**The Hag** Marc Eliot. 2022-01-18 The definitive biography of country legend Merle Haggard by the New York Times bestselling biographer of Clint Eastwood, Cary Grant, The Eagles, and more. Merle Haggard was one of the most important country music musicians who ever lived. His astonishing musical career stretched across the second half of the 20th Century and into the first two decades of the next, during which he released an extraordinary 63 albums, 38 that made it on to Billboard's Country Top Ten, 13 that went to #1, and 37 #1 hit singles. With his ample songbook, unique singing voice and brilliant phrasing that illuminated his uncompromising commitment to individual freedom, cut with the monkey of personal despair on his back and a chip the size of Monument Valley on his shoulder, Merle's music and his extraordinary charisma helped change the look, the sound, and the fury of American music. The Hag tells, without compromise, the extraordinary life of Merle Haggard, augmented by deep secondary research, sharp detail and ample anecdotal material that biographer Marc Eliot is known for, and enriched and deepened by over 100 new and far-ranging interviews. It explores the uniquely American life of an angry rebellious boy from the wrong side of the tracks bound for a life of crime and a permanent home in a penitentiary, who found redemption through the music of the common man. Merle Haggard's story is a great American saga of a man who lifted himself out of poverty, oppression, loss and wanderlust, to catapult himself into the pantheon of American artists admired around the world. Eliot has interviewed more than 100 people who knew Haggard, worked with him, were influenced by him, loved him or hated him. The book celebrates the accomplishments and explore the singer's infamous dark side: the self-created turmoil that expressed itself through drugs, women, booze, and betrayal. The Hag offers a richly anecdotal narrative that will elevate the life and work of Merle Haggard to where both properly belong, in the pantheon of American music and letters. The Hag is the definitive account of this unique American original, and will speak to readers of country music and rock biographies alike.

**Daily Rituals** Mason Currey. 2013-04-23 More than 150 inspired—and inspiring—novelists, poets, playwrights, painters, philosophers, scientists, and mathematicians on how they subtly maneuver the many (self-inflicted) obstacles and (self-imposed) daily rituals to get done the work they love to do. Franz Kafka, frustrated with his living quarters and day job, wrote in a letter to Felice Bauer in 1912, “time is short, my strength is limited, the office is a horror, the apartment is noisy, and if a pleasant, straightforward life is not possible then one must try to wriggle through by subtle maneuvers.” Kafka is one of 161 minds who describe their daily rituals to get their work done, whether by waking early or staying up late; whether by self-medicating with doughnuts or bathing, drinking vast quantities of coffee, or taking long daily walks. Thomas Wolfe wrote standing up in the kitchen, the top of the refrigerator as his desk, dreamily fondling his “male configurations”.... Jean-Paul Sartre chewed on Corydrane tablets (a mix of amphetamine and aspirin), ingesting ten times the recommended dose each day ... Descartes liked to linger in bed, his mind wandering in sleep through woods, gardens, and enchanted palaces where he experienced “every pleasure imaginable.” Here are: Anthony Trollope, who demanded of himself that each morning he write three thousand words (250 words every fifteen minutes for three hours) before going off to his job at the postal service, which he kept for thirty-three years during the writing of more than two dozen books ... Karl Marx ... Woody Allen ... Agatha Christie ... George Balanchine, who did most of his work while ironing ... Leo Tolstoy ... Charles Dickens ... Pablo Picasso ... George Gershwin, who, said his brother Ira, worked for twelve hours a day from late morning to midnight, composing at the piano in pajamas, bathrobe, and slippers.... Here also are the daily rituals of Charles Darwin, Andy Warhol, John Updike, Twyla Tharp, Benjamin Franklin, William Faulkner, Jane Austen, Anne Rice, and Igor Stravinsky (he was never able to compose unless he was sure no one could hear him and, when blocked, stood on his head to “clear the brain”).

