*Softball Journey* Greg Cruthers.2021-03-04 You only get one shot to help your daughter realize her dream to play college softball. Greg Cruthers will help you make the most of this time-limited opportunity; your daughter's Softball Journey. Inside Greg Cruthers Softball Journey you'll find: Greg and his daughter Hayley's Softball Journey experience from the youth league, through school softball, the emotional college recruiting process, the college years, and the end. All levels of the game: Recreational, School, Travel, and College Softball. Costs: The cost for travel softball is divided into two parts - the younger and the high school years. You'll learn how to save time and money by learning what is and is not necessary, how to avoid money wasting situations, and how to save money on travel expenses. He'll show you how to help your daughter get recruited, what works, what doesn't, templates for contacting college coaches, what camps to do and how to work them, what skills videos are and how to use them, and all about visits, offers, and commitments. Scholarships: The types of scholarships (academic, athletic, and others as well as preferred walk-on's, partial, and full-rides), the likelihood of receiving any, how they work, and to manage your

expectations. Tryouts: What tryouts are and the differences between school and travel softball tryouts, how to work tryouts, how to find a good team/club, how to handle failure and how to shine, and how to spot potential problems that you'll definitely want to stay clear from. Tournaments, Round Robins, and Friendlies: What they are, how they work, which one's matter, and the what the names mean - Exposure, Top 100, Premier, Invitational, etc. Coaches and Instructors: What the differences are between them, how to find quality instruction, how to determine whether your daughter is getting good instruction, and the costs. Parenting: Are you a helicopter parent? Do you coddle your baby girl? You'll learn what makes college coaches run away from your daughter, what Parent Goggles are, why you should avoid The Talks on the drives home, and the importance of your daughter taking breaks. Competition and Playing Time: You'll see how the two work together, why the philosophy of your daughter's coach matters, and why you should know it before accepting a spot on the team. College and beyond: You'll learn what to expect when your daughter heads to college, how your lives will change, what being a college softball player is really like, what it's like to be the parent of a college softball player, about medical issues, and changes in communication habits. Transferring to another College: You'll learn why player's transfer, about JUCO transfers, and the difficulty and process of transferring from an NCAA college to another. Life after Softball: You'll get a glimpse of what it's like for you and your daughter after the Softball Journey has ended. Make the most of your daughter's once in a lifetime opportunity with Greg Cruthers Softball Journey. *Squash Coaching Playbook* Westport Publishing.2019-09-30 If you're a Squash Coach - in school, college, your local community, for a work team or just with a bunch of friends, then this coaching playbook is just for you. *Chinese Americans* Jonathan H. X. Lee. 2015-11-12 This in-depth historical analysis highlights the enormous contributions of Chinese Americans to the professions, politics, and popular culture of America, from the 19th century through the present day. While the number of Chinese Americans has grown very rapidly in the last decade, this group has long thrived in the United States in spite of racism, discrimination, and segregation. This comprehensive volume takes a global view of the Chinese experience in the Americas. While the focus is on Chinese Americans in the United States, author Jonathan H. X. Lee also explores the experiences of Chinese immigrants in Canada, Mexico, and South America. He considers why the Chinese chose to leave their home country, where they settled, and how the distinctive Chinese American identity was formed. This volume is organized into four sections: historical overview; political and economic life; cultural and religious life; and literature, the arts, and popular culture. Detailed essays capture the essence of everyday life for this immigrant group as they assimilated, established communities, and interacted with other ethnic groups. Alphabetically arranged entries describe the political, social, and religious institutions begun by Chinese Americans and explores their roles as business owners, activists, and philanthropic benefactors for their communities.

*Women's College Softball on the Rise* Mark Allister.2019-03-29 Sidestepping the inflated egos and scandal that have infiltrated many men's sports, college female softball players exhibit power and grace on the field as well as camaraderie, high achievement and vulnerability off the field. This balance not only makes the game compelling to watch, but it also elevates women's softball as an aspirational model for other sports. Focusing on the 2018 season, this book explores gender performance and sexuality in softball, how the influx of money from the sport's growth has reshaped expectations of success, and traditional media coverage of women's sports.

