Conversazioni con Dio - volume 4 Neale Donald Walsch.2018-03-20T00:00:00+01:00 Siamo nei guai. Ma possiamo ricevere aiuto... basta ascoltare Nel bel mezzo di una notte di agosto, Neale Donald Walsch si è ritrovato nuovamente immerso in un dialogo inaspettato con Dio nel quale Gli ha subito posto due domande: all'umanità viene offerto un aiuto dagli esseri altamente evoluti da un'altra dimensione? L'umanità è chiamata a svolgere un ruolo chiave nella propria evoluzione unendosi ad una missione comunitaria per assistere il Pianeta nei momenti critici che ci aspettano? La risposta ad entrambe le domande è stato un sì. Poi gli sono stati dati 16 esempi specifici di come gli esseri altamente evoluti reagiscono alla vita in modo diverso rispetto agli umani, e di come adottando anche solo alcuni di questi comportamenti potremmo cambiare il corso della storia del mondo in meglio e per sempre. Queste informazioni sono tutte contenute nel libro, che è anche un invito per ciascun lettore a compiere questa straordinaria esplorazione. Se senti il bisogno di dare una svolta alle tue giornate e di guarire la tua vita ma non sai nemmeno tu in che modo, se pensi che i messaggi che Dio ha riservato per te possano aiutarti a guarire la tua vita rendendo la meditazione lo strumento della vera felicità e pace interiore, *Conversazioni con Dio* di Neale Donald Walsch è il libro giusto per te. Nel più recente libro della serie *Conversazioni con Dio*, scritto diversi anni fa, Neale Donald Walsch dichiarò che si trattava dell'ultimo dialogo di questo tipo pubblicato e diffuso da lui contenente i messaggi divini per migliorare la tua vita. Ma la vita è un mosaico in continua evoluzione e visto che tutti noi siamo Uno con Dio, abbiamo la capacità di creare quello che i cineasti chiamerebbero un finale alternativo a qualsiasi storia. Apparentemente è quello che è accaduto in questo caso. Sembra che a livello Superconscio (ossia a quel livello in cui agiscono tutte le anime) sia stata presa una nuova decisione, per permettere a tutti i lettori di essere felici. L'autore avrebbe potuto mantenere privato quest'ultimo dialogo, ma ogni cellula del suo corpo gridava: Non ti azzardare!. Aveva fatto una promessa a Dio: continuare a diffondere importanti informazioni, capaci di cambiare le esperienze quotidiane di milioni di persone attraverso la positività. La diffusione pubblica della sua più recente conversazione con Lui - trascritta parola per parola - gli permetteva di tenere fede a quella promessa, con cui avrebbe ottenuto salute e benessere di tantissime persone. Anche se le principali religioni del mondo parlano non solo di messaggi degli angeli ma anche di rivelazioni fatte da Dio agli esseri umani e avvenute nel corso di tutta la storia, qualcuno potrebbe dubitare che un evento di tale portata fosse accaduto proprio a un essere imperfetto. Ma Neale Donald Walsch non parla con Dio al singolare, siamo tutti noi al plurale a parlare con Lui. È solo che gran parte delle persone chiama questo dialogo in altri modi. Ognuno ha la capacità di accedere alla Sorgente della saggezza suprema posta nel profondo del suo sé: è il mezzo con cui Dio opera dentro e attraverso noi, consentendoci di raggiungere la felicità e guarire la nostra vita. Nel dialogo, il Divino spiega questo fenomeno così: Parlo con tutti, sempre. La domanda non è 'Con chi parlo?'. La domanda è 'Chi ascolta?'. Metti da parte qualsiasi forma di scetticismo verso la fonte delle informazioni contenute in questo libro e considera se esse possano avere un valore per la tua vita individuale e, più ampiamente, per la tua comprensione della Vita stessa. Questo testo contiene molte informazioni sulla vita e la morte e sulla dimensione intermedia. Probabilmente racchiude più dati metafisici di quanti ti sia mai capitato di leggere in un unico testo. A un certo punto del dialogo che seguirà forse dirai: Speculazione o no, tutto ciò è decisamente affascinante. Per poi chiederti giustamente: Ma a che serve saperlo? Come può riguardare e migliorare la mia vita, per non parlare

