Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon. The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here. If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible. Services are book available in the USA and worldwide and we are one of the most experienced book distribution companies in Canada, We offer a fast, flexible and effective book distribution service stretching across the USA & Continental Europe to Scandinavia, the Baltics and Eastern Europe.
