My (Part-Time) Paris Life Lisa Anselmo.2016-10-11 Poignant, touching, and lively, this memoir of a woman who loses her mother and creates a new life for herself in Paris will speak to anyone who has lost a parent or reinvented themselves. Lisa Anselmo wrapped her entire life around her mother, a strong woman who was a defining force in her daughter's life—maybe too defining. When her mother dies from breast cancer, Lisa realizes she hadn't built a life of her own, and struggles to find her purpose. Who is she without her mother—and her mother's expectations? Desperate for answers, she reaches for a lifeline in the form of an apartment in Paris, refusing to play it safe for the first time. What starts out as a lurching act of survival sets Lisa on a course that reshapes her life in ways she never could have imagined. But how can you imagine a life bigger than anything you've ever known? In the vein of *Eat, Pray, Love* and *Wild*, *My (Part-time) Paris Life* a story is for anyone who's ever felt lost or hopeless, but still holds out hope of something more. This candid memoir explores one woman's search for peace and meaning, and how the ups and downs of expat life in Paris taught her to let go of fear, find self-worth, and create real, lasting happiness.

The Only Street in Paris: Life on the Rue des Martyrs Elaine Sciolino.2015-11-02 A New York Times Bestseller Sciolino’s sharply observed account serves as a testament to...Paris—the city of light, of literature, of life itself. —The New Yorker Elaine Sciolino, the former Paris Bureau Chief of the New York Times, invites us on a tour of her favorite Parisian street, offering an homage to street life and the pleasures of Parisian living. I can never be sad on the rue des Martyrs, Sciolino explains, as she celebrates the neighborhood’s rich history and vibrant lives. While many cities suffer from the leveling effects of globalization, the rue des Martyrs maintains its distinct allure. On this street, the patron saint of France was beheaded and the Jesuits took their first vows. It was here that Edgar Degas and Pierre-Auguste Renoir painted circus acrobats, Emile Zola situated a lesbian dinner club in his novel Nana, and François Truffaut filmed scenes from The 400 Blows. Sciolino reveals the charms and idiosyncrasies of this street and its longtime residents—the Tunisian greengrocer, the husband-and-wife cheesemongers, the showman who’s been running a transvestite cabaret for more than half a century, the owner of a 100-year-old bookstore, the woman who repairs eighteenth-century mercury barometers—bringing Paris alive in all of its unique majesty. The Only Street in Paris will make readers hungry for Paris, for cheese and wine, and for the kind of street life that is all too quickly disappearing.

The New Parisienne Lindsey Tramuta.2020-07-07 “Tramuta sweeps away the tired clichés of the Parisian woman with her vivid profiles of the dynamic and creative ‘femmes’ now powering the French capital.” —Eleanor Beardsley, NPR Paris correspondent The New Parisienne focuses on one of the city’s most prominent features, its women. Lifting the veil on the mythologized Parisian woman—white, lithe, ever fashionable—Lindsey Tramuta demystifies this oversimplified archetype and recasts the women of Paris as they truly are, in all their complexity. Featuring 50 activists, creators, educators, visionaries, and disruptors—like Leïla Slimani, Lauren Bastide, and Mayor Anne Hidalgo—the book reveals Paris as a blossoming cultural center of feminine power. Both the featured women and Tramuta herself offer up favorite destinations and women-owned businesses, including beloved shops, artistic venues, bistros, and more. The New Parisienne showcases “Parisianness” in all its multiplicity, highlighting those who are bucking tradition, making names for themselves, and transforming the city. “With stunning photographs and inspiring profiles, Lindsey Tramuta tramples the myths and takes us into the lives of real Parisiennes. Bravo!”—Pamela Druckerman, New York Times–bestselling author of Bringing Up Bébé “Like the subjects of her book, Lindsey Tramuta is a force. The New Parisienne is the go-to chronicle of the joyful, progressive, pioneering women of

a city that Tramuta understands with deep intelligence.” —Lauren Collins, New York Times–bestselling author of *When in French* “Tramuta’s new book posits that Parisian women have been ahead of these radically changing times. But rather than being trendsetters in the stylish sense, they qualify as visionaries and agents of change across spheres of diversity, tech, culture, politics, and more.” —Vogue

