*Love, Lucas* Chantele Sedgwick.2015-05-05 A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. **The Man from the Broken Hills** Louis L'Amour.1996-06-01 For years Milo Talon had been riding the outlaw trail, looking for a man who had betrayed his family. Only Hank Rossiter wasn't the man he had been: old now and blind, Rossiter was trying desperately to hold on to a small ranch to support his daughter, Barbara. Suddenly Talon found himself in the middle of a range war, siding with the man he'd marked for payback. But had Rossiter really changed? And could his daughter be trusted by either of them? For Milo, getting to the truth meant a long hard fight to separate his enemies from his friends—and forgiveness from revenge.

**The Praetorian STARShip : the untold story of the Combat Talon** .2001 Jerry Thigpen's study on the history of the Combat Talon is the first effort to tell the story of this wonderfully capable machine. This weapons system has performed virtually every imaginable tactical event in the spectrum of conflict and by any measure is the most versatile C-130 derivative ever produced. First modified and sent to Southeast Asia (SEA) in 1966 to replace theater unconventional warfare (UW) assets that were limited in both lift capability and speed the Talon I quickly adapted to theater UW tasking including infiltration and resupply and psychological warfare operations into North Vietnam. After spending four years in SEA and maturing into a highly respected UW weapons system the Joint Chief of Staff (JCS) chose the Combat Talon to lead the night low-level raid on the North Vietnamese prison camp at Son Tay. Despite the outcome of the operation the Talon I cemented its reputation as the weapons system of choice for long-range clandestine operations. In the period following the Vietnam War United States Air Force (USAF) special operations gradually lost its political and financial support which was graphically demonstrated in the failed Desert One mission into Iran. Thanks to congressional supporters like Earl Hutto of Florida and Dan Daniel of Virginia funds for aircraft upgrades and military construction projects materialized to meet the ever-increasing threat to our nation. Under the leadership of such committed hard-driven officers as Brenci Uttaro Ferkes Meller and Thigpen the crew force became the most disciplined in our Air Force. It was capable of penetrating hostile airspace at night in a low-level mountainous environment covertly to execute any number of unconventional warfare missions.

Milo Talon Louis L'Amour.2004-08-03 Milo Talon knew the territory and the good men from the bad. He had ridden the Outlaw Trail and could find out things others couldn't. That was why a rich man named Jefferson Henry hired Milo to hunt down a missing girl. But from the moment Milo began his search, he knew something wasn't right. Three people had already died, an innocent woman was on the run, and a once sleepy town was getting crowded with hired guns. Suddenly, Milo Talon realized that there were still things he had to learn—about the woman he was trying to find, the man who had hired him, and the murderer who wanted him dead. But most of all, Milo had a few things to learn about himself. And he would have to work fast, because one mistake could cost him his life.
