Kindest Regards records the extraordinary friendship between the American expatriate artist James McNeill Whistler (1834-1903) and his most significant patron, Charles Lang Freer (1854-1919). By the time the industrialist from Detroit met the artist in 1890, Whistler was as notorious for his irascibility as he was famous for his artistic productions. Freer, however, would always maintain that he had never met a truer, nobler man. Their correspondence reveals a warmth and generosity in Whistler that has gone largely unobserved. The eighty-nine letters, telegrams, cablegrams, and calling cards chronicle the growth of Freer's Whistler collection, the largest and most important in the world. Linda Merrill sets the correspondence in context and traces the contacts between the two men during their long acquaintance. She observes how the previously unpublished letters cast new light on Freer's aesthetic education and expand the history of Whistler's later years. Even Freer's outstanding collection of Asian art began with the keen interest in Japanese art he shared with Whistler. Illustrated with works from the Freer collection and vintage photographs from the Freer Gallery Archives, With Kindest Regards makes important original documents accessible for the first time, augments the legends of Whistler's personality, and reveals the foundation of Charles Freer's legacy to the United States.--BOOK JACKET. Paintings in Oil and Pastel by James A. McNeill Whistler Metropolitan Museum of Art (New

York, N.Y.), Florence Nightingale Levy. 1910

James McNeill Whistler James McNeill Whistler, Nesta R. Spink, Steven Block. 2000 James McNeill Whistler was a leading figure in the revival of lithography in the late 19th century. His lithographs focus upon scenes and themes earlier explored in his paintings, etchings, and pastels. Using transfer paper, he created the effects of drawing, and with a few lines was able to convey a total picture. Working with the London printer Thomas Way and his son T. R. Way, Whistler initially hoped the lithographs would bring him a mass audience and financial security; later he hoped connoisseurs would collect his quiet, understated images as precious objects of enduring value. Steven Block began assembling his important collection in the late 1970s. It includes early experiments, portraits of friends and family, studio models, shop and street scenes, and sketches of the Thames and its bridges.
