*Ancient Laws and Contemporary Controversies* Cheryl Anderson.2009-11-16 The Ten Commandments condone slavery, and Deuteronomy 22 deems the rape of an unmarried woman to injure her father rather than the woman herself. While many Christians ignore most Old Testament laws as obsolete or irrelevant-with others picking and choosing among them in support of specific political and social agendas-it remains a basic tenet of Christian doctrine that the faith is contained in both the Old and the New Testament. If the law is ignored, an important aspect of the faith tradition is denied. In *Ancient Laws and Contemporary Controversies*, Cheryl B. Anderson tackles this problem head on, attempting to answer the question whether the laws of the Old Testament are authoritative for Christians today. The issue is crucial: some Christians actually believe that the New Testament abolishes the law, or that the Protestant reformers Luther, Calvin, and Wesley rejected the law. Acknowledging the deeply problematic nature of some Old Testament law (especially as it applies to women, the poor, and homosexuals), Anderson finds that contemporary controversies are the result of such groups now expressing their own realities and faith perspectives. Anderson suggests that we approach biblical law in much the same way that we approach the U.S. Constitution. While the nation's founding fathers-all privileged white men-did not have the poor, women, or people of color in mind when they referred in its preamble to We the people. Subsequently, the Constitution has evolved through amendment and interpretation to include those who were initially excluded. Although it is impossible to amend the biblical texts themselves, the way in which they are interpreted can-and should-change. With previous scholarship grounded in the Old Testament as well as critical, legal, and feminist theory, Anderson is uniquely qualified to apply insights from contemporary law to the interpretive history of biblical law, and to draw out their implications for issues of gender, class, and race/ethnicity. In so doing, she lays the groundwork for an inclusive mode of biblical interpretation.

**Orality, Literacy, and Colonialism in Southern Africa** Jonathan A. Draper.2004-01-01 Literacy is essentially about the control of information, memory, and belief, and with colonialism in Southern Africa came the Bible and text-based literacy monitored by missionaries and colonial authorities. Old and new oral traditions, however, are beyond the control of empire and often carry the resistance, hopes, and dreams of colonized people. The essays in this volume recover aspects of Southern Africa's rich oral tradition. The authors, from disciplines such as anthropology, African literature, and biblical studies, delineate some of the contours of the indigenous knowledge systems which sustained resistance to colonialism and today provide resources for postapartheid society in Southern Africa. *Jonah's Story, Our Challenge* Karl Möller. 2023-02-28 Jonah's radical and enigmatic nature calls for deeper exploration and engagement. Given its brevity, it is also an ideal text for multiple readings from a range of perspectives that complement, build upon, or challenge and critique each other. In *Jonah's Story, Our Challenge*, each chapter brings a different hermeneutical tool to the text, to demonstrate the wealth of fresh readings and new vistas which can open up, and the rich resources for ministry which can come from these multiple readings.

**Other Ways of Reading** Musa W. Dube Shomanah. 2001 Rooted in the rich story-telling tradition of Africa, this volume of essays, the first of its kind, highlights the unique approach African women bring to reading and interpreting the Bible in their diverse historical and cultural contexts. Early bible translation and interpretation in Africa was carried out primarily by foreign missionaries and so was deeply influenced by patriarchal and colonial ideologies. The strategies of resistance to these dominant traditions exemplified by the contributors to *Other Ways of Reading* include examining translations in their own languages and reading from a variety of perspectives. Featured methods include storytelling; postcolonial feminist reading; womanhood/bosadi and womanist reading; and reading from and with grassroots communities. The book provides important new ideas and tools for Bible study in Africa and beyond.

*The Eye of the Storm* Jonathan A. Draper. 2003-04-01 One hundred years ago Bishop Colenso was excommunicated because of his liberal critical views on the inspiration and authority of the Bible. It is divided into sections on African Culture, Bible, Theology and Social History and contains contribution from English, Dutch and South African scholars. **Complete New Testament Of Little Bible Tract Books** Arlene Luther.2005 This interpretive word is simple to understand. The summaries are written as paraphrases and commentaries from the authorized KJV of the Bible. As anyone would expect, this book includes a brief historical account of past and future events, but of much more importance and sincere meaning to many readers, it describes for us the character of God, our Father. The way of salvation is included also, and the Holy Spirit-inspired instructions to individuals and churches are succinctly presented for maximum potency. It predicts the ultimate victory of Christ on earth as well as His eternal victory. Concepts such as faith, healing, prayer, salvation, repentance, honesty, conversion, discernment, obedience, righteousness, intercession, thanksgiving, purity, promises, compassion, patience, victory, and glory are all presented in a rapid-paced account for greater impact. Even without prior Bible study, from Matthew to Revelation, the reader is inspired and uplifted to the wonderful opportunity he has, not only to be saved in Christ Jesus right now, but also to experience the perpetual and glorious adventure that lasts forever. In addition to this work, The Songs of Arlene Luther have been written and published previously by Hilltop Records of California. Arlene graduated from University of Nebraska and is a graduate partner of Institute of Ministry, Minnesota. She lives in Omaha, Nebraska.
