Wild at Heart John Eldredge.2011-03-22 John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a nice guy. It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free. **Selling 'em by the Sack** David G. Hogan.1999-11 This history of the White Castle chain tells a truly American success story (of) luck and hard work working behind one man to create an industry so pervasive that today it's an integral part of American pop culture (Publishers Weekly). 23 illustrations.

Full of Heart J.R. Martinez.2012-10-30 An inspirational journey from tragedy to triumph In 2003, nineteen-year-old Private J.R. Martinez was on a routine patrol when the Humvee he was driving hit an antitank mine in Iraq, resulting in severe injuries and burns on his face and more than one-third of his body. Out of that tragedy came an improbable journey of inspiration, motivation, and dreams come true. In *Full of Heart*, Martinez shares his story in intimate detail, from his upbringing in the American South and his time in the Army to his recovery and the indomitable spirit that has made him an inspiration to countless fans. J.R. Martinez always had a strong spirit. Raised in Bossier City, Louisiana, and then Hope, Arkansas, by a single mother from El Salvador, he was well known at school for his good looks and his smart mouth. At seventeen, showing an early determination and drive that would become one of his trademark qualities, J.R. convinced his mom to move to Dalton, Georgia, where he believed he would have a better chance of being recruited to play college football. His positive attitude earned him a spot on a competitive high school football squad, but when his college dreams collapsed, he turned to the U.S. Army. A few months later, he found himself serving in Iraq. When J.R.'s humvee hit a mine and exploded—just one month into his deployment—he was immediately evacuated to a San Antonio medical center, where he spent the next thirty-four months in grueling recovery. Seeing his disfigured face for the first time after the accident threw him into a crushing period of confusion and anger. His spirits were low, until he was asked to speak to another young burn victim. J.R. realized how valuable and gratifying it was to share his experiences with other patients and listen to theirs. He'd found a calling. His fellow soldiers, along with the local and then national media, soon latched onto J.R.'s spirit and strength. His resilience, optimism, and charm were also noted by Hollywood and scored him roles on *All My Children* and *Dancing with the Stars*, where he was the season thirteen champion. Today, J.R. tours the country sharing his story and his lessons for overcoming challenges and embracing hope, lessons that abound in this book. *Full of Heart* is an unforgettable story of a man who never gave up on his dreams. After being injured in Iraq, J.R. Martinez became a motivational speaker, actor, and winner of season thirteen of *Dancing with the Stars*. Martinez lives in Los Angeles

Ten Restaurants That Changed America Paul Freedman.2016-09-20 Featuring a new chapter on ten restaurants changing America today, a "fascinating . . . sweep through centuries of food culture" (Washington Post). Combining an historian's rigor with a food enthusiast's palate, Paul Freedman's seminal and highly entertaining *Ten Restaurants That Changed America* reveals how the history of our restaurants reflects nothing less than the history of America itself. Whether charting the rise of our love affair with Chinese food through San Francisco's fabled Mandarin; evoking the poignant nostalgia of Howard Johnson's, the beloved roadside chain that foreshadowed the pandemic of McDonald's; or chronicling the convivial lunchtime crowd at Schrafft's, the first dining establishment to cater to women's tastes, Freedman uses each restaurant to reveal a wider story of race and class, immigration and assimilation. "As much about the contradictions and contrasts in this country as it is about its places to eat" (The New Yorker), *Ten Restaurants That Changed America* is a "must-read" (Eater) that proves "essential for anyone who cares about where they go to dinner" (Wall Street Journal Magazine).

Travels with Charley in Search of America John Steinbeck.1997-04-01 An intimate journey across America, as told by one of its most beloved writers A Penguin Classic In September 1960, John Steinbeck embarked on a journey across America. He felt that he might have lost touch with the country, with its speech, the smell of its grass and trees, its color and quality of light, the pulse of its people. To reassure himself, he set out on a voyage of rediscovery of the American identity, accompanied by a distinguished French poodle named Charley; and riding in a three-quarter-ton pickup truck named Rocinante. His course took him through almost forty states: northward from Long Island to Maine; through the Midwest to Chicago; onward by way of Minnesota, North Dakota, Montana (with which he fell in love), and Idaho to Seattle, south to San Francisco and his birthplace, Salinas; eastward through the Mojave, New Mexico, Arizona, to the vast hospitality of Texas, to New Orleans and a shocking drama of desegregation; finally, on the last leg, through Alabama, Virginia, Pennsylvania, and New Jersey to New York. *Travels with Charley in Search of America* is an intimate look at one of America's most beloved writers in the later years of his life—a self-portrait of a man who never wrote an explicit autobiography. Written during a time of upheaval and racial tension in the South—which Steinbeck witnessed firsthand—*Travels with Charley* is a stunning evocation of America on the eve of a tumultuous decade. This Penguin Classics edition includes an introduction by Jay Parini. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. The Road Cormac McCarthy.2007-03-20 WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The

Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, each the other's world entire, are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Drive Kate Stewart.2017-10-13 Music . . . the heart's greatest librarian. The average song is three and a half minutes long; those three and a half minutes could lead to a slow blink, a glimpse of the past, or catapult the soul into heart-shattering nostalgia. At the height of my career, I had the life I wanted, the life I'd always envisioned. I'd found my tempo, my rhythm. Then I received a phone call that left me off key. You see, my favorite songs had a way of playing simultaneously. I was in love with one man's beats and another's lyrics. But when it came to the soundtrack of a life, how could anyone choose a favorite song? So, to erase any doubt, I ditched my first-class ticket and decided to take a drive, fixed on the rearview. Two days. One playlist. And the long road home to the man who was waiting for me.

When We Get to Surf City Bob Greene. 2008-05-13 In a dazzling and exhilarating display of narrative on-the-road reporting, award-winning journalist and New York Times bestselling author Bob Greene takes readers on an unforgettable American journey of music, memories, and universal longing. Running away to join the circus is a dream we're told to put away once we're no longer young. But, as Bob Greene writes, just when in our lives we give up on capturing the freedom and bright mornings of our world when it was new, sometimes something happens to keep the sun high in the sky a while longer. Sometimes we find something we weren't even aware we were looking for. For fifteen years beginning in the 1990s, Greene stepped into a universe that, out in the country every summer night, is hiding in plain sight: the touring world of the great early rock bands who gave America the car-radio and jukebox music it still loves best. Singing backup with the legendary Jan and Dean as they endlessly crisscross the nation, Greene takes us to football stadiums and minor-league ballparks, to no-name ice cream stands and midnight diners, to back roads and carnival midways as he tells a riveting story of great fame and lingering sorrow, of unexpected friendship and lasting dreams, of the things that keep us going in the face of all the things that threaten to stop us. Striking chords of recognition and yearning, *When We Get to Surf City* glistens with cameos by the men and women with whom Greene traveled the United States on his deliriously unlikely journey, including Chuck Berry, Martha and the Vandellas, the Everly Brothers, Jerry Lee Lewis, the Beach Boys, the Monkees, the Kingsmen, James Brown, Lesley Gore, the Drifters, Little Eva, and the Coasters. All of them—not just the people on the stage, but the people in the audiences, too—are seeking their private versions of the mythical destination Jan and Dean came up with all those years ago: Surf City as the perfect, cloudless place we all believe is out there, if only we can find it. Hilarious and heartbreaking, moving and brilliant, this is the trip of a lifetime, a travelogue of the heart, accompanied by a thundering guitar chorus of Fender Stratocasters. It is a story destined to touch readers not just today, but for generations to come, as long as the music itself echoes.

It's easier than you think, and it all starts right here, right now. This guide is witty, warm, and wise--and wonderfully down-to-earth as well. Elizabeth Sims doesn't just tell you that you've got a book in you, she shows you how to pour it out using your own creative spirit, common sense, and persistence. ~Lori L. Lake, author of *The Gun Series* and *The Public Eye Mystery Series* If you're searching for the spark of inspiration to get started writing a book, and the nourishment to sustain you to THE END, Elizabeth Sims's *You've Got a Book in You* will show you how to find it in yourself. ~Hallie Ephron, award-winning author of *There Was an Old Woman* You won't find an easier-to-follow or more inspirational writing guide. ~L.J. Sellers, author of the bestselling Jackson mysteries By focusing the high beams of her intelligence (and humor!) on the twisty trail of book-writing, in *You've Got a Book in You*, Elizabeth Sims proves herself a true writer's friend. As she guides you from the creation of a working title through her (brilliant!) Making-It-Better Process, this well-established pro plays her most impressive cards--stacking the deck in favor of YOU! ~Jamie Morris, Director, Woodstream Writers Elizabeth Sims packs a twelve-week writing course into 280 pages. Inspirational and yet extremely hands-on, *You've Got a Book In You* will give newbies confidence to forge ahead and will remind veteran writers why they began writing in the first place--for the joy of it. I won't be surprised when the brilliant terms 'stormwriting' and 'heartbrain' become part of every writer's lexicon. ~Julie Compton, author of *Tell No Lies and Keep No Secrets* The book is encouraging and inspiring, practical and witty. As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? 'Excuse, me, but I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer. ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University

