Ziyarats and Weekday Prayers .

As-Sahifa Al-Kamilah Al-Sajjadiyya (the Psalms of Islam) Imam Zain Ul Abideen. 2017-05-27

This book is one of the many Islamic publications distributed by Mustafa Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Mustafa Organization is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!

Fatima (Sa) the Gracious Abu Muhammad Ordoni. 2013-12 This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. You may read this book carefully and should you be interested to have further study on such publications you can contact us through www.shia.es Naturally, if we find you to be a keen and energetic reader we shall give you a

deserving response in sending you some other publications of this Organization.

Sufism and the 'Modern' in Islam Martin Van Bruinessen, Julia Day Howell. 2013-03-19 Sufism has not only survived into the twenty-first century but has experienced a significant resurgence throughout the Muslim world. *Sufism and the 'Modern' in Islam* offers refreshing new perspectives on this phenomenon, demonstrating surprising connections between Sufism and Muslim reformist currents, and the vital presence of Sufi ideas and practices in all spheres of life. Contrary to earlier theories of the modernization of Muslim societies, Sufi influence on the political, economic and intellectual life of contemporary Muslim societies has been considerable. Although less noticed than the resurgence of radical Islam, Sufi orders and related movements involve considerably larger numbers of followers, even among the modern urban middle classes. This innovative study brings together new comparative and interdisciplinary research to show how Sufis have responded to modernization and globalization and how various currents of Islamic reform and Sufism have interacted. Offering fascinating new insights into the pervasive Sufi influence on modern Islamic religiosity and contemporary political and economic life, this book raises important questions about Islam in the age of urbanism and mass communications.

A Shi'ite Anthology William C. Chittick. 1981-01-01 Created by the Prophet Muhammad and his twelve Imams, the Hadith is an ancient and profoundly influential body of religious texts in Shi'ite Muslim literature, second in importance only to the Holy Koran itself. Texts on the practical aspects of life and pure metaphysics are included in this first English translations of excerpts from the Hadith. Especially selected for the Western reader by the renowned Islamic scholar Tabataba'i, the passages from the Hadith shed light on the culture, history, law, and theology of the Shi'ite community and provide direct translations of some of the most famous of Islamic prayers.

Seeking the Absolute .

The Position of Women from the Viewpoint of Imam Khomeini Ruhollah Khomeini.2001

Essence of Life Allamah Muhammad Baqir al-Majlisi.2015-01-24 Ain al-Hayat

Al Sahifa E Alaviya Ali Ibn Ali Ibn Abi Talib (as).2017-10-24 Sahifa by Maula-e-kainaat Hazrat Ali ibn abi Talib (as). Beautiful invocation - supplication recited by Imam Ali (as)

Islamic medical wisdom Andrew J. Newman.2001-02 According to Fiqh E Jaferia..... Islamic Medical Wisdom - The Tibb al-A'imma by Imam Ali ibn Abu Talib (as) (Author), Andrew J. Newman (Editor), Batool Ispahany (Translator) The present is the first English translation of a text in the Twelver Shi'i prophetic medical tradition. As such it will prove of both interest and importance to specialists and non-specialists alike. The former include those pursuing study of various aspects of Islamic history and civilization in general and especially students of the history of Islamic medicine. The latter include both those wishing greater awareness of the Twelver Shi'i faith and heritage in general, and those desirous of greater familiarity with practical dimensions of the faith in particular. For these audiences a fuller appreciation of this text is perhaps best achieved by some discussion of the place of the prophetic medical tradition within the context of the history of Islamic medicine. Western-language scholars have generally defined Islamic medicine as composed of two distinct and dichotomous traditions, pre-Islamic Galenic medicine and prophetic medicine. Galenic medicine is understood to have become available to Islamic medical writers and practitioners as Greek scientific texts were translated into Arabic, beginning especially in Baghdad In the early 3rd/9th century. Supported by the Abbasid caliphs and other wealthy benefactors, over the next two hundred years the translation movement made much of Greek philosophy and science available in Arabic, the lingua franca of Islamic civilization. The Imams of the Ahl al-Bayt, peace be upon them, were as

