Exact Questions You Should Expect From Literature In English [UTME 2023/2024] Godwin Isiwu.2022-10-23 What's this book about? A guide for all UTME candidates of 2023/2024 offering literature in English. Based upon a study of Jamb's frequently repeated UTME questions (literature in English) and the recommended novel for 2023/2024, The Life Changer, this book offers a comprehensive tool to enable tired/busy candidates focus ONLY on the exact aspects they need for their exams, instead of exhausting themselves reading too much and eventually giving up. Tired of reading already? Are you busy with something else, maybe a job or house chores? Looking for A summary so you can write and make your exams without depending on anyone? It is very understandable. Reading is stressful because you have a whole lot to read when questions would be picked only from certain unknown units. You must read a full book, only to expect 10 questions. What if the examiner told you the exact portions you should perfect instead of brushing through everything? Then reading wouldn't feel as stressful! Since there are no such examiners around, this book is a great alternative. Why should you buy this book? Examination malpractice is something you certainly do not want to engage in. If you are lucky and do not fall prey to the fake answers desperate people send you over the internet for your hard earned money, you would get caught in the act and forfeit your admission into the university. If you are lucky still, you will end up unable to defend your result during job interviews, and hence join the crowd who have good certificates and are unemployed. As a student, you have to read and pass your exams yourself. You have all it takes within you. All you need is the right tool. Why do you need an extra textbook? Jamb have announced that the recommended novel for the 2023/2024 literature in English examination is The Life Changer by Khadija Abubakar Jalli. The book is in the market with less than 100 pages. It would be given to you by Jamb during registration. You could skim through it quite easily and pass your exams. But sometimes you don't. Examiners target areas you think aren't important, and even though you've read the book thoroughly, they still catch you unawares. Some students are too smart albeit, and others enjoy what some people call goodluck, yet, most others fall through the tricks every single year. That is why it's so easy to make UTME and yet so easy to fail it. How is the book different than the rest? Every literature student sitting for JAMB should expect some very elusive questions from this novel. And a fail for literature is a fail for Law, for Mass Communication, English, Theater Arts, Philosophy, Psychology, etc. Poor you certainly do not want to disappoint your parents with a bad result. But if you fall for the elusive exam trick Jamb examiners will set in 2023 and 2014 or get fake answers while indulging in malpractice, you will fail your exam. And that is why I wrote this book. You would pass literature excellently if you knew the right answer to every question they ask- both from the literature text-book and the recommended story book. But what questions are they going to ask from the books? Can you afford it and is it worth your money and time? You cannot afford to risk your certified success or admission either. Very affordable since you are a student, the 135-page length Exact Questions You Should Expect From Literature In English 2023/2024 which have taken so much time to write is incredibly cheaps. You can also get the printed copy if you order from Amazon and it will be delivered to you in your house. Just one lifetime purchase, and you can recommend it to your family and friends who wouldn't be less appreciative. Eventually, there's absolutely no question Jamb will ask you come 2023/2024 that's not already in this book!

Criminal Justice Philip P. Purpura.1996 Criminal Justice: An Introduction is a complete introductory text for the most basic and widely-studied course in this subject area. Each chapter begins with behavioral objectives and a list of key terms. A variety of strategies are designed into the text to hold the attention of reader: key terms in bold lettering, side margin notes (containing interesting facts and challenging questions), boxed justice events and international perspectives, and over 80 photographs, tables and figures. Each chapter ends with applications that enable the student to apply the material to real life situations. This text competes with larger books by offering a complete but succinct and less expensive introduction to criminal justice, which will be more manageable for community colleges and colleges with shorter terms. The instructor's manual will assist educators with special projects and test questions and answers. The accompanying disk challenges students with interactive exercises. An excellent entry-level textbook for undergraduate criminal justice students. Written by an instructor of criminal justice and security for over 20 years. Includes an instructor's manual and a disk with interactive exercises for students.

501 Synonym & Antonym Questions Brigit Dermott.2002 501 Synonyms and Antonym Questions is designed to help students prepare for the verbal sections of most assessment and entrance exams. The book increases a student's vocabulary and refines their knowledge of words, bringing about higher standardized test scores and more effective verbal and written communication. Questions in this book prepare students for the synonym and antonym problems found on most standardized tests-including high school entrance exams, the SAT, civil service exams, and the GRE. The book increases in difficulty as students move through each exercise. All answers are explained, featuring short definitions and terms that clarify word meanings and their opposites for effective studying and positive reinforcement.

Italian Medieval Sculpture in the Metropolitan Museum of Art and the Cloisters Metropolitan Museum of Art (New York, N.Y.),Lisbeth Castelnuovo-Tedesco,Jack Soutanian.2010 The collection of Italian medieval sculpture in The Metropolitan Museum of Art and The Cloisters began with the acquisition in 1908 of a Romanesque column statue; today the Museum's holdings comprise more than seventy works dating from the ninth to the late fifteenth century ... The birthplaces of these works range from Sicily to Venice; some typify local styles, others illustrate the intense artistic exchanges taking place within Italy and between Italy and the wider world ... Technological advances of the last decades have made it possible to determine more precisely the materials and techniques from which works of art are made, the history of their alteration, and the

mechanisms of their deterioration. Using such techniques, scholars have been able to ascertain, for example, that sculptures previously thought to be modern works carved in the medieval manner were in fact completely authentic. This innovative volume represents a watershed in the study of sculpture: a collaborative dialogue between an art historian and a conservator—between art history and art science—that deepens our understanding of the object we see, while illuminating its elusive, enigmatic history--From publisher's description.

Fences August Wilson.2019-08-06 From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.