dell'esistenza di tutti noi qui sulla Terra?. L'autore ha costruito domande su domande nel tentativo di rendere questo dialogo comprensibile e pertinente. Perché oggi, con tutto quello che succede nel mondo, la gente ha un disperato bisogno di messaggi di speranza, fede, guarigione della vita e cambiamento. Quest'ultima conversazione con Dio di Neale Donald Walsch offre proprio questo: ecco perché l'autore ha deciso di condividerla e renderla pubblica. Lo scambio riportato in questo libro contiene alcune dure valutazioni sulla situazione attuale, che non vogliono essere giudizi ma lampi per illuminare ciò che adesso siamo invitati a vedere e ciò che abbiamo il potere di fare. Un Domani Migliore per noi come individui e per la nostra civiltà è possibile, anzi: molto, molto possibile se lo sceglieremo. Basterà prendere un'Unica Decisione. Questo libro ti aiuterà ad andare in questa direzione per guarire la tua vita con la vera serenità interiore. ESTRATTI DEL LIBRO Lo so che, a giudicare dalle nostre azioni, potrebbe non sembrare così, ma gli esseri umani vogliono davvero sopravvivere e guarire la propria vita. Per questo chiediamo aiuto. Gran parte di noi sostiene che quello di sopravvivenza sia l'istinto primario. In realtà la sopravvivenza non è il vostro istinto primario. Se così fosse, la sopravvivenza della vostra specie non sarebbe messa in discussione. Sarebbe garantita. Lo so. L'istinto primario dell'umanità è l'espressione della Vera Identità di ogni essere, cioè la Divinità. In termini umani ciò si traduce in Amore Puro, un'energia che non conosce condizioni e si esprime a tutti i costi. Questo è l'impulso fondamentale; ecco perché gli esseri umani, se sentono piangere un bambino, corrono dentro un edificio in fiamme invece che allontanarsene. Al massimo livello, nell'istante in cui bisogna prendere la decisione più urgente, gran parte delle persone non sta lì a soppesare le probabilità di sopravvivenza se sente piangere un bambino. Agiscono in base alla loro Vera Natura. In momenti come questo è chiaro che non potrete mai cessare di esistere. Il vostro spirito, ossia l'essenza di Chi Siete, vivrà per sempre e ne siete consapevoli a livello profondo. Perciò la sopravvivenza cessa di essere un problema. La questione non è se vivrete, ma come vivrete, che si tratti di altri vent'anni o venti minuti. Se la felicità, la salute e il benessere scorreranno nelle vostre vene e nelle vostre vite. È vero che potreste provare il forte desiderio di continuare a vivere nella vostra attuale forma fisica per più di venti minuti, ma il vostro istinto primario di esprimere la Divinità diventando la personificazione dell'amore incondizionato vince e prevale su questo desiderio. Purtroppo, non tutti gli esponenti della vostra specie dispongono di questo livello di chiarezza nei momenti ordinari della vita. In realtà, il numero di quelli che lo possiedono è molto basso. È facile perdersi nel labirinto dell'esistenza. Solo negli istanti più critici, alla "resa dei conti", in gran parte dei casi gli umani agiscono come se fossero "fuori di testa", perché lo sono letteralmente, nel senso che stanno seguendo l'impulso dell'anima, l'energia che scaturisce dal loro essere più profondo. Se gli umani seguissero di continuo l'impulso dell'anima, creerebbero istantaneamente il Cielo in Terra. Per farlo basterebbe considerare ogni minuto di ogni giorno come un "momento dell'edificio in fiamme", un istante in cui accedere facilmente ai "migliori angeli" della nostra natura. È quello che faranno tutti coloro che hanno scelto di contribuire al risveglio della specie: seguiranno in ogni momento l'impulso della loro anima e incoraggeranno gli altri a fare lo stesso, anche soltanto dando l'esempio. Così si diffonderanno felicità e positività. Ma ricordate che la vostra è una specie molto giovane e tanti di voi non capiscono perché si trovano sulla Terra, né colgono le implicazioni della vostra Vita Eterna con Dio. Gli umani che concepiscono un tipo di vita eterna, la intendono come una forma di ricompensa o punizione perpetua, immaginando un Regno di Dio basato sulla meritocrazia. Per questo hanno creato un mondo fatto di ricompense e punizioni, che riflette nella realtà fisica una concezione completamente errata della Realtà Ultima. Sì, sì, lo so. Abbiamo già parlato di queste concezioni sbagliate in altre occasioni. Adesso torniamo alla questione sollevata prima, cioè che gran parte di voi desidera che la specie continui a esistere nella forma fisica attuale. Volete che i vostri figli e i figli dei vostri figli abbiano le stesse vostre opportunità di godere di questo magnifico Pianeta, di questo ambiente speciale e bellissimo e di questa particolare espressione della vita. Eppure è ironico: dite di volere che la vostra specie continui a esistere, che migliori la propria vita, che abbia tutto il benessere e la salute della mente e del corpo, ma molti di voi fanno cose che rendono la cosa molto improbabile. Non di proposito. No, non di proposito, ma è questo il punto: molti di voi dicono