concerned with treating the body as they were with treating the soul, and their regard for the soundness of the body was similar to their regard for the refinement of the soul. They were physicians of the soul and the body, and Muslims would consult them for their physical illnesses as they would for curing their spiritual sicknesses. This collection of Hadith is ample evidence of that. The Imams, peace be upon them, were not merely conveyors of religious regulations and legislation, but were leaders committed to caring for the Muslims, equally concerned-if such a term is correct-with the health of their bodies and their beliefs, such that they encouraged the learning of medicine (al-tibb). In his comprehensive statement on the divisions of knowledge, 'Ali b. Abu Talib (d. 40/661) Amir al-Mu'minin, peace be upon him, combined it [medicine] with the knowledge of jurisprudence (al-fiqh), saying: 'There are four kinds of knowledge: jurisprudence for religions, medicine for bodies, grammar for languages, and [study of] the stars to recognize the seasons. Much has been related from the Imams in collections [of Hadith] on medicine and preserving good health, just as there are more descriptions of various remedies related from them. Here for the reader are a small number of their sayings which are general rules for preserving health and physical well-being.

Islamic Prayers Voulme II .

Thursday Night and Friday Duas .

Say What Your Longing Heart Desires Niloofar Haeri.2020-11-10 Following the 1979 revolution, the Iranian government set out to Islamize society. Muslim piety had to be visible, in personal appearance and in action. Iranians were told to pray, fast, and attend mosques to be true Muslims. The revolution turned questions of what it means to be a true Muslim into a matter of public debate, taken up widely outside the exclusive realm of male clerics and intellectuals. Say What Your Longing Heart Desires offers an elegant ethnography of these debates among a group of educated, middle-

class women whose voices are often muted in studies of Islam. Niloofar Haeri follows them in their daily lives as they engage with the classical poetry of Rumi, Hafez, and Saadi, illuminating a long-standing mutual inspiration between prayer and poetry. She recounts how different forms of prayer may transform into dialogues with God, and, in turn, Haeri illuminates the ways in which believers draw on prayer and ritual acts as the emotional and intellectual material through which they think, deliberate, and debate.

Qalbe Saleem - Immaculate Conscience Ayatullah Dastghaib Ayatullah Dastghaib Shirazi.2017-10-10 An elaborate text that describes extensively the sins and diseases of the heart, as seen through the light of the Qur'an and the narrations (ahadith) of the Ahlulbayt ('a).

God's Word, Man's Interpretations Abdur Raheem Kidwai.2018 God's Word, Man's Interpretations: A Critical Study of the 21st Century English Translations of the Quran evaluates the relative strengths and weaknesses of 30 English translations of the Quran which have come out recently, between 2000 and 2017. This assessment of the Quranic scholarship adumbrates several issues: translatability of the Word of God, translators' ideological presuppositions and intrusions, the need and relevance of the English translation and the growing trends and changes in the field to which both Muslim and non-Muslim scholars alike have vigorously contributed. It also points out how the field of English translation of the Quran now serves as a new site for forging interfaith relations.

Emergent Religious Pluralisms Jan-Jonathan Bock,John Fahy,Samuel Everett.2020-10-22 In a rapidly changing world, in which religious identities emerge as crucial fault lines in political and public discourse, this volume brings together multiple disciplinary perspectives in order to investigate shifting conceptions of, and commitments to, the ideals of religious pluralism. Spanning

theology, sociology, politics and anthropology, the chapters explore various approaches to coexistence, political visions of managing diversity and lived experiences of multireligiosity, in order to examine how modes of religious pluralism are being constructed and contested in different parts of the world. Contributing authors analyse challenges to religious pluralism, as well as innovative kinds of conviviality, that produce meaningful engagements with diversity and shared community life across different social, political and economic settings. This book will be relevant to scholars of religion, community life, social change and politics, and will also be of interest to civil society organisations, NGOs, international agencies and local, regional and national policymakers.

