Darling Monster Diana Cooper.2014-08-14 An English aristocrat's WWII letters "illuminate British history . . . [and] offer an indelible portrait of an extraordinary woman and her vanished world." (Kirkus Reviews) Aristocrat, socialite, actress and wife of Duff Cooper, Churchill's wartime Minister for Information, later Ambassador to France and Viscount Norwich, Diana Cooper was also an inveterate letter-writer. Gathered here, her missives to her only son John Julius Norwich during

the Second World War and its aftermath provide a vivid picture of the age and its personalities, and a woman of great intelligence, happiest on her country smallholding but able to cope with the demands on a politician's wife. While *Darling Monster* is a showcase of Diana's debonair wit, it is also a unique chronicle of wartime Britain. Her vivid descriptions, the sense of bravery in the face of impending doom, make these letters the kind of primary source material historians drool over."

—The Guardian "Cooper is always quick with a turn of phrase, and the collection reminds us of a time, not so long ago, when letters were a natural part of life." —Publishers Weekly

You Gotta Be Kidding! Workman Publishing. 2020-07-14 Gross, embarrassing, and just plain silly questions about boogers, bugs, smelly socks, itchy scabs, and more! Adapted from the hugely popular board game, this interactive and completely engaging book serves up hundreds of bizarre, embarrassing, sometimes ethical and sometimes stomach-churning dilemmas that kids will love to pose to their friends and siblings, whether in the backseat, on a sleepover, at a party, on a rainy day, or during a lull in the lunchroom (if you dare). Ponder the icky: Would you rather eat 10 pounds of cheese -OR- a bucket of peanut butter—with nothing to drink? The exponentially icky: Would you rather drink liquid found leaking from a garbage can -OR- chew on a hairy clump found between the cushions of an old couch? The fantastic: Would you rather be able to talk with all animals -OR- be able to understand all languages? The priority-testing: As a soccer player, would you rather mess up and score a goal for the other team but still have your team win -OR- play your best game ever even though your team loses? And the hair-raising: Would you rather swim across a river that is filled with crocodiles -OR- spend the night on an island where man-eating tigers live? Fascinating sidebars throughout are filled with interesting ancillary information—the nature of drool, left-handedness vs. right-handedness, what's dangerously filthy and what's just gross, why we blush when we're

embarrassed—so kids can learn something as they laugh!