una cosa e ne fanno un'altra. È la questione più importante che la razza umana deve affrontare, se vuole davvero approfittare del Momento Perfetto per Progredire che può consentirle di continuare a esistere in una meravigliosa e piacevole versione della fisicità. Infatti proprio adesso stiamo chiedendo un po' d'aiuto, perché per molti membri della nostra specie la "versione della fisicità" non risulta essere così meravigliosa e piacevole. Non viviamo più la vera felicità. Gran parte dei sistemi che abbiamo messo in atto per creare una vita migliore su questo Pianeta non hanno portato i risultati sperati. Per esempio, i nostri apparati politici hanno suscitato caos e disaccordo costante; i nostri sistemi economici hanno causato povertà crescente ed enormi disuguaglianze; i nostri organismi assistenziali non stanno facendo abbastanza per eliminare le differenze nell'accesso alle medicine e ai servizi sanitari moderni; i nostri sistemi sociali generano sempre più discordia e disparità, per non parlare delle frequenti ingiustizie. Infine, l'aspetto più triste è che in troppi modi e in troppi luoghi i nostri apparati spirituali hanno generato aspra arroganza, scioccante intolleranza, rabbia diffusa, odio profondo e violenza auto-legittimata. Abbiamo bisogno di migliorare la nostra vita e guarire da questa negatività. Capisci cosa intendo quando dico che sei già risvegliato? Osservi le cose con chiarezza. Naturalmente ci sono eccezioni, ma l'accuratezza della tua valutazione complessiva è evidente. Se la consideri un'impresa orientata al risultato, rendi le cose molto difficili per te stesso ancor prima di cominciare. Controlleresti ogni tua mossa, soppeseresti ogni parola, ti preoccuperesti di come diamine riuscire a sentirti come speri, preparando nervosamente un Piano B se l'approccio iniziale non producesse il risultato desiderato, per poi gettarti a capofitto nel progetto di trasformare te stesso, completamente ignaro dell'impatto metafisico di tutta questa energia poco gioiosa che hai proiettato nello spazio. Caspita! Non avevo mai considerato questo aspetto. Lo so. È questo il punto. Ne parlo adesso per aiutarti a cambiare il tuo modo di pensare. T'invito a ridefinire quello che chiami "successo" nel raggiungere il pieno risveglio e a percorrere la strada verso la felicità interiore. Ti ascolto, ti ascolto. Il successo nel raggiungere il pieno risveglio consiste nel sapere che sei già risvegliato, solo che non sai o non hai accettato di esserlo. E così abbiamo chiuso il cerchio e siamo tornati a quello che hai detto all'inizio di questa conversazione. Sì, perché è uno dei messaggi più importanti con cui potevo iniziare e concludere qualsiasi interazione illuminante con te. Risvegliarti non significa cambiare te stesso, cambiare la tua vita, ma cambiare quello che pensi di te, renderti conto - come ho già detto prima - che sei già integro, completo e perfetto così come sei adesso. Questa è la vera felicità, questa è l'energia del benessere interiore. La tua trasformazione personale consiste nell'aggiungere qualcosa, non nel sottrarre da quello che già sei. Il successo in qualsiasi settore della vita non risiede nell'ottenere quello che pensi di dover ottenere al termine del viaggio, ma nell'amore, nella gioia, nella felicità e nella sensazione di Vero Sé che sperimenti - e che gli altri sperimentano nella loro vita grazie a te - durante il percorso. Stai dicendo che l'importante è il viaggio e non la destinazione. È un vecchio detto: niente di nuovo. Questo intero discorso è solo un promemoria, un Grande Promemoria. Tutto quello che è stato detto qui l'hai già sentito, saputo e sperimentato. Lo scopo di tutte le nostre conversazioni e meditazioni è sempre stato lo stesso: trasformarti da una persona che non sa di sapere a una che accetta di sapere già. Ecco perché spesso quello che hai sentito da me e che hai letto nelle trascrizioni delle nostre conversazioni sembrava di saperlo già. Questo include le informazioni sugli Esseri Altamente Evoluti provenienti da un altro luogo. Fin da piccolo sapevi e avevi capito che tali esseri sono fra voi. Niente di questo è nuovo per te. Hai ragione, sono completamente a mio agio. E so che questi esseri non sono qui per farci del male. Se avessero voluto danneggiarci, lo avrebbero potuto fare in mille modi nel corso dei secoli. Esatto.