The Struggle of the Shi'is in Indonesia Zulkifli.2013-11-06 The Struggle of the Shi'is in Indonesia is a pioneering work. It is the first comprehensive scholarly examination in English of the development of Shiism in Indonesia. It focuses primarily on the important period between 1979 and 2004 - a period of nearly a quarter of a century that saw the notable dissemination of Shi'i ideas and a considerable expansion of the number of Shi'i adherents in Indonesia. Since Islam in Indonesia is overwhelmingly Sunni, this development of Shiism in a predominantly Sunni context is a remarkable phenomenon that calls for careful, critical investigation. There is also an important examination of the principal ideas underlying the Madhab Ahl al-Bayt, the Imamate and Imam Madhi, Ja'fari jurisprudence and ritual piety. Appropriately, in his discussion, Zulkifli provides a succinct outline of contrasts with Sunni ideas and practice. He also examines the publishing efforts that underpinned the dissemination of Shi'i ideas and the founding of IJABI (Ikatan Jamaah Ahlul Bait Indonesia) in July 2000 for the propagation of Ahl al-Bayt teachings. Given the Indonesian context, Zulkifli is also concerned with Sunni reactions to these Shi'i developments - a story that continues to unfold to the present. This book as a work of great value and significance for the continuing understanding of the

richness and complexity of Indonesian Islam.

The Secrets of Pilgrimage Ghazzāli.2009

Khomeini Baqer Moin.2015-03-31 The Ayatollah Khomeini was the most radical Muslim leader of this age. In transforming himself from a traditional Muslim theologian into the charismatic Iranian ruler who took on the world, Khomeini launched an Islamic revival movement that, with the collapse of communism, quickly evolved for some as the centre-piece in the pantheon of western demonology, and for others as the inspiration for spiritual and political rebirth. Whether viewed as a hero by his supporters or as a villain by his enemies, Khomeini was undoubtedly one of the seminal figures of the twentieth century, whose influence will extend some way into the new millennium. Baqer Moin here explores how and why this frail octogenarian, dressed in the traditional robes of a Muslim cleric, overthrew the secular Shah of Iran and became the spiritual leader of a new and militant Islamic regime. Still an enigma in the West, Khomeini transformed the Middle East and the world. But where did the man come from? What was his childhood and family background? What lay behind his implacable opposition to the Shah? What role did the turbulent events in Iran during his youth play in shaping Khomeini's political perceptions? What changed him from an obscure traditional theologian with mystical and poetic inclinations into a combative and highly vengeful radical? How will his vision of an international community of Muslims, a kind of Islamic Internationale, affect the Middle East? Drawing on many exclusive personal interviews with Khomeini's associates, on unpublished new materials and on the author's firsthand experience in Islamic seminaries, this biography provides a fascinating, well-documented and highly accessible analysis of the life and thought of one of the most controversial leaders of the late twentieth century.

Islamic Duas Volume II .

mafatih al jinan . The Translator's Preface Among the religious traditions of mankind the Shi'ah tradition within Islam is unmatched in its rich corpus of devotional texts (duci and ziyirah literature) handed down from the original teachers and leaders of the faith, the Prophet Muḥammad and the Imams of his family, the Ahl al-Bayt. This tradition begins with the Qur'in—its opening s'rah being an essential part of the Muslim ritual prayer (that is, Ḥaliḥ, as opposed to duci in the sense of supplication and petition-ary texts)—which, besides citing many prayers made by the former prophets, beginning with Adam, suggests several supplications for the devout. In accordance with the Qur'anic teaching, Islam views itself not as a novel and insular phenomenon in the religious history of mankind, but as the culminating link in a prophetic chain that began with Adam, the first man and recipient of Divine revelations, and, after a cataclysmic phase marked by the ministry of Noah, which signified the end of an era and beginning of a new, culminated in the figure of Abraham, whom the Qur'in describes as a follower of Noah...

Light Within Me Ayatullah Murtadha Mutahhari. 2015-11-09 Introduction to Irfan, stages of the spiritual journey, guidance and perfection, Interpretation of Sura al-Hamd, and the Invocation of Sha'baniyah. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (www.shia.es) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Islamic Prayers .