The Sweet Life in Paris David Lebovitz.2009-05-05 From the New York Times bestselling author of *My Paris Kitchen* and *L'Appart*, a deliciously funny, offbeat, and irreverent look at the city of lights, cheese, chocolate, and other confections. Like so many others, David Lebovitz dreamed about living in Paris ever since he first visited the city and after a nearly two-decade career as a pastry chef and cookbook author, he finally moved to Paris to start a new life. Having crammed all his worldly belongings into three suitcases, he arrived, hopes high, at his new apartment in the lively Bastille neighborhood. But he soon discovered it's a different world en France. From learning the ironclad rules of social conduct to the mysteries of men's footwear, from shopkeepers who work so hard not to sell you anything to the etiquette of working the right way around the cheese plate, here is David's story of how he came to fall in love with—and even understand—this glorious, yet sometimes maddening, city. When did he realize he had morphed into un vrai parisien? It might have been when he found himself considering a purchase of men's dress socks with cartoon characters on them. Or perhaps the time he went to a bank with 135 euros in hand to make a 134-euro payment, was told the bank had no change that day, and thought it was completely normal. Or when he found himself dressing up to take out the garbage because he had come to accept that in Paris appearances and image mean everything. Once you stop laughing, the more than fifty original recipes, for dishes both savory and sweet, such as Pork Loin with Brown Sugar-Bourbon Glaze, Braised Turkey in Beaujolais Nouveau with Prunes, Bacon and Bleu Cheese Cake, Chocolate-Coconut Marshmallows, Chocolate Spice Bread, Lemon-Glazed Madeleines, and Mocha-Crème Fraîche Cake, will have you running to the kitchen for your own taste of Parisian living.

When in French Lauren Collins.2017-11-07 A language barrier is no match for love. Lauren Collins discovered this firsthand when, in her early thirties, she moved to London and fell for a Frenchman named Olivier—a surprising turn of events for someone who didn't have a passport until she was in college. But what does it mean to love someone in a second language? Collins wonders, as her relationship with Olivier continues to grow entirely in English. Are there things she doesn't understand about Olivier, having never spoken to him in his native tongue? Does “I love you” even mean the same thing as “je t'aime”? When the couple, newly married, relocates to Francophone Geneva, Collins—fearful of one day becoming a Borat of a mother who doesn't understand her own kids—decides to answer her questions for herself by learning French. *When in French* is a laugh-out-loud funny and surprising memoir about the lengths we go to for love, as well as an exploration across culture and history into how we learn languages—and what they say about who we are. Collins grapples with the complexities of the French language, enduring excruciating role-playing games with her classmates at a Swiss language school and accidentally telling her mother-in-law that she's given birth to a coffee machine. In learning French, Collins must wrestle with the very nature of French identity and society—which, it turns out, is a far cry from life back home in North Carolina. Plumbing the mysterious depths of humanity's many forms of language, Collins describes with great style and wicked humor the frustrations, embarrassments, surprises, and, finally, joys of learning—and living in—French.

Paris to the Moon Adam Gopnik.2001-12-18 Paris. The name alone conjures images of chestnut-lined boulevards, sidewalk cafés, breathtaking façades around every corner—in short, an exquisite romanticism that has captured the American imagination for as long as there have been Americans. In 1995, Adam Gopnik, his wife, and their infant son left the familiar comforts and hassles of New York City for the urbane glamour of the City of Light. Gopnik is a longtime New Yorker writer, and the magazine has sent its writers to Paris for decades—but his was above all a personal pilgrimage to the place that had for so long been the undisputed capital of everything cultural and beautiful. It was also the opportunity to raise a child who would know what it was to romp in the Luxembourg Gardens, to enjoy a croque monsieur in a Left Bank café—a child (and perhaps a father, too) who would have a grasp of that Parisian sense of style we Americans find so elusive. So, in the grand tradition of the American abroad, Gopnik walked the paths of the Tuileries, enjoyed philosophical discussions at his local bistro, wrote as violet twilight fell on the arrondissements. Of course, as readers of Gopnik's beloved and award-winning *Paris Journals* in *The New Yorker* know, there was also the matter of raising a child and carrying on with day-to-day, not-so-fabled life. Evenings with French intellectuals preceded middle-of-the-night baby feedings; afternoons were filled with trips to the Musée d'Orsay and pinball games; weekday leftovers were eaten while three-star chefs debated a culinary crisis. As Gopnik describes in this funny and tender book, the dual processes of navigating a foreign city and becoming a parent are not completely dissimilar journeys—both hold new routines, new languages, a new set of rules by which everyday life is lived. With singular wit and insight, Gopnik weaves the magical with the mundane in a wholly delightful, often hilarious look at what it was to be an American family man in Paris at the end of the twentieth century. We went to Paris for a sentimental reeducation—I did anyway—even though the sentiments we were instructed in were not the ones we were expecting to learn, which I believe is why they call it an education.

