While the collection is small at only a few thousand titles, they're all free and guaranteed to be PDF-optimized. Most of them are literary classics, like *The Great Gatsby*, *A Tale of Two Cities*, *Crime and Punishment*, etc. Free ebooks are available on every different subject you can think of in both fiction and non-fiction. There are free ebooks available for

adults and kids, and even those tween and teenage readers. If you love to read but hate spending money on books, then this is just what you're looking for. Each day's list of new free Kindle books includes a top recommendation with an author profile and then is followed by more free books that include the genre, title, author, and synopsis. The Literature Network: This site is organized alphabetically by author. Click on any author's name, and you'll see a biography, related links and articles, quizzes, and forums. Most of the books here are free, but there are some downloads that require a small fee. Bibliomania: Bibliomania gives readers over 2,000 free

classics, including literature book notes, author bios, book summaries, and study guides. Free books are presented in chapter format. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations.