Winners Dream Bill McDermott.2014-10-14 A leadership and career manifesto told through the narrative of one of today's most inspiring, admired, and successful global leaders. In *Winners Dream*, Bill McDermott—the CEO of the world's largest business software company, SAP—chronicles how relentless optimism, hard work, and disciplined execution embolden people and equip organizations to achieve audacious goals. Growing up in working-class Long Island, a sixteen-year-old Bill traded three hourly wage jobs to buy a small deli, which he ran by instinctively applying ideas that would be the seeds for his future success. After paying for and graduating college, Bill talked his way into a job selling copiers door-to-door for Xerox, where he went on to rank number one in every sales position he held and eventually became the company's youngest-ever corporate officer. Eventually, Bill left Xerox and in 2002 became the unlikely president of SAP's flailing American business unit. There, he injected enthusiasm and accountability into the demoralized culture by scaling his deli, sales, and management strategies. In 2010, Bill was named co-CEO, and in May 2014 became SAP's sole, and first non-European, CEO. Colorful and fast-paced, Bill's anecdotes contain effective takeaways: gutsy career moves; empathetic sales strategies; incentives that yield exceptional team performance; and proof of the competitive advantages of optimism and hard work. At the heart of Bill's story is a blueprint for success and the knowledge that the real dream is the journey, not a preconceived destination.

We Are What We Eat Alice Waters.2022-06-07 From chef and food activist Alice Waters, an impassioned plea for a radical reconsideration of the way each and every one of us cooks and eats In *We Are What We Eat*, Alice Waters urges us to take up the mantle of slow food culture, the philosophy at the core of her life's work. When Waters first opened *Chez Panisse* in 1971, she did so with the intention of feeding people good food during a time of political turmoil. Customers responded to the locally sourced organic ingredients, to the dishes made by hand, and to the welcoming hospitality that infused the small space—human qualities that were disappearing from a country increasingly seduced by takeout, frozen dinners, and prepackaged ingredients. Waters came to see that the phenomenon of fast food culture, which prioritized cheapness, availability, and speed, was not only ruining our health, but also dehumanizing the ways we live and relate to one another. Over years of working with regional farmers, Waters and her partners learned how geography and seasonal fluctuations affect the ingredients on the menu, as well as about the dangers of pesticides, the plight of fieldworkers, and the social, economic, and environmental threats posed by industrial farming and food distribution. So many of the serious problems we face in the world today—from illness, to social unrest, to economic disparity, and environmental degradation—are all, at their core, connected to food. Fortunately, there is an antidote. Waters argues that by eating in a “slow food way,” each of us—like the community around her restaurant—can be empowered to prioritize and nurture a different kind of culture, one that champions values such as biodiversity, seasonality, stewardship, and pleasure in work. This is a declaration of action against fast food values, and a working theory about what we can do to change the course. As Waters makes clear, every decision we make about what we put in our mouths affects not only our bodies but also the world at large—our families, our communities, and our environment. We have the power to choose what we eat, and we have the potential for individual and global transformation—simply by shifting our relationship to food. All it takes is a taste.

Named a *Loan Stars* Top Ten Pick and a CBC Canadian Fiction title to watch. *Rakhi* is a twenty-three-year-old former street child haunted by the grisly aftermath of an incident that led her to lose her best friend eleven years ago. Constantly reminded she doesn't belong, *Rakhi* lives alone in a Mumbai slum, working as a lowly office assistant at *Justice For All*, a struggling human rights law office headed by the renowned lawyer who gave her a fresh start. Fiercely intelligent and in possession of a sharp wit and an even sharper tongue, *Rakhi* is nobody's fool, even if she is underestimated by everyone around her. *Rakhi's* life isn't much, but she's managing. That is until a fading former Bollywood starlet tries to edge her way back into the spotlight by becoming a celebrity ambassador for *Justice For All*. Steering the organization into uncharted territories, she demands an internship for her young Canadian family friend, Alex, a Harvard-bound graduate student. Ambitious, persistent, and naive, Alex persuades *Rakhi* to show him the real India. In exchange, he'll do something to further *Rakhi's* dreams in a transaction that seems harmless, at first. As old guilt and new aspirations collide, everything *Rakhi* once knew to be true is set ablaze. And as the stakes mount, she will come face to face with the difficult choices and moral compromises that people are prepared to make in order to survive, no matter the costs.