Paris Was Ours Penelope Rowlands.2011-02-08 Thirty-two writers share their observations and revelations about the world's most seductive city. Whether you have lived in Paris or not, this captivating collection will transport you there. —National Geographic Traveler Paris is “the world capital of memory and desire,” concludes one of the writers in this intimate and insightful collection of memoirs of the city. Living in Paris changed these writers forever. In thirty-two personal essays—more than half of which are here published for the first time—the writers describe how they were seduced by Paris and then began to see things differently. They came to write, to cook, to find love, to study, to raise children, to escape, or to live the way it's done in French movies; they came from the United States, Canada, and England; from Iran, Iraq, and Cuba; and—a few—from other parts of France. And they stayed, not as tourists, but for a long time; some are still living there. They were outsiders who became insiders, who here share their observations and revelations. Some are well-known writers: Diane Johnson, David Sedaris, Judith Thurman, Joe Queenan, and Edmund White. Others may be lesser known but are no less passionate on the subject. Together, their reflections add up to an

unusually perceptive and multifaceted portrait of a city that is entrancing, at times exasperating, but always fascinating. They remind us that Paris belongs to everyone it has touched, and to each in a different way. Bottleneck : Humanity's Impending Impasse William R. Catton Jr..2009-05-06 Ecological roots of our troubled time are deeper than its economic manifestations. Anguished posterity will look back on this 21st century as the bottleneck century. *Bottleneck: Humanity's Impending Impasse* was written to show how and why three converging trends have put humankind in much deeper peril than is generally acknowledged. First, there are many more of us inhabiting this planet than it can sustain. Second, technological advances of recent centuries have made gigantic and prodigal our per capita resource appetites and our per capita environmental impacts. Third, even though, as the symbol-using species, we humans conceivably could do better at anticipating future circumstances and planning ahead, our evolutionary heritage together with unanticipated dysfunctions of modern division of labor have kept us too preoccupied with short-term concerns. People today are dependent upon a fantastically intricate web of exchange relations (the market). Even when functioning normally and not in a collapsed condition, as currently this system of relations has a serious and pervasive dehumanizing effect not adequately discerned by economists nor sociologists. Recognition of and adequate adaptation to the deteriorating ecological context of human life has been impeded. Human societies (even our own) are almost certainly going to act in ways that will make an inevitably difficult future unnecessarily worse. Factors analyzed in this book have made people seriously averse to the kind and extent of cooperation our difficult future will require. Together with the basic trio of disturbing trends humans having become so numerous, so ravenous, and so short-sighted this has made the nature of today's human prospect far more dire than most policymakers dare admit. It tempts even the wisest and most civic-minded to seek or promote remedial policies that will worsen the real predicament.

The Long Descent John Michael Greer.2008-09-01 Americans are expressing deep concern about US dependence on petroleum, rising energy prices and the threat of climate change. Unlike the energy crisis of the 1970s, however, there is a lurking fear that, now, the times are different and the crisis may not easily be resolved. *The Long Descent* examines the basis of such fear through three core themes: Industrial society is following the same well-worn path that has led other civilizations into decline, a path involving a much slower and more complex transformation than the sudden catastrophes imagined by so many social critics today. The roots of the crisis lie in the cultural stories that shape the way we understand the world. Since problems cannot be solved with the same thinking that created them, these ways of thinking need to be replaced with others better suited to the needs of our time. It is too late for massive programs for top-down change; the change must come from individuals. Hope exists in actions that range from taking up a handicraft or adopting an obsolete technology, through planting an organic vegetable garden, taking charge of your own health care or spirituality, and building community. Focusing eloquently on constructive adaptation to massive change, this book will have wide appeal.

Dirt Bill Buford.2020-05-05 "You can almost taste the food in Bill Buford's *Dirt*, an engrossing, beautifully written memoir about his life as a cook in France." —The Wall Street Journal What does it take to master French cooking? This is the question that drives Bill Buford to abandon his perfectly happy life in New York City and pack up and (with a wife and three-year-old twin sons in tow) move to Lyon, the so-called gastronomic capital of France. But what was meant to be six months in a new and very foreign city turns into a wild five-year digression from normal life, as Buford apprentices at Lyon's best boulangerie, studies at a legendary culinary school, and cooks at a storied Michelin-starred restaurant, where he discovers the exacting (and incomprehensibly punishing) rigueur of the professional kitchen. With his signature humor, sense of adventure, and masterful ability to bring an exotic and unknown world to life, Buford has written the definitive insider story of a city and its great culinary culture.

