ePortfolio as Curriculum Kathleen Blake Yancey.2023-07-03 At a moment when the ePortfolio has been recognized as a high impact practice - as a unique site for hosting student integrative learning and as a powerful genre for assessment - this book provides faculty, staff, and administrators with a set of frameworks and models useful for guiding students in designing and creating ePortfolios that clearly communicate their purpose and effectively use the affordances of the medium.In short, this book both illustrates and provides guidance on how to support the development of students' ePortfolio literacy. The ePortfolio curricular models provided in ePortfolio as Curriculum include both those integrated within existing disciplinary courses and those offered through credit-bearing stand-alone courses.In taking up questions focused on what students need to know and do in becoming informed, effective ePortfolio makers, the contributors to this volume - from the standpoint of their course outcomes and institutional contexts - present various approaches to developing an ePortfolio curriculum. Individually and collectively, the chapters explain ways to engage students in understanding the potential purposes, structures, audiences, and designs of ePortfolios; in developing the reflective practices for contextualizing and informing the selection and curation of artifacts; and in creating appropriate focus and coherence.Synthesizing insights from the previous chapters, the concluding chapter identifies six consistent features of an ePortfolio curriculum that support the development of students' ePortfolio literacy. In addition, Kathleen Blake Yancey identifies and defines seven common ePortfolio curricular dimensions that contribute to students' ePortfolio literacy, among them student agency, digital identity, and campus and global citizenship. Not least, she describes new practices emerging from ePortfolio curricula, including new ePortfolio-specific genres; new metaphors used to characterize ePortfolios and their practices; and new issues that the ePortfolio curriculum raises.

La desigualdad de género invisibilizada en la comunicación. Aportaciones al III Congreso Internacional de Comunicación y Género y al I Congreso Internacional de Micromachismo en la comunicación .

En este volumen se recogen las aportaciones de dos congresos internacionales, celebrados durante 2016: la III edición del congreso internacional de Comunicación y Género y el I Congreso Internacional de Micromachismos. Son aportaciones variadas, heterogénea en su temática y también integrando trabajos de muy distinta ejecución, desde aquellos de investigadoras con una larga experiencia en los estudios de género, como otras aportaciones de jóvenes investigadoras que realizan sugerente análisis, siendo también comprensivas con los distintos niveles académicos como de los distintos contextos culturales desde lo que se han realizado dichas aportaciones. Es un volumen que reúne casi un centenar de trabajos, en cuatro idiomas distintos. Un trabajo ambicioso pero muy meritorio para obtener una amplia mirada de la actualidad de la investigación sobre comunicación y género. Se trata de una iniciativa conjunta que expresa precisamente unas de las convicciones que ha caracterizado al pensamiento feministas, las tareas colaborativas son más ricas porque nadie es imprescindible y todas las personas estamos para aprender unos de otras.

The billionaire's fiancée Marie Levers. Business. I hate that stupid word with a passion. I hate everything about it. Every time I see that awful word I turn the other way. How it made my family not to be a real family. How it made my brother busy with training. How it made my father always leave for trips. How it made me a human pincushion for my mother's fashion. How it brought me a marriage I didn't ask for. Business. Bianca Harrison has had a wild twenty four years. Her brother, Blake, was always there for her. He would scare away boys who would come to take her on dates. He'd make sure she did her school homework. He did everything she expected from her father. Her nanny, Janet, from when she was a kid was always there for her. She was her shoulder to cry on. She'd make sure her room was clean and she had a good meal. She did everything Bianca expected from her mother. Bianca's boyfriend of four years just broke up with her. Bianca was heart broken. She went to her parents, who were home for once, and regretted it instantly. Her father said he had something in mind, but Bianca had no clue it would be this extreme. Having to marry her father's business partner Leon Bailey. The bachelor of New York. The man every girl swoons over. A thirty year old Greek God. Boy was she not excited.