Conversations With God, Book 3 Neale Donald Walsch.2020-09-01 Discover the answers to the questions of God, meaning, and existence. This is the final book of the original three-book Conversations with God series. The series deals with “universal truths of the highest order, and the challenges and opportunities of the soul.” In Book 3, the dialogue expands to include more about the nature of God, love and fear, who we are and who we may become, and the evolution of the human species that’s about to take place. This is an engaging and profound conversation about the culture, philosophy, and spirituality of highly evolved beings (some of whom we call “aliens,” or “ETs”) in other realms of the universe, and how they have learned to view life, love, and the pursuit of happiness. CWG3 is meant to inspire readers to look at their lives in new and fresh ways and to question everything. It encourages readers to embrace the mysteries of existence and to live each day with love and joy.

The Little Soul and the Sun Neale Donald Walsch.1998-03-01 The Little Soul and the Sun is a simple and powerful story that brings children a profound truth: there is no absolute good or bad, only love. The Little Soul and the Sun gracefully explains spiritual concepts to children and shares a story that helps readers remember the angel within us all. Your child will discover a God that she or he can love, because God is love, as are all the Little Souls who are a part of God. And perhaps parents, too, will rediscover who they really are. A little soul discusses at length with God how he can learn to experience who he really is and which “part of special” he wants to be. The little soul decides he wants to be forgiving; thus another little soul soon obliges by offering to do something “not-so-nice”, so that the first little soul can experience forgiveness. Such messages as “everybody is special, each in their own way” and “it is special to be kind; it is special to be creative” are important for all children to hear, regardless of their faith.

Conversations with God Neale Donald Walsch.2008 Presents God's answers to the author's questions concerning everyday life and how man should respond to opportunities and challenges.

They have sold millions of copies in over two dozen languages around the world. For those who seek to explore the nature of God, the universe, and our own existence, here are the questions that we all want to ask ... and here are answers that not only make sense, but also speak directly to the heart with knowledge and observation that ring true, written so simply and beautifully that it takes the breath away. In the introduction to Conversations With God, Book 1, the first book of the trilogy, Neale Donald Walsch was told that Book 2 would deal with more global topics of geopolitical and metaphysical life on the planet, and the challenges now facing the world. But there is much more in this book more about God, about life and death, relationships, good and evil, money, and spirituality.