Debi Mazar and Gabriele Corcos are ambassadors of contemporary Tuscan cooking. In *Extra Virgin*, Gabriele is a traditional Italian with a big heart, and Debi is an outgoing, brash New York City girl. Their sassy and playful exchanges illuminate what's important in everyday life: good food and a lot of love. Ranging from traditional antipasti and soups to their spin on entrees, pizzas, and desserts, recipes include Pecorino and Honey Dip, a sweet and salty way to start a meal; tangy, luscious Grilled Apricots with Goat Cheese Ricotta, inspired by wild Tuscan apricot trees; and Sausage and Beans, which offers hints of fennel in a Tuscan red sauce. Here, too, are Braised Artichokes softened in guanciale-infused oil, Breakfast Pizza, and Coffee Granita just as Italians make it. So flag these recipes, get sauce on them, let splashes of olive oil mark the pages—and invite Debi and Gabriele's charisma and passion for cooking to spill into your kitchen.

Lunch in Paris Elizabeth Bard.2010-02-01 In Paris for a weekend visit, Elizabeth Bard sat down to lunch with a handsome Frenchman -- and never went home again. Was it love at first sight? Or was it the way her knife slid effortlessly through her pavé au poivre, the steak's pink juices puddling into the buttery pepper sauce? *Lunch in Paris* is a memoir about a young American woman caught up in two passionate love affairs -- one with her new beau, Gwendal, the other with French cuisine. Packing her bags for a new life in the world's most romantic city, Elizabeth is plunged into a world of bustling open-air markets, hipster bistros, and size 2 femmes fatales. She learns to gut her first fish (with a little help from Jane Austen), soothe pangs of homesickness (with the rise of a chocolate soufflé), and develops a crush on her local butcher (who bears a striking resemblance to Matt Dillon). Elizabeth finds that the deeper she immerses herself in the world of French cuisine, the more Paris itself begins to translate. French culture, she discovers, is not unlike a well-ripened cheese -- there may be a crusty exterior, until you cut through to the melting, piquant heart. Peppered with mouth-watering recipes for summer ratatouille, swordfish tartare and molten chocolate cakes, *Lunch in Paris* is a story of falling in love, redefining success and discovering what it truly means to be at home. In the delicious tradition of memoirs like *A Year in Provence* and *Under the Tuscan Sun*, this book is the perfect treat for anyone who has dreamed that lunch in Paris could change their life.

(Pear-Pecorino Ice Cream), and features an arsenal of sauces, toppings, mix-ins, and accompaniments (such as Lemon Caramel Sauce, Peanut Brittle, and Profiteroles) capable of turning simple ice cream into perfect scoops of pure delight. From the Hardcover edition.

The Fall of Princes Robert Goolrick. 2015-08-25 “A heart-wrenching, beautiful, darkly comic, deeply necessary tale that stuns again and again with razor-sharp prose and glittering wit. Robert Goolrick is, without question, one of the greatest storytellers of our time.” —Téa Obreht, author of *The Tiger’s Wife* In the spellbinding new novel from #1 New York Times bestselling author Robert Goolrick, 1980s Manhattan shimmers like the mirage it was, as money, power, and invincibility seduce a group of young Wall Street turks. Together they reach the pinnacle, achieving the kind of wealth that grants them access to anything—and anyone. Until, one by one, they fall. Goolrick’s literary chops are on full display, painting an authentic portrait of a hedonistic era, tense and stylish, perfectly mixing adrenaline and melancholy. Stunning in its acute observations about great wealth and its absence, and deeply moving in its depiction of the ways in which these men learn to cope with both extremes, it’s a true tour de force. “An addictive slice of semiautobiographical fiction . . . Goolrick vividly plumbs the depths of fortune and regret. The result is a compulsively readable examination of the highs and lows of life in the big city.” —Publishers Weekly “A compelling, wholly seductive narrative voice . . . Goolrick’s stellar prose infuses this redemption story with a good deal of depth and despair, making it read like the literary version of *The Wolf of Wall Street*.” —Booklist “A dark, intoxicating morality tale . . . With his impeccable prose, Goolrick focuses his unflinching eye on the grittiness beneath the sleek facade of nightclubs, fashion, and monied Manhattan extravagance. Beautifully crafted, seductive, and provocative.” —Garth Stein, author of *A Sudden Light* and *The Art of Racing in the Rain*
