Robert Doisneau: The Vogue Years Robert Doisneau.2017-09-12 From high-society balls and fashion shoots to portraits of artists and scenes from urban life in France, this handsome volume—which features an open spine binding so that it lays flat to show off the photographs to their best advantage—showcases Doisneau’s best photographs for *Vogue Paris*. Celebrated photographer Robert Doisneau worked for *Vogue* from 1949 until 1965, illustrating a postwar France filled with a renewed zest for life. His little-known images of haute couture featured models like Brigitte Bardot and Bettina, who he photographed in the studio and out on the streets. He chronicled the members of the café society in their stately homes and at glamorous costume galas, dancing the night away. Best known for his humanist approach, he masterfully captured scenes from everyday life—from the grace of a wedding procession over a footbridge to the petulance of a child impatient for cake. Doisneau’s photographs captured the spirit of the era and featured celebrities like Karen Blixen, Picasso, Colette, and Jean Cocteau, as well as jazz musicians, movie stars, and humble craftsmen at work. Legendary *Vogue* editor in chief Edmonde Charles-Roux’s personal homage to the photographer—who was her friend and colleague—offers intimate insight into the man behind the camera, as complex and beautiful as the people and places he immortalized.

Tokyo and My Daughter Takashi Homma.2006 Tiré du site Internet de Nieves: *Tokyo And My Daughter* is the new book by acclaimed Tokyo based photographer Takashi Homma (1962), showing a series of 32 previously unpublished photographs taken over the last few years. Homma's photographs are said to have a special energy, lying in the detachment he can reach with the objects and people in front of his camera. In this new book, the Artist's very personal subject still seems to make no compromise to the disconnected way he registers what he sees through his lense. At first sight the viewer could be brought into imagining that Homma may perceive his daughter as just being part of the Tokyo urban landscape as all

the cars, houses and trees are ... Or is she just 'acting' as one of them, being exposed to the staring eye of her everyday spectator - her father -, like Tokyo's cars, houses and trees are to their inhabitants, she neither resist nor attempt to seduce the camera, but impassively returns his glances, even trying to become the spectator herself once. Takashi Homma's own I love my daughter very much. I love Tokyo very much. declaration is probably the key to reveal the connection between the graceful and intimate sequence of images depicting Homma's daughter and the city of Tokyo. With his incredible touch and distance he again creates a special world of his own, documenting his daughter from being a toddler to a young little girl through the everyday places in and around their life. This book is part of the Nieves Book Series with previous books by Kim Gordon, Mike Mills, Yukari Miyagi and Stefan Marx. A special edition of 50 copies with a numbered and signed original print is available.

Ninth Street Women Mary Gabriel.2018-09-25 Five women revolutionize the modern art world in postwar America in this gratifying, generous, and lush true story from a National Book Award and Pulitzer Prize finalist (Jennifer Szalai, New York Times). Set amid the most turbulent social and political period of modern times, Ninth Street Women is the impassioned, wild, sometimes tragic, always exhilarating chronicle of five women who dared to enter the male-dominated world of twentieth-century abstract painting -- not as muses but as artists. From their cold-water lofts, where they worked, drank, fought, and loved, these pioneers burst open the door to the art world for themselves and countless others to come. Gutsy and indomitable, Lee Krasner was a hell-raising leader among artists long before she became part of the modern art world's first celebrity couple by marrying Jackson Pollock. Elaine de Kooning, whose brilliant mind and peerless charm made her the emotional center of the New York School, used her work and words to build a bridge between the avant-garde and a public that scorned abstract art as a hoax. Grace Hartigan fearlessly abandoned life as a New Jersey housewife and mother to achieve stardom as one of the boldest painters of her generation. Joan Mitchell, whose notoriously tough exterior shielded a vulnerable artist within, escaped a privileged but emotionally damaging Chicago childhood to translate her fierce vision into magnificent canvases. And Helen Frankenthaler, the beautiful daughter of a prominent New York family, chose the difficult path of the creative life. Her gamble paid off: At twenty-three she created a work so original it launched a new school of painting. These women changed American art and

society, tearing up the prevailing social code and replacing it with a doctrine of liberation. In *Ninth Street Women*, acclaimed author Mary Gabriel tells a remarkable and inspiring story of the power of art and artists in shaping not just postwar America but the future.

Hilma Af Klint David Lomas, Pascal Rousseau, Helmut Zander, Hilma af Klint. 2013 Hilma af Klint (1862-1944), an artist whose work is still far too unknown to a wider public, eschewed representational painting as early as 1906. Between 1906 and 1915 she produced nearly two hundred abstract paintings, some of which are in monumental formats. Like Wassily Kandinsky, Piet Mondrian, and Kazimir Malevich, who have previously been regarded as the main protagonists of abstract art, Hilma af Klint was influenced by contemporary spiritual movements, such as spiritism, theosophy, and anthroposophy. Her multifaceted imagery strives to provide insight into the different dimensions of existence, where microcosm and macrocosm reflect one another. Hilma af Klint left more than one thousand paintings, watercolors, and sketches. This publication presents her most important abstract works as well as paintings and works on paper that have never before been seen in public, enhancing our understanding of her oeuvre.
