When You Are Old William Butler Yeats.2015-06-09 Beautiful early writings by one of the 20th century's greatest poets on the 150th anniversary of his birth A Penguin Classic The poems, prose, and drama gathered in *When You Are Old* present a fresh portrait of the Nobel Prize-winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as "The Lake Isle of Innisfree" and "He Wishes for the Cloths of Heaven," as well as Yeats's imaginative retellings of Irish fairytales—including his first major poem, "The Wanderings of Oisín," based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Long Walk to Freedom Nelson Mandela.2008-03-11 The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

I Explain a Few Things Pablo Neruda.2015-09-01 Laughter is the language of the soul, Pablo Neruda said. Among the most lasting voices of the most tumultuous (in his own words, the saddest) century, a witness and a chronicler of its most decisive events, he is the author of more than thirty-five books of poetry and one of Latin America's most revered writers, the emblem of the engaged poet, an artist whose heart, always with the people, is literally consumed by passion. His work, oscillating from epic meditations on politics and history to intimate reflections on animals, food, and everyday objects, is filled with humor and affection. This bilingual selection of more than fifty of Neruda's best poems, edited and with an introduction by the distinguished Latin American scholar Ilan Stavans and brilliantly translated by an array of well-known poets, also includes some poems previously unavailable in English. I Explain a Few Things distills the poet's brilliance to its most essential and illuminates Neruda's commitment to using the pen as a calibrator for his age.

The Diary of a Young Girl Anne Frank.2002 In July 1942, thirteen-year-old Anne Frank and her family, fleeing the occupation, went into hiding in an Amsterdam warehouse. Over the next two years Anne vividly describes in her diary the frustrations of living in such close quarters, and her thoughts, feelings and longings as she grows up. Her diary ends abruptly when, in August 1944, they were all betrayed. First published over sixty years ago, Anne Frank's Diary of a Young Girl has reached millions of young people throughout the world. What Is a Nation? and Other Political Writings Ernest Renan.2018-08-28 Ernest Renan was one of the leading lights of the Parisian intellectual scene in the second half of the nineteenth century. A philologist, historian, and biblical scholar, he was a prominent voice of French liberalism and secularism. Today most familiar in the English-speaking world for his 1882 lecture “What Is a Nation?” and its definition of a nation as an “everyday plebiscite,” Renan was a major figure in the debates surrounding the Franco-Prussian War, the Paris Commune, and the birth of the Third Republic and had a profound influence on thinkers across the political spectrum who grappled with the problem of authority and social organization in the new world wrought by the forces of modernization. What Is a Nation? and Other Political Writings is the first English-language anthology of Renan’s political thought. Offering a broad selection of Renan’s

writings from several periods of his public life, most previously untranslated, it restores Renan to his place as one of France's major liberal thinkers and gives vital critical context to his views on nationalism. The anthology illuminates the characteristics that distinguished nineteenth-century French liberalism from its English and American counterparts as well as the more controversial parts of Renan's legacy, including his analysis of colonial expansion, his views on Islam and Judaism, and the role of race in his thought. The volume contains a critical introduction to Renan's life and work as well as detailed annotations that assist in recovering the wealth and complexity of his thought.

***The Hundred Dresses* Eleanor Estes.2004 Eleanor Estes's The Hundred Dresses won a Newbery Honor in 1945 and has never been out of print since. At the heart of the story is Wanda Petronski, a Polish girl in a Connecticut school who is ridiculed by her classmates for wearing the same faded blue dress every day. Wanda claims she has one hundred dresses at home, but everyone knows she doesn't and bullies her mercilessly. The class feels terrible when Wanda is pulled out of the school, but by that time it's too late for apologies. Maddie, one of Wanda's classmates, ultimately decides that she is never going to stand by and say nothing again. This powerful, timeless story has been reissued with a new letter from the author's daughter Helena Estes, and with the Caldecott artist Louis Slobodkin's original artwork in beautifully restored color. *A Sunny Morning* Serafín Álvarez Quintero,Joaquín Álvarez Quintero.1914**
