The Online Books Page: Maintained by the University of Pennsylvania, this page lists over

one million free books available for download in dozens of different formats. If you are not a bittorrent person, you can hunt for your favorite reads at the SnipFiles that features free and legal eBooks and softwares presented or acquired by resale, master rights or PLR on their web page. You also have access to numerous screensavers for free. The categories are simple and the layout is straightforward, so it is a much easier platform to navigate. The Online Books Page features a vast range of books with a listing of over 30,000 eBooks available to download for free. The website is extremely easy to understand and navigate with 5 major categories and the relevant sub-categories. To download books you can search by new listings, authors, titles, subjects or serials. On the other hand, you can also browse through news, features, archives & indexes and the inside story for information. If your books aren't from those sources, you can still copy them to your Kindle. To move the ebooks onto your e-reader, connect

it to your computer and copy the files over. In most cases, once your computer identifies the device, it will appear as another storage drive. If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book. Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees. Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction,

and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day. After you register at Book Lending (which is free) you'll have the ability to borrow books that other individuals are loaning or to loan one of your Kindle books. You can search through the titles, browse through the list of recently loaned books, and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone. eBooks are available as PDF, EPUB, Kindle and plain text files, though not all titles are available in all formats. From books, magazines to tutorials you can access and download a lot for free from the publishing platform named Issuu. The contents are produced by famous and independent writers and you can access them all if you have an account. You can also read many books on the site even if you do not have an account. For free eBooks, you can access the authors who allow

you to download their books for free that is, if you have an account with Issuu.
