The Brightest Shadow Sarah Lin.2020-03-06 The arrival of the Hero was worse than anyone could have imagined.To take her place as a full warrior of her tribe, Tani must travel across the vast grasslands of the Chorhan Expanse. But she has her sights set higher than a mere ritual journey: she wants to uncover a solution to the impending war that threatens her people. Her world has never been peaceful, torn between the many cultures that meet on the Chorhan Expanse, but the greatest threat is an expansionist army of monstrous non-humans who call themselves the mansthein.Legends tell of monsters who will attempt to conquer the world, but are the mansthein those monsters? Tani believes that peace may be possible, but there are others on both sides who believe in the legends with zealous devotion. All around her, warriors have their eyes on a glorious victory with no concern for the piles of bodies they'll create on the way.Tani will be joined by a killer pretending to be a healer, a mansthein commander struggling with his orders, a thief who pawned her heart of gold, and a strategist exiled from a foreign land. But none of them are the Hero. It doesn't matter how many shades of gray might exist, some people see only in black and white. And the terrifying truth is that the stories they tell might not be just legends.

Oh, Great! I was Reincarnated as a Farmer Benjamin Neihana Kerei.2021-06-08 What do you have when you blend a pinch of litrpg, a touch of farming simulator, a sprinkle of epic fantasy, a whole cup of Isekai, and a dash of Home Alone? You have Arnold's life. Accidentally murdered by a cleric in another universe during a botched resurrection, Arnold, a semi-pro gamer, wakes upon an altar to find himself incarnated into the overweight body of a farmer who could have been his fatter twin. He's not the hero. He's not the villain. He's certainly not the chosen one who is there to save the world. He's a clerical error. It could be a bad joke, but apparently, it happens so often that they have a standard procedure for returning you. That standard procedure doesn't apply to Arnold. Now stuck on a new earth, in a new universe, with no way home, Arnold must use his gaming skills to figure out how to level his farmer class to 100 and gain a second class which doesn't make him want to beat his head against the wall. There is just one small problem: farmers don't gain experience from killing monsters. Like at all. Follow Arnold on his hilarious journey as he stubbornly comes to grips with his new reality and tries to change his destiny from that of your typical farmer.

Furthermore, the 'Earth' in this novel is not the same Earth we are currently living on so do not use our common sense for this novel.
