Ebooks and Text Archives: From the Internet Archive; a library of fiction, popular books, children's books, historical texts and academic books. The free books on this site span every possible interest. The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here. Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example. You can browse the library by category (of which there are hundreds), by most popular (which means total download count), by latest (which means date of upload),

or by random (which is a great way to find new material to read).
