Scout gives voice to every social circle in Maycomb through her story, as the little witness who sees all the comings and goings in the town. Together with Jem, she is her father's watcher, inspiring Atticus Finch to commit

all his greatest efforts to the Tom Robinson case, so he can show his children what it means to fight a losing battle. She is the teller of her brother's secrets, letting readers look in on the changing morality and maturation of a young person growing up in a southern town in 1935, giving an insight into what the adults of Maycomb will look like fifteen years later. With her childlike spite and surprising wit, we can trust Scout Finch to tell the whole truth and nothing but. Speak Out! Brixton Black Women's Group.2023-10-10 We came to Britain in search of better opportunities or to get some of the wealth which had been misappropriated from the Caribbean, but what in reality did we find? *Speak Out* brings together the writings of Brixton Black Women's Group for the first time, in a landmark collection. Established in response to the lack of

interest in women's issues experienced in male-dominated Black organisations, the Brixton Black Women's Group's aim was to create a distinct space where women of African and Asian descent could meet to focus on political, social and cultural issues as they affected black women. BBWG published its own newsletter, Speak Out, which kept alive the debate about the relevance of feminism to black politics and provided a black women's perspective on immigration, housing, health and culture.