Esoteric Psychology - The Seven Rays Dr. Douglas M. Baker.2014-04-09 Esoteric Psychology - The Seven Rays: The knowledge of the Seven Rays provided by this book will prove of immense value to all who seek to understand human nature, and to achieve enhanced self awareness and integration of personality, in themselves and others. This masterly written and illustrated manual is an absolutely essential starting and reference work for all those who finally respond in this lifetime to their Purpose and Inner Voice! This book emphasises that all is energy and that Man is an energy unit affected from both without and within. It demonstrates that Ray Psychology is essentially practical and shows how the qualities of these energies may be understood and embraced in human behaviour and today's language. It is plain that psychology will play an ever increasing role in the development of new age consciousness. Already today millions of people, who would be regarded as laymen, practise their own psychology in everyday life. This tendency has been boosted by the general interest in astrology. A glimpse into the future will show that the new psychology will be based on many emerging astrological factors. Esoteric psychology takes into account not only hereditary and environment, but draws also upon that massive third factor which is the psychic and spiritual nature of Mankind. The effect of karma, the influence of previous lives, etc., are major contributions to the behaviour of those who seek to tread the path towards spiritual enlightenment. Esoteric Psychology is based on two major precepts. Firstly, there is a cosmic force conveying seven streams of energy into our solar system that affect the nature, behaviour and evolution of all forms within the ring-pass-not of this system. These streams are termed the Seven Rays. Secondly, spiritual qualities emerging from the immortal component of Man's structure affect his behaviour and modify the contributing factors of his hereditary equipment and the environment into which it is thrust.

Conversations with God, Book 4 Neale Donald Walsch.2017-03 In the middle of the night on 2nd August 2016 Neale Donald Walsch found himself drawn into a new and totally unexpected dialogue with God in which he suddenly faced two questions. Is the human race being offered help by Highly Evolved Beings from Another Dimension? Is there a key role that humans are being invited to play in advancing their own evolution by joining in a mutual mission to assist the planet during the critical times ahead? He was told the answers to both questions is yes. Then he was given 16 specific examples of how Highly Evolved Beings respond to life differently than humans and how adopting even a few of those behaviours could forever change the course of world history for the better. That information makes up the body of this work. A striking invitation to every reader sets the stage for the extraordinary explorations that follow. This book will breathtakingly expand your view of both your personal and our collective future.

This life-changing book offers some possible, penetrating answers to the questions of our day, providing the tools to pull ourselves out of despair and towards a new world vision. Addressing the zeitgeist following the tide of events of September 11th, we are shown that the violence, loss, sorrow and terror of our world cannot be eliminated through political or economic action, but only by changing our beliefs. Five fallacies about life, combined with the five fallacies about God, continue to feed a deadly misconception that leads to devastating world events governed by violence and crisis. Through challenging the fallacies of our beliefs we can move forward, building at last a new world of peace and harmony based on our new, true beliefs about God and life.

Conversations with God for Teens Neale Donald Walsch.2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, Why can't I just have sex with everybody? What's the big deal?, the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?

There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

Conversations with God, Book 2 Neale Donald Walsch.2020-09 How to deal with twenty-first century challenges, individually and globally. The Conversations with God books are among the most popular spirituality books published in the past 50 years. They have sold millions of copies in over two dozen languages around the world. For those who seek to explore the nature of God, the universe, and the meaning of existence, here are the questions that everyone wants to ask--and here are the answers that not only make sense, but also speak directly to the heart, with observations that ring true. In the introduction to Conversations with God, Book 1, Neale Donald Walsch was told that Book 2 would deal with more global challenges now facing the world. This is a book that looks at the big picture. What is here is a proposed paradigm shift to change the political and spiritual constructs that people have manifested on this planet. This is the challenge of the book: Now is the time to reclaim yourself. Now is the time to see yourself again as Who You Really Are, and thus, render yourself visible again. For when you, and your true relationship with God, become visible, then We are indivisible. And nothing will ever divide Us again.

The Wedding Vows from Conversations with God Neale Donald Walsch.2000-01-01 Honoring the spiritual nature of all beings; this is the essence of the wedding vows from Conversations with God. Thus, these are not simply vows, but something more: an outward manifestation of our deepest inner truth. These vows were spoken by Neale Donald Walsch and Nancy Flemming-Walsch at their own marriage, and are featured in Book 3 of the Conversations with God series. As Neale writes, We wanted a ceremony that spoke the truth of our hearts, and that allowed us to make promises that we knew we could keep. So, here they are, from Neale and Nancy to you, for use in your own ceremony. Included are wonderful commentaries on love and relationships by Gerald Jampolsky and his wife, Diane Cirincione, and by Marianne Williamson. Also included are meaningful insights on union from the Conversations with God series. May your marriage be blessed.
