Mightier Than the Sword Jeffrey Archer.2015-02-24 With more than 2 million copies in print, the Clifton Chronicles has taken #1 worldwide bestselling author Jeffrey Archer to a whole new level. And the saga continues with Mightier Than the Sword. Bestselling novelist Harry Clifton's on a mission to free a fellow author who's imprisoned in Siberia-even if doing so puts Harry's own life, and life's work, in danger. Meanwhile, his wife Emma, chairman of Barrington Shipping, is facing the repercussions of an IRA bombing on the Buckingham. Some board members feel she should resign. Others will stop at nothing to ensure the Clifton family's fall from grace. In London, Harry and Emma's son, Sebastian, is quickly making a name for himself at Farthing's Bank. He's also just proposed to a beautiful young American, Samantha. But the despicable Adrian Sloane is only interested in one thing: Sebastian's ruin. Sir Giles Barrington, now a minister of the Crown, looks set for even higher office-until a diplomatic failure in Berlin threatens his prospects. Once again it appears that Giles's political career is thrown off balance by none other than his old adversary, Major Alex Fisher. But who will win the election this time? And at what cost?

Hidden in Plain Sight Jeffrey Archer.2020-10-29 Filled with Jeffrey Archer's trademark twists and turns, Hidden in Plain Sight is the gripping next instalment in the life of William Warwick. Newly promoted, Detective Sergeant William Warwick has been reassigned to the drugs squad. His first case: to investigate a notorious south London drug lord known as the Viper. But as William and his team close the net around a criminal network unlike any they have ever encountered, he is also faced with an old enemy, Miles Faulkner. It will take all of William's cunning to devise a means to

bring both men to justice, a trap neither will expect, one that is hidden in plain sight . . . Hidden in Plain Sight follows on from Nothing Ventured and continues with Turn a Blind Eye, but can be read as a standalone story.

Tell Tale Jeffrey Archer.2017-10-24 Nearly a decade after his last volume of short stories was published, Jeffrey Archer returns with his eagerly-awaited, brand-new collection TELL TALE, giving us a fascinating, exciting and sometimes poignant insight into the people he has met, the stories he has come across and the countries he has visited during the past ten years. Find out what happens to the hapless young detective from Naples who travels to an Italian hillside town to find out Who Killed the Mayor? and the pretentious schoolboy in A Road to Damascus, whose discovery of the origins of his father's wealth changes his life in the most profound way. Revel in the stories of the 1930's woman who dares to challenge the men at her Ivy League University in A Gentleman and A Scholar while another young woman who thumbs a lift gets more than she bargained for in A Wasted Hour. These wonderfully engaging and always refreshingly original tales prove not only why Archer has been compared by the critics to Dahl and Maugham, but why he was described by The Times as probably the greatest storyteller of our age.

Heads You Win Jeffrey Archer.2018-11-06 Heads You Win is international #1 bestseller Jeffrey Archer's most ambitious and creative work since Kane and Abel, with a final twist that will shock even his most ardent of fans. Leningrad, Russia, 1968: From an early age it is clear that Alexander Karpenko is destined to lead his countrymen. But when his father is assassinated by the KGB for defying the state, Alexander and his mother will have to escape Russia if they hope to survive. At the docks, they have an irreversible choice: board a container ship bound for America or one bound for Great Britain. Alexander leaves the choice to a toss of a coin... In a single moment, a double twist

decides Alexander's future. During an epic tale, spanning two continents and thirty years, we follow Alexander through triumph and defeat as he sets out on parallel lives as Alex in New York and Sasha in London. As this unique story unfolds, both come to realize that to find their destiny they must face the past they left behind as Alexander in Russia.

If you find a free book you really like and you'd like to download it to your mobile e-reader, Read Print provides links to Amazon, where the book can be downloaded. However, when downloading books from Amazon, you may have to pay for the book unless you're a member of Amazon Kindle Unlimited. Kobo Reading App: This is another nice e-reader app that's available for Windows Phone, BlackBerry, Android, iPhone, iPad, and Windows and Mac computers. Apple iBooks: This is a really cool e-reader app that's only available for Apple. ManyBooks is a nifty little site that's been around for over a decade. Its purpose is to curate and provide a library of free and discounted fiction ebooks for

people to download and enjoy. Searching for a particular educational textbook or business book? BookBoon may have what you're looking for. The site offers more than 1,000 free e-books, it's easy to navigate and best of all, you don't have to register to download them. Since it's a search engine, browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing

platforms (though a book has to be really quite poor to receive less than four stars). FeedBooks provides you with public domain books that feature popular classic novels by famous authors like, Agatha Christie, and Arthur Conan Doyle. The site allows you to download texts almost in all major formats such as, EPUB, MOBI and PDF. The site does not require you to register and hence, you can download books directly from the categories mentioned on the left menu. The best part is that FeedBooks is a fast website and easy to navigate. A few genres available in eBooks at Freebooksy include Science Fiction, Horror, Mystery/Thriller, Romance/Chick Lit, and Religion/Spirituality. If your public library has a subscription to OverDrive then you can borrow free Kindle books from your library just like how you'd check out a paper book. Use the Library Search page to find out which libraries near you offer OverDrive.