SWAG 101 Rob Crews.2013-11-04 SWAG 101 by Rob Crews The trajectory of learning has changed, therefore the trajectory of teaching must change as well. Be innovative in player development. I love talking the game with Rob Crews, especially when you talk about hitters. The insight that Rob has given me when it comes down to his perspective on hitting has been very beneficial to me as a hitting coach. You are not going to find another hitting coach as passionate as Coach Crews. -TIM WALTON Head Coach, University of Florida Softball Rob breaks down teaching and learning not only for athletes but for the common everyday citizen. I recommend SWAG 101 to everyone interested in becoming more knowledgeable of the teaching and learning process no matter your

intelligence level. -ORV FRANCHUK Hitting Coach, Los Angeles Dodgers SWAG 101 teaches hitting and the mental game from a player's perspective. His innovative ideas and strategies are straight forward and keep the game simple. I'm proud to call Rob a teacher and a friend. -HOWARD DOBSON Hitting Coach LSU, Team USA Softball This book is an absolute must read for those players aspiring to reach the top level game! SWAG - the secret weapon all great hitters possess but are reluctant to share. -LAUREN GIBSON 2013 SEC Player of the Year, Team USA Softball Rob knows hitting and more importantly he knows hitters. In SWAG 101, hitters learn to know themselves through his teachings - perhaps the most critical piece to the performance puzzle. -KRIS HERMAN Head Coach, Williams College Softball The book does a great job of tying in the various components of learning and how important each aspect is to an athlete in their own development. Rob is world class when it comes to showing the countless ways there are for an athlete to improve - not just with the physical, but more importantly the mental facet. -MIKE STEUERWALD Head Coach, Chicago Bandits, NPF The bottom line is most athletes with great swings and great form, aren't even that good! So what makes them good? SWAG 101 is about Invisible Mechanics -the mechanics that we can't see. What goes on under the hood. Most of which precedes the swing. Its about perception. Organizing your thoughts. In this book, the author digs deeper into the athlete's operating system. Invisible Mechanics is the brain working together with the eyes to create a faster, more efficient response from the body. The COMPLETE GAME instructional model, as narrated by Rob Crews, combines mind/body research outlining and how effective teaching is continuing to evolve.

*The Ultimate Hitting Fundamentals, Techniques, and Strategy Guide* Gary E Barr.2020-11-26 Building Rome Series lays out a common-sense approach to creating a powerful and effective swing from the earliest ages and continuing through college level competition. The coach can relax and follow this cookbook for developing successful hitters. The first task for becoming a great hitter is to figure out what expert performers do that makes them so good. For sure, if you want exceptional results, you must look at the remarkable for guidance. To write Building the High-Level Swing, hundreds of slow-motion videos of college and professional hitters were analyzed in precise detail. The often intricate, interrelated, and varying movement patterns seen in the High-Level swing were broken down, frame by frame. Building Rome Series determines what, truly, is critical for maximizing performance (Universal) and what is a matter of style (Fit to Player). Building the High-Level Swing organizes the material logically based on the chain of energy, simplifies where possible, and presents information in a step-by-step manner best used for teaching. Even those with limited fastpitch softball or baseball background can follow along as each fundamental is functionally constructed. Building the High-Level Swing leaves no stone unturned about hitting a baseball or softball for power and high productivity. All commonly used techniques, as well as less common variations, are explored in detail. The player, coach, and parent will understand the pros and cons of the options and strategies available. Have fun building your customized hitting Rome!

*High-Scoring Softball* Ralph Weekly, Jr., Karen Weekly. 2012-04-10 Plain and simple, championship teams score runs. Their offenses are consistent, aggressive, opportunistic, and disciplined. They may manufacture runs or rely on the long ball, but they score early and often. And they win. High-Scoring Softball is the definitive guide for offensive play. The game's most successful coaching duo, Ralph and Karen Weekly, share the approach that has shaped some of the game's top scoring offenses and generated more than 1,700 career victories. Inside you'll find detailed instruction, advice, and coaching tips on mastering offensive fundamentals, such as baserunning, bunting, slap hitting, and hitting for power and average. You'll learn how to evaluate your team's talents, tendencies, and strengths and create a potent, offensive attack. And a detailed analysis of common game situations provides you with strategies and advice for capitalizing on every opportunity. Defense may win games, but only if you score. With High-Scoring Softball you will score and you will win. It will change the way you play the game.
