To Kill a Mockingbird Harper Lee.2014-07-08 Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Moby Dick Herman Melville.2010-01-01 In Herman Melville's classic tale of revenge, Ishmael tells his story of becoming a whaler on the Pequod. When Ishmael and his unexpected friend Queequeg join Captain Ahab's hunt for Moby Dick, the voyage of a lifetime turns into tragedy. The adventures of sailing the seas on the hunt for the great white whale is retold in the Calico Illustrated Classics adaptation of Melville's Moby Dick. Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-8.

Alice in Wonderland Lewis Carroll.2009-01-01 Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of literary nonsense has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

The Catcher in the Rye J.D. Salinger.2018-11-06 Anyone who has read J.D. Salinger's New Yorker stories, particularly A Perfect Day for Bananafish, Uncle Wiggily in Connecticut, The Laughing Man, and For Esme--With Love and Squalor, will not be surprised by the fact that his first novel is full of children. The hero-narrator of THE CATCHER IN THE RYE is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days. The boy himself is at once too simple and too complex for us to make any final comment about him or his story. Perhaps the safest thing we can say about Holden is that he was born in the world not just strongly attracted to beauty but, almost, hopelessly impaled on it. There are many voices in this novel: children's voices, adult voices, underground voices--but Holden's voice is the most eloquent of all. Transcending his own vernacular, yet remaining marvelously faithful to it, he issues a perfectly articulated cry of mixed pain and pleasure. However, like most lovers and clowns and poets of the higher orders, he keeps most of the pain to, and for, himself. The pleasure he gives away, or sets aside, with all his

Calcutta Amit Chaudhuri.2013-09-10
The award-winning author Amit Chaudhuri has been widely praised for the beauty and subtle power of his writing and for the ways in which he makes “place” as complex a character as his men and women. Now he brings these gifts to a spellbinding amalgam of memoir, reportage, and history in this intimate, luminous portrait of Calcutta. Chaudhuri guides us through the city where he was born, the home he loved as a child, the setting of his acclaimed novels—a place he now finds captivating for all the ways it has, and, perhaps more powerfully, has not, changed. He shows us a city relatively untouched by the currents of globalization but possessed of a “self-renewing way of seeing, of inhabiting space, of apprehending life.” He takes us along vibrant avenues and derelict alleyways; introduces us to intellectuals, Marxists, members of the declining haute bourgeoisie, street vendors, domestic workers; brings to life the city’s sounds and smells, its architecture, its traditional shops and restaurants, new malls and hotels. And, using the historic elections of 2011 as a fulcrum, Chaudhuri looks back to the nineteenth century, when the city burst with a new vitality, and toward the politics of the present, finding a city “still not recovered from history” yet possessed of a singular modernity. Chaudhuri observes and writes about Calcutta with rare candor and clarity, making graspable the complex, ultimately ineluctable reasons for his passionate attachment to the place and its people.