Little Willy "Wiggle" Schmiggle Linda P. Young. 2019-11-04 Little Willy Wiggle Schmiggle is a little different than most kids. He loves to wiggle! Little Willy Wiggle Schmiggle came to mind while I was talking with my grandson, he could not sit still for even 10 seconds. I called him a wiggle schmiggle, then boom, Willy Wiggle Schmiggle was born. Every infant, toddler, and young child wiggles all the time. Sometimes you can barely get them to sit for a few seconds. I wanted this book to represent the way a 5 year old might draw with crayons. Of course I am not a toddler but I

wanted the finished project to look like someone very young drew it. I wanted to write and illustrate this book myself. The Adventures of Anna and Andy Hummingbird were professionally done. By doing this book myself I was able to control how it looked as I knew what I wanted. I am actually kind of proud of myself. What a challenge it has been, but I believe it will all be worth it. This book is somewhat interactive asking the child to fill in some blanks and at the back of the book are things they can answer or search for. Great book for parents to read to their children, teachers to read to your students. Great for preschoolers and anyone in between. So to all the people who purchase this book I thank you and maybe someday Willy Wiggle Schmiggle will become a cartoon, coloring books, activity books.....etc. Watch for my next book, Don't let the cat out of the bag.

The Way I See It Lerato Tshabalala.2016-07-01 Lerato Tshabalala first came to our attention in 2011 with her 'Urban Miss' column in the Sunday Times, and since then she has by turns entertained, exasperated, amused and confounded her fans and critics alike. Now, with her first book, she looks set to become the national institution she deserves to be. With her customary wit and keen insight into social, political and cultural affairs, Lerato shines a bright - and controversial - light on South African society and the quirky ways of the country. She is brutally honest about her experiences as a black South African in post-apartheid Mzansi, and no subject is too sacred for her to explore: annoying car guards, white-dominated corporate South Africa, cultural stereotypes, economic and racial inequality, and gender politics, among many other topics, come under her careful - and often laugh-out-loud - scrutiny. The Way I See It is written for people who are hungry for a book that is thought-provoking, funny, irreverent and truly South African all at the same time. It is light but full of depth: like a supermodel with an MBA!

The War Came To Us Christopher Miller.2023-07-20 A WATERSTONES AND IRISH TIMES BOOK OF THE YEAR A breathtaking exploration of Ukraine's past, present, and future, and a heartbreaking account of the war against Russia, written by a leading journalist who has lived and worked in Ukraine for over a decade. 'Vivid... Shocking... [Miller] brings a seasoned, personal perspective to his account of both the 16-month conflict and its wider roots.' Daily Telegraph 'A beautiful blend of memoir, reportage and history...superb.' Irish Times '...powerful and insightful...Miller provides a human dimension to a bloody conflict.' Kirkus Reviews When Russian President Vladimir Putin launched his unprovoked, full-scale invasion of Ukraine just before dawn on 24 February 2022, it marked his latest and most overt attempt to brutally conquer the country, and reshaped the world order. Christopher Miller, the Ukraine correspondent for the Financial Times and a foremost journalist covering the country, was there on the ground when the first Russian missiles struck and troops stormed over the border. But the seeds of Russia's war against Ukraine and the West were sown more than a decade earlier. This is the definitive, inside story of its long fight for freedom. Told through Miller's personal experiences, vivid front-line dispatches and illuminating interviews with unforgettable characters, *The War Came To Us* takes readers on a riveting journey through the key locales and pivotal events of Ukraine's modern history. From the coal-dusted, sunflower-covered steppe of the Donbas in the far east to the heart of the Euromaidan revolution camp in Kyiv; from the Black Sea shores of Crimea, where Russian troops stealthily annexed Ukraine's peninsula, to the bloody battlefields where Cossacks roamed before the Kremlin's warlords ruled with iron fists; and through the horror and destruction wrought by Russian forces in Bucha, Bakhmut, Mariupol, and beyond. With candor, wit and sensitivity, Miller captures Ukraine in all its glory: vast, defiant, resilient, and full of wonder. A breathtaking narrative that is at times both poignant and inspiring, *The War Came To Us* is the story of an American who fell in love with a foreign place and its people - and witnessed them do extraordinary things to escape the long shadow of their former imperial ruler and preserve their independence.

