We Know How This Ends Bruce H. Kramer,Cathy Wurzer.2015-04-01 Nautilus Book Awards — Silver Award Winner 2010 had been a very good year for Bruce H. Kramer. But what began as a floppy foot and leg weakness led to a shattering diagnosis: he had amyotrophic lateral sclerosis. ALS is a cruel, unrelenting neurodegenerative disease in which the body's muscles slowly weaken, including those used to move, swallow, talk, and ultimately breathe. There is no cure: ALS is a death sentence. When death is a constant companion, sitting too closely beside you at the dinner table, coloring your thoughts and feelings and words, your outlook on life is utterly transformed. The perspective and insights offered in *We Know How This Ends* reveal this daily reality and inspire a way forward for anyone who has suffered major loss and for anyone who surely will. Rather than wallowing in sadness and bitterness, anger and denial, Kramer accepted the crushing diagnosis. The educator and musician recognized that if he wanted a meaningful life, then embracing his imminent death was his only viable option. His decision was the foundation for profound, personal reflection and growth, even as his body weakened, and inspired him to share the lessons he was learning from ALS about how to live as fully as possible, even in the midst of devastating grief. At the time Kramer was diagnosed, broadcast journalist Cathy Wurzer was struggling with her own losses, especially her father's slow descent into the bewildering world of dementia. Mutual friends put this unlikely pair—journalist and educator—together, and the serendipitous result has been a series of remarkable broadcast conversations, a deep friendship, and now this book. Written with wisdom, genuine humor, and down-to-earth observations, *We Know How This Ends* is far more than a memoir. It is a dignified, courageous, and unflinching look at how acceptance of loss and inevitable death can lead us all to a more meaningful and fulfilling life.

Peace and Serenity Jerald Simon. 2021-09-29 Peace and Serenity - a new instrumental relaxation album and piano book by composer Jerald Simon that was specifically composed to reduce stress and anxiety while calming and comforting listeners. This new soothing instrumental music helps bring feelings of peace and positivity. Simon composed the music at 60 beats per minute because certain findings indicate that music around 60 beats per minute can cause the brain to synchronize with the beat causing alpha brainwaves (frequencies from 8 - 14 hertz or cycles per second). This alpha brainwave is what is present when we are relaxed and conscious... according to an article titled, Releasing Stress Through the Power of Music. -

<https://www.unr.edu/counseling/virtual-relaxation-room/releasing-stress-through-the-power-of-music>
When listening to or playing Peace and Serenity, listeners begin to feel relaxed because since the heart follows the rhythm of the slower beat, it can naturally return to a calm resting heart rate of 60 beats per minute. The slower beat of the music naturally calms those who have feelings of anxiety and stress. Listeners hear piano, guitar, and orchestral melodies and harmonies entwined with calming nature sounds - crickets, trickling streams, gentle ocean waves, a soothing wind, and the chirping of birds - all recorded by Simon, and are added to the calming music. These relaxing nature sounds help to bring a sense of well-being that only nature can provide. Here is what Simon has said about this new album, The purpose of this new album is to promote peace and positivity in an increasingly turbulent world. I believe we need to be sharing more peace and positivity with others each day - through music, poetry, and positive motivational messages. I think we all can try to focus on being more positive and optimistic and less negative and pessimistic and music contributes to our overall sense of well-being. We can all try to see the good in others, instead of finding the bad around us. We can all strive to be a positive influence in the lives of others and share light, love, and good music each day.