Islamic Images and Ideas John Andrew Morrow.2013-11-11 These 24 studies on specific symbols, images and icons from the Muslim tradition are authored by scholars from around the world. Divided into four sections, the Divine, the Spiritual, the Physical, and the Societal, they examine theological issues, such as divine unity, creation, wrath, and justice, as well as spiritual subjects, such as the straight path, servitude, perfection, the jinn, intoxication, and the status of Fatimah, the daughter of the Prophet Muhammad. Essays also explore the symbolism of physical elements such as water, trees, seas, ships, food, the male sexual organ, eyebrows, and camels; and the significance of more socially-centered subjects such as the center, ijthihad, governance, otherness, Ashura, and Arabic. Drawing from the Qur'an and Sunnah, the essays address these topics with tact and respect from a position that appreciates exegetical diversity while remaining within the realm of unity.

applied.

The Meaning of the Holy Quran Abdullah Yusuf Ali. 2023 First published between 1934 and 1937 in instalments, Abdullah Yusuf Ali's Holy Quran: Text, Translation and Commentary is perhaps one of the most informed and authentic twentieth century English translations of the Quran with an inclusive language. Stressing the ethical and spiritual dimensions of the Quran and simultaneously using his deep linguistic and historical insights, Yusuf Ali, in his translation, tries to convey the universal message of the Quran by appealing to human reason, however, without going beyond any of the foundational belief systems of Islam. Tawasul International is devoted to building bridges of understanding between the world of Islam and the West, furthering interfaith dialogue, challenging islamophobia, sharing the peaceful message of Islam with others in an unobtrusive way, sponsoring both academic and public conferences on Islam, networking among scholars and other foundations that have got similar aims like Tawasul and publishing high quality books and monographs on Islam, Arab-Muslim culture and Islam's relationship with the West and Christianity, etc.

Mafatih al-Jinan: A Treasury of Islamic Piety Shaykh Abbas Qummi. 2021-05-21 This is a book of prayers and devotional observances. Among the religious traditions of humanity the Imami Shi'ah tradition within Islam is unmatched in its rich corpus of devotional texts (du'a and ziyarah literature) handed down from the original leaders of the faith, the Prophet Muhammad and the Imams of his family, the Ahl al-Bayt. The Mafatih al-Jinan is the most popular manual of Islamic devotional observances and prayer-texts by Shaykh Abbas Qummi, which draws its contents from well-known, reliable sources. As a manual of devotional literature, the Mafatih al-Jinan follows a long tradition established by the Misbah al-Mutahajjid of Shaykh Tusi (d. 460/1067) and followed up in the works of Sayyid Ibn Tawus (d. 664/1265), Kaf'ami (d. 905/1499) and others. Most of the contents of the

Mafatih are drawn from these earlier works. Since its publication, the Mafatih has enjoyed an uncontested popularity among Farsi-speaking Muslims, and its Arabic and Urdu versions are widely used by the devout in the Arab world and the Indian subcontinent.

Al-Sahif at Al-Kamilat Al-Sajjadiyya Zayn al-‘Ābidīn ‘Alī ibn al-Ḥusayn.1987

The Hereafter (Ma'ad) Ayatullah Sayyid Abdul Husayn Dastghaib Shirazi.2018-02-16 A detailed account of humanity's experience of death, and the stages beyond it, including the status in one's grave, Barzakh, the Day of Judgment (Qiyamah), and the final recourse in Heaven or Hell.

Lantern of the Path Imam Ja'Far Al-Sadiq.2015-11-11 A collection of Hadith by the 6th Imam on knowledge, behavior, remembrance, prayer, and fear of God.This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (www.shia.es) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. The Crucifix on Mecca's Front Porch David Pinault.2018-08-22 This book on Islam has an unusual perspective. It argues that a critically minded examination of Islam can help Christians achieve a

deeper appreciation of the unique truths of their own faith. It draws on the author's personal experiences living in Islamic countries and his fieldwork with persecuted Christian-minority communities, especially in Pakistan, Yemen, Egypt, and Indonesia. It includes the author's own original translations of Islamic texts in Arabic, Persian, and Urdu, as well as primary-source materials in Latin that were written by Christian participants in the Crusades. The author focuses on Muslim interactions with the Christian tradition. He examines and takes issue with the misguided approach of those Christians and Muslims who, in the interests of Christian-Muslim rapprochement, minimize theological differences between the two faiths, especially in the area of Christology. Such attempts at rapport, he writes, do a profound disservice to both religions. Illustrating the Muslim view of Christ with Islamic polemical texts from the eleventh to the twenty-first centuries, the author draws on Hans Urs von Balthasar, and other theologians of kenotic Christology, to show how Islamic condemnations of divine weakness and neediness can deepen our appreciation of what is most uniquely Christian in our vision of Jesus as God-made-man, who voluntarily experiences weakness, suffering, and death in solidarity with all human beings. Both timely and urgently needed, *The Crucifix on Mecca's Front Porch* invites readers to reflect on the stark differences between Christianity and Islam and to appreciate the uniqueness of the Christian faith.

