In addition to these basic search options, you can also use ManyBooks Advanced Search to pinpoint exactly what you're looking for. There's also the ManyBooks RSS feeds that can keep you up to date on a variety of new content, including: All New Titles By Language. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. Being an Android device owner can have its own perks as you can have access to its Google Play marketplace or the Google eBookstore to be

precise from your mobile or tablet. You can go to its “Books” section and select the “Free” option to access free books from the huge collection that features hundreds of classics, contemporary bestsellers and much more.
