Ebook Bike is another great

option for you to download free eBooks online. It features a large collection of novels and audiobooks for you to read. While you can search books, browse through the collection and even upload new creations, you can also share them on the social networking platforms. Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy. Established in 1978, O'Reilly Media is a world renowned platform to download books, magazines and tutorials for free. Even though they started with print publications, they are now famous for digital books. The website features a massive collection of eBooks in categories like, IT industry, computers, technology, etc. You can download the books in PDF format, however, to get an access to the free downloads you need to sign up with your name and email address. ManyBooks is another free eBook website that scours the Internet to find the greatest and latest in free Kindle books. Currently, there are over 50,000 free eBooks here. Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day. You can search for free Kindle books at Free-eBooks.net by browsing through fiction and non-fiction categories or by viewing a list of the best books they offer. You'll need to be a member of Free-eBooks.net to download the books, but membership is free. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.