FROM THE BOOK The sun descends and the moon rises, giving the only light that illuminates the darkness. Wind blows silently as if it is trying to tell me a secret. Our steps are quiet, we move like the wind walking along the forest floor, as we make our way to the hole I crawled out of just a few months ago. We whip past the trees, rocks, and grass like we are floating in the air. The animals in the forest are neither seen nor heard. They are hiding, but I know they are out there. I can hear the steady pace of their hearts and the blood flowing in their veins. We make it to our destination. No words spoken, no sentiments given. There is just quiet contemplation and preparation churning in our minds. I look at Jade and she nods. She quickly turns and climbs the tall tree, near me, looking like a spider silently climbing up a wall. I turn my attention away from Jade. She is now invisible to me. I will neither give away nor tell her whereabouts. She is a secret, one that I will pretend not to know. I look around through the darkness of night, taking my place, waiting for this game to begin. My stance is confident. My mind is calm. I survey my surroundings, like a predator who feels threatened, bracing for an attack. My eyes land on remnants of the trash bag that once held me inside. I laugh, Nate will have to do better this time if he wants to get rid of me. Nate is going to come into the forest confident and cocky. He doesn't realize that the girl he is coming to kill isn't the same one he had attempted to kill before.

Light Me Up Anne River.2023-10-04 La lune et le soleil se croisent, s'embrasent, mais jamais ne se touchent... Dès les premiers instants, la tension est électrique entre Helios et Louna ! Il la voit comme une effrontée trop naïve, elle le prend pour un gosse de riche arrogant... Et pourtant, ils n'ont de cesse de se croiser, de se heurter, et de s'attirer... malgré eux. Rien n'est possible entre eux, les démons de leurs passés respectifs ont encore les griffes trop profondément ancrées en eux, et leur ombre s'étend sur le présent. Pourtant, il suffirait d'un éclair de confiance, d'une étincelle de tentation, pour que leurs deux mondes ne fassent qu'un... A propos de l'auteur Anne River est accro aux romances. Elle qui se décrit comme amoureuse de l'amour a trouvé en l'écriture une réelle passion. Elle a suivi une formation d'agent immobilier et est native de l'île de la Réunion. C'est là, niché entre les montagnes, au cœur de l'île intense où elle vit avec sa famille, qu'elle trouve son inspiration, se laissant porter au gré du vent.

El huésped Kendymadness.2021-04-08 Una de las historias más exitosas de Wattpad con millones de lectores: una historia altamente adictiva. Tener un huésped en casa nunca había despertado tantas emociones y... pasiones. «Por un momento pensé que tener a un chico sexy en casa sería una buena historia para contar, pero eso fue antes de que me diera cuenta de su actitud arrogante. Noté su prepotencia desde que llegó, sabía que él no quería quedarse en nuestra casa. De hecho, la misma noche en que llegó le dije a mi madre que me incomodaba su presencia, que no me inspiraba confianza. Y lo mismo con mi padre, pero ninguno de los dos me hizo ningún caso. ¿Qué había venido a hacer aquel intruso a mi casa? Y lo peor de todo... ¿por qué me resultaba tan irresistiblemente atractivo?»

The New A-List Dianna Hobbs.2013-07 Corporately-backed media has set up members of the Hollywood A-list as modern-day gods, molding everything from the values of society, to the sexual behaviors of an entire generation, and contributing to the erosion of the moral fiber of a nation. But a cultural shift is happening. A new army of A-listers, with the A representing abstinence, is arising and standing up for sexual purity, in a sex-crazed culture. In *The New A-list*, author Dianna Hobbs highlights and mobilizes a new crop of leaders, who are determined to lift the taboo off abstinence and virginity. Through research, biblical and practical principles, and personal stories, readers will discover how to effectively counter immoral culture, become positive change agents, and personally adopt a successful lifestyle of purity.
