Child Health Nursing Jane W. Ball, Ruth C. Bindler, Kay J. Cowen, Michele Rose Shaw. 2018-04-23 For courses in Pediatric Nursing. A comprehensive survey of family-centered pediatric nursing care Child Health Nursing: Partnering with Children & Families promotes excellence in nursing care for infants, children, and adolescents--in hospitals and in the community. It focuses on the importance of partnering with families to adapt care plans for children based on their age, health status, and social and cultural influences. The text considers the impact of contemporary care environments on nursing practice, both in health promotion and in the care of children with acute or chronic health conditions. By offering industry best practices and practical applications, the book encourages students to apply evidence-based findings and clinical reasoning to planning superior care. The updated 3rd edition explains how modern nursing practice is affected by reforms to healthcare and its delivery--such as electronic health records, new approaches to chronic and acute condition management, and a focus on prevention. To support safe, effective, and innovative care, this edition draws on the latest recommendations of NANDA International diagnoses, Nursing Intervention Classifications (NIC), Nursing Outcomes Classifications (NOC), and Healthy People 2020. NCLEX-RN 250 New-format Questions Lippincott Williams & Wilkins. 2007 Thoroughly updated for its Second Edition, this review guide gives students practice and confidence in answering the five types of alternate-format questions used on the current NCLEX-RN®—multiple-response multiple-choice questions, fill-in-the-blank items, chart/exhibit items, drag and drop, and questions based on illustrations. The book contains 250 alternate-format questions covering all the major topics on the exam—fundamentals, medical-surgical, maternal-neonatal, pediatric, and psychiatric nursing. Questions appear in the left-hand column and answers appear in the right-hand column. Answers include rationales for correct and incorrect responses, as well as the applicable nursing process step, client needs category and subcategory, and cognitive level. Test-taking tips are also included.

Safe Maternity & Pediatric Nursing Care Luanne Linnard-Palmer,Gloria Haile Coats.2020-09-29 Safe Maternity & Pediatric Nursing Care, 2nd Edition. Online Resources, and Davis Edge work together to create an interactive learning experience that teaches students to think critically and make the best patient care decisions. The text, written specifically for LPNs/LVNs, provides the comprehensive nursing knowledge they need to understand in this key course. Online Resources equip instructors with the lesson plans, teaching resources, and activities to create an active classroom environment where students can apply what they're learning. Davis Edge online quizzing tracks student progress; assesses their knowledge; prepares students for classroom exams and the NCLEX®; and provides real time analytics to identify their weak concepts and topic areas. Text This is the maternity/peds textbook that focuses on what LPNs must know with just the right depth and breadth of coverage of the knowledge and skills to practice safely. A student-friendly approach helps LPN/LVNs to master safe and effective nursing care by developing the critical-thinking and problem-solving skills they need to excel in clinical practice. Clear, concise, readable, well organized, and easy to follow, it's the text that prepares new nurses to make the connections. Davis Edge Davis Edge is the online quizzing program that integrates seamlessly into the classroom to give students the additional practice questions they need to perform well on course exams and the NCLEX®. Handpicked preset assignments save instructors time, while actionable analytics let them take the pulse of how their students are performing. Instructors have the real-time data they need to monitor, track, and assess their class's mastery of the content. They are able to easily identify the areas in which students are struggling, intervene quickly, and provide remediation to ensure that students succeed and improve within following areas: Comprehension and Retention: How well do students understand the content? Participation and Engagement: Are students keeping-up with their reading and assignments? Test-Taking Skills: Are students prepared for NCLEX®-style questions and improving their test-taking skills? An access code inside new printed texts unlocks Davis Edge as well as a wealth of online learning tools and resources, including an ebook powered by VitalSource. Our new approach to LPN/LVN education LPN/LVN Connections responds to the pressures and challenges faced in nursing education with a new approach that highlights key themes across our core textbooks, maintains a consistent reading level, common terminology and lab values to improve student outcomes in class and prepares them for professional practice. Educators: Contact your F.A. Davis Consultant to learn more about LPN/LVN Connections. Make the connections every step of the way.

Davis's Q&A Review For NCLEX-RN Kathleen A Ohman.2017-01-18 Davis's Q&A Review for the NCLEX-RN® gives you an overview of the latest test plan and outlines the test-taking strategies you need to prepare for the exam. Practice questions guide you through all of the content covered on the NCLEX, while two comprehensive exams test mastery of all subject areas covered on the NCLEX exam.

NCLEX-RN Review Made Incredibly Easy! Candice Rome.2019-09-16 NCLEX-RN REVIEW MADE INCREDIBLY EASY, 6E is designed to help nursing students prepare to take the licensing examination. The book blends critical content review in an easy-to-follow and bulleted format, pharmacology tables that summarize core medication information, and thousands of questions covering all the Client Need categories of NCLEX and the major content areas of pre-licensure programs. The product reviews core curriculum concerns and more than 3,000 questions that

prompt active learning and higher-order thinking. Questions align with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationales for both correct and incorrect answers, and information about the NCLEX-RN. An accompanying code gives student access to a 7-day free trial of Lippincott PassPoint-RN.

NCLEX-RN Questions and Answers Made Incredibly Easy! Diane M. Labus, Kimberly Bilotta. 2004-11-01 Completely revised to meet the latest Board of Nurse Examiners criteria for the NCLEX-RN, this review book contains over 3,500 questions and answers with rationales covering all areas included on the exam. Two substantially updated introductory chapters discuss studying and test-taking strategies and describe the exam format in detail. Subsequent sections cover adult care, psychiatric care, maternal-neonatal care, and care of the child, plus chapters on leadership and management and law and ethics. Six 75-question comprehensive tests appear at the end of the book. This Third Edition also includes nearly 100 new alternate-format questions.
