How to Open the Free eBooks. If you're downloading a free ebook directly from Amazon for the Kindle, or Barnes & Noble for the Nook, these books will automatically be put on your e-reader or e-reader app wirelessly. Just log in to the same account used to purchase the book. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. We provide a range of services to the book industry internationally, aiding the discovery and purchase, distribution and sales measurement of books. My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for. You won't find fiction here - like Wikipedia, Wikibooks is devoted entirely to the sharing of knowledge. Here are 305 of the best book subscription services available now. Get what you really want and subscribe to one or all thirty. You do your need to get free book access. Monthly "all you can eat" subscription services are now mainstream for music, movies, and TV. Will they be as popular for e-books as well? Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day. Social media pages help you find new eBooks from BookGoodies, but they also have an email service that will send the free Kindle books to you every day.
