Opens with a bang and keeps exploding for three hundred pages. —David Baldacci, New York Times bestselling author of *A Minute to Midnight* In this electrifying thriller from the author of *The Night Agent* now on Netflix, a former Secret Service agent who is framed and on the run discovers how far some men will go to grasp the highest office in the land—a propulsive political thriller reminiscent of the best early Baldacci and Grisham novels. As a Secret Service agent, Nick Averose spent a decade protecting the most powerful men and women in America and developed a unique gift: the ability to think like an assassin. He is a mock killer, capable of slipping past even the best defenses. His latest assignment is to assess the security surrounding the former CIA director at his DC area home. But soon after he breaches the man’s study, the home’s inner sanctum, Nick finds himself entangled in a vicious crime that will shake Washington to its foundations—as all the evidence points to Nick. Nick knows he’s the perfect scapegoat. But who is framing him, and why? To clear his name, he must find the truth—a search that leads to a dark conspiracy whose roots stretch back decades. The prize is the most powerful position in the world: the Oval Office. Theme Music T. Marie Vandelly.2020-09-29 “If you've been looking for your newest horror obsession after *The Haunting of Hill House*, read this one next.”—BuzzFeed She didn't run from her dark past. She moved in. For the lucky among us, life is what you make of it; but for Dixie Wheeler, the theme music for her story was chosen by another long ago, on the day her father butchered her mother and brothers and then slashed a knife across his own throat. Only one-year-old Dixie was spared, becoming infamously known as Baby Blue for the song left playing in the aftermath of the slaughter. Twenty-five years later, Dixie is still desperate for a connection to the family she can't remember. So when her childhood home goes up for sale, Dixie sets aside all reason and moves in. But as the ghosts of her family seemingly begin to take up residence in the house that was once theirs, Dixie starts to question her sanity and wonders if the evil force menacing her is that of her father or a demon of her own making. In order to make sense of her present, Dixie becomes determined to unravel the truth of her past and seeks out the detective who originally investigated the murders. But the more she learns, the more she opens up the uncomfortable possibility that the sins of her father may belong to another. As bodies begin to pile up around her, Dixie must find a way to expose the lunacy behind her family's massacre to save her few loved ones who are still alive—and whatever scrap of sanity she has left.

Craig. 2022-06-28 THE INSTANT NEW YORK TIMES BESTSELLER • From the critically-acclaimed author of *House of Salt and Sorrows* comes a mesmerizing and chilling fairy-talesque novel about Ellerie Downing, a young woman in a small town with monsters lurking in the trees and dark desires hidden in the shadows—in Amity Falls, nothing is more dangerous than a wish come true. Unique, enchanting, and haunting.—Brigid Kemmerer, New York Times bestselling author of the *Cursebreaker* series “Sweet, dark, and complex as wildflower honey.”—Hannah Whitten, New York Times bestselling author of *For the Wolf* “*Small Favors* is an eerie fairytale that I couldn’t put down.”—Alexis Henderson, author of *The Year of the Witching* Ellerie Downing is waiting for something to happen. Her days are filled with tending to her family's beehives, chasing after her sisters, and dreaming of bigger things while her twin, Samuel, is free to roam as he wishes. Early town settlers fought off monstrous creatures in the woods, and whispers that the creatures still exist keep the Downings and their neighbors from venturing too far. When some townsfolk go missing on a trip to fetch supplies, a heavy unease settles over the Falls. Strange activities begin to plague the town, and as the seasons change, it's clear that something is terribly wrong. The creatures are real, and they're offering to fulfill the residents' deepest desires, however grand, for

just a small favor. These seemingly trifling demands, however, hide sinister intentions. Soon Ellerie finds herself in a race against time to stop Amity Falls, her family, and the boy she loves from going up in flames.

But this knowledge is about to get him in a whole heap of trouble, as a trash-talking, flesh construct bounty hunter is on his tail and looking to sell him to the highest bidder. And being able to describe the mating habits of Brazilian bark lice won't be enough to get him out of it.