**The Drummer Drives! Everybody Else Rides** Barbara Brabec.2010 Harry J. Brabec (1927-2005) was a percussionist and virtuoso snare drummer greatly admired by his peers not only for his talents as a musician, but for his keen sense of humor and gutsy approach to life. His name became legend when, at the peak of his career as Principal Percussionist of the Chicago Symphony Orchestra in 1956, Fritz Reiner dismissed him for purely personal reasons, effectively destroying his career and leading to the failure of his first marriage. Barbara met and married Harry in 1961. Beat by beat in this autobiographic narrative and biography, she tells his comeback story as a freelance percussionist in Chicago in the sixties, then flashes back to his career before they met before going on to tell how her career path and their marriage changed when life forced Harry to move in new entrepreneurial directions in the seventies and beyond. THE DRUMMER DRIVES! offers a unique view of a colorful period of Chicago's musical entertainment history that is spiced with romance, drama, and Harry's wit and humor. The book revolves around the author's lifetime of journals and Harry's scrapbooks and nostalgic letters, which are filled with historical music biz stories and remembrances of the days when he was playing with the big bands and doing recordings in Chicago; his comments about many of the musicians, entertainers, and conductors he worked with; his thoughts on being Czech; his love of good food, fine books, record collecting, band music and the circus; and how he felt about getting old and being forced to lay down his sticks because of ill health. The book also includes colorful anecdotes shared by many musicians who knew and worked with Harry. There is much to enjoy in this informative and humor-laden memoir, but you may also find yourself tearing up at times as you read this honestly-told story of the author's unusual life journey with a man who was no ordinary Joe, an individual so complex that she was still trying to figure him out after nearly 44 years of marriage and five years as his widow. Barbara Brabec is the author of several small business books. This is her first memoir.

**A Biographical Guide to the Great Jazz and Pop Singers** Will Friedwald.2010-11-02 Will Friedwald's illuminating, opinionated essays—provocative, funny, and personal—on the lives and careers of more than three hundred singers anatomize the work of the most important jazz and popular performers of the twentieth century. From giants like Ella Fitzgerald, Louis Armstrong, Frank Sinatra, and Judy Garland to lesser-known artists like Jeri Southern and Joe Mooney, they have created a body of work that continues to please and inspire. Here is the most extensive biographical and critical survey of these singers ever written, as well as an essential guide to the Great American Songbook and those who shaped the way it has been sung. The music crosses from jazz to pop and back again, from the songs of Irving Berlin and W. C. Handy through Stephen Sondheim and beyond, bringing together straightforward jazz and pop singers (Billie Holiday, Perry Como); hybrid artists who moved among genres and combined them (Peggy Lee, Mel Tormé); the leading men and women of Broadway and Hollywood (Ethel Merman, Al Jolson); yesterday's vaudeville and radio stars (Sophie Tucker, Eddie Cantor); and today's cabaret artists and hit-makers (Diana Krall, Michael Bublé). Friedwald has also written extended pieces on the most representative artists of five significant genres that lie outside the songbook: Bessie Smith (blues), Mahalia Jackson (gospel), Hank Williams (country and western), Elvis Presley (rock 'n' roll), and Bob Dylan (folk-rock). Friedwald reconsiders the personal stories and professional successes and failures of all these artists, their songs, and their performances, appraising both the singers and their music by balancing his opinions with those of fellow musicians, listeners, and critics. This magisterial reference book—ten years in the making—will delight and inform anyone with a passion for the iconic music of America, which continues to resonate throughout our popular culture.

**Why Beethoven Threw the Stew** Steven Isserlis.2012-11-15 In *Why Beethoven Threw the Stew*, renowned cellist Steven Isserlis sets out to pass on to children a wonderful gift given to him by his own cello teacher - the chance to people his own world with the great composers by getting to know them as friends. Witty and informative at the same time, Isserlis introduces us to six of his favourite composers: the sublime genius Bach, the quicksilver Mozart, Beethoven with his gruff humour, the shy Schumann, the prickly Brahms and that extraordinary split personality, Stravinsky. Isserlis brings the composers alive in an irresistible manner that can't fail to catch the attention of any child whose ear has been caught by any of the music described, or anyone entering the world of classical music for the first time. The lively black and white line illustrations provide a perfect accompaniment to the text, and make this book attractive and accessible for children to enjoy on their own or share with an adult.
