She and her friends were gaining more skills and experience doing what they loved best. Ares was bonus eye candy for Harm, along with fitting in well with her crew. The handsome warrior has also proven he has talents he shouldn't possess, given his harrowing past. Omen made a deal with his young employees and so far, he wasn't living up to his end of their bargain. They needed him to find the creature who'd altered Ares, but it wasn't going to be easy to force him to cooperate. Now that he knows they have combat skills, she's worried he'll try to turn them into his personal assassins. Harmoni and Ares have a close connection, being the only two of their kind in the entire world. Their bond will be strengthened when they discover a magical artifact. While it will bring them closer together, it could also endanger Harm. They will need to weigh their desire for each other against the threat it could pose to Harmoni.

John Muir's Last Journey John Muir.2004-01-01 I am now writing up some notes, but when they will be ready for publication I do not know... It will be a long time before anything is arranged in book form. These words of John Muir, written in June 1912 to a friend, proved prophetic. The journals and notes to which the great naturalist and environmental figure was referring have languished, unpublished and virtually untouched, for nearly a century. Until now. Here edited and published for the first time, John Muir's travel journals from 1911-12, along with his associated correspondence, finally allow us to read in his own words the remarkable story of John Muir's last great journey. Leaving from Brooklyn, New York, in August 1911, John Muir, at the age of seventy-three and traveling alone, embarked on an eight-month, 40,000-mile voyage to South America and Africa. The 1911-12 journals and correspondence reproduced in this volume allow us to travel with him up the great Amazon, into the jungles of southern Brazil, to snowline in the Andes, through southern and central Africa to the headwaters of the Nile, and across six oceans and seas in order to reach the rare forests he had so long wished to study. Although this epic journey has received almost no attention from the many commentators on Muir's work, Muir himself considered it among the most important of his life and the fulfillment of a decades-long dream. *John Muir's Last Journey* provides a rare glimpse of a Muir whose interests as a naturalist, traveler, and conservationist extended well beyond the mountains of California. It also helps us to see John Muir as a different kind of hero, one whose endurance and intellectual curiosity carried him into far fields of adventure even as he aged, and as a private person and family man with genuine affections, ambitions, and fears, not just an iconic representative of American wilderness. With an introduction that sets Muir's trip in the context of his life and work, along with chapter introductions and a wealth of explanatory notes, the book adds important dimensions to our appreciation of one of America's greatest environmentalists. *John Muir's Last Journey* is a must reading for students and scholars of environmental history, American literature, natural history, and related fields, as well as for naturalists and armchair travelers everywhere.

Reborn on the Run Catra Corbett.2018-05-15 This is a story you'll love and never forget.—Christopher McDougall, author, *Born to Run* and *Natural Born Heroes* Aside from her rock star looks, Catra Corbett is a standout in the running world on her accomplishments alone. Catra is the first American woman to run over one hundred miles or more on more than one hundred occasions and the first to run one hundred and two hundred miles in the Ohlone Wilderness, and she holds the fastest known double time for the 425-miles long John Muir Trail, completing it in twelve days, four hours, and fifty-seven minutes. And, unbelievably, she's also a former meth addict. After two years of addiction, Catra is busted while selling, and a night in jail is enough to set her straight. She gives up drugs and moves back home with her mother, abandoning her friends, her boyfriend, and the lifestyle that she came to depend on. Her only clean friend pushes her to train for a 10K with him, and surprisingly, she likes it—and decides to run her first marathon after that. In *Reborn on the Run*, the reader keeps pace with Catra as she runs through difficult terrain and extreme weather, is stalked by animals in the wilderness, and nearly dies on a training run but continues on, smashing running records and becoming one of the world's best ultrarunners. Along the way she attempts suicide, loses loved ones, falls in love, has her heartbroken, meets lifelong friends including her running partner and dachshund TruMan, and finally faces the past that led to her addiction.

Finding My Voice Valerie Jarrett.2019-04-02 A NEW YORK TIMES BESTSELLER Finalist for the NAACP Image Award for Outstanding Literary Work Valerie has been one of Barack and my closest confidantes for decades... the world would feel a lot better if there were more people like Valerie blazing the trail for the rest of us.--Michelle Obama The ultimate Obama insider (*The New York Times*) and longest-serving senior advisor in the Obama White House shares her journey as a daughter, mother, lawyer, business leader, public servant, and leader in government at a historic moment in American history. When Valerie Jarrett interviewed a promising young lawyer named Michelle Robinson in July 1991 for a job in Chicago city government, neither knew that it was the first step on a path that would end in the White House. Jarrett soon became Michelle and Barack Obama's trusted personal adviser and family confidante; in the White House, she was known as the one who got him and helped him engage his public life. Jarrett joined the White House team on January 20, 2009 and departed with the First Family on January 20, 2017, and she was in the room--in the Oval Office, on Air Force One, and everywhere else--when it all happened. No one has as intimate a view of the Obama Years, nor one that reaches back as many decades, as Jarrett shares in *Finding My Voice*. Born in Iran (where her father, a doctor, sought a better job than he could find in segregated America), Jarrett grew up in Chicago in the 60s as racial and gender barriers were being challenged. A single mother stagnating in corporate law, she found her voice in Harold Washington's

historic administration, where she began a remarkable journey, ultimately becoming one of the most visible and influential African-American women of the twenty-first century. From her work ensuring equality for women and girls, advancing civil rights, reforming our criminal justice system, and improving the lives of working families, to the real stories behind some of the most stirring moments of the Obama presidency, Jarrett shares her forthright, optimistic perspective on the importance of leadership and the responsibilities of citizenship in the twenty-first century, inspiring readers to lift their own voices.