Shi'i Reformation in Iran Ali Rahnema. 2016-03-03 Shi 'ism caught the attention of the world as Iran experienced her revolution in 1979 and was subsequently cast in the mold of a monolithic discourse of radical political Islam. The spokespersons of Shi'i Islam, in or out of power, have not been the sole representatives of the faith. Nonconformist and uncompromising, the Shi'i jurist and reformist Shari'at Sangelaji (1891-1944) challenged certain popular Shi'i beliefs and the mainstream clerical establishment, guarding and propagating it. In *Shi'i Reformation in Iran*, Ali Rahnema offers

a fresh understanding of Sangelaji's reformist discourse from a theological standpoint, and takes readers into the heart of the key religious debates in Iran in the 1940s. Exploring Sangelaji's life, theological position and disputations, Rahnema demonstrates that far from being change resistant, debates around why and how to reform the faith have long been at the heart of Shi'i Islam. Drawing on the writings and sermons of Sangelaji, as well as interviews with his son, the book provides a detailed and comprehensive introduction to the reformist's ideas. As such it offers scholars of religion and Middle Eastern politics alike a penetrating insight into the impact that these ideas have had on Shi'ism - an impact which is still felt today.

Istikhara Seeking the Best from Allah (SWT) Muhammad Baqir Haideri. 2015-11-17 A detail explanation of the true meaning of Istikhara & it's proper usage. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (www.shia.es) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi'a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought! Ziyarat and Prayers .

The Lights of Revelation and the Secrets of Interpretation Abd Allah Ibn Al-Baydawi.2016-07-17 This single volume contains the Arabic edition, English translation and notes by Dr. Gibril Fouad Haddad of 'Abd Allah b. 'Umar b. Muhammad b. 'Ali al-Baydawi's first hizb of Anwar al-Tanzil wa-Asrar al-Ta'wil (The Lights of Revelation and the Secrets of Interpretation). As a revised and improved version of al-Zamakhshari's landmark Tafsiral-Kashshaf, Anwar al-Tanzil contains the most concise analysis of the Quranic use of Arabic grammar and style to date and was viewed early on as a foremost demonstration of the Qur'an's essential and structural inimitability (i'jaz ma'nawi wa-lughawi) in Sunni literature. Anwar al-Tanzil is important and significant, because of its fame and influence. In Dr. Haddad's own estimation, this work became and remained for seven centuries the most studied of all Tafsirs, and it is to be regarded as the most important commentary on the Qur'an in the history of Islam.

Ziyarats and Weekday Prayers .

The Radiance of the Secrets of Prayer Muhsin Qara'ati.2018-02-18 In this text, Muhsin Qara'ati explains in detail the meaning of Worship and Intention, as well as how different stages of worship are acquired. He then goes on to explain the different actions of Prayer in detail, such as the first Takbir, and the recitation of the Suras. The author explains each step thoroughly, outlining its importance and our understanding of the action.

Sociological Theory Beyond the Canon Syed Farid Alatas, Vineeta Sinha.2017-05-27 This book expands the sociological canon by introducing non-Western and female voices, and subjects the existing canon itself to critique. Including chapters on both the 'founding fathers' of sociology and neglected thinkers it highlights the biases of Eurocentrism and androcentrism, while also offering much-needed correctives to them. The authors challenge a dominant account of the development of

sociological theory which would have us believe that it was only Western European and later North American white males in the nineteenth and early twentieth century who thought in a creative and systematic manner about the origins and nature of the emerging modernity of their time. This integrated and contextualised account seeks to restructure the ways in which we theorise the emergence of the classical sociological canon. This book's global scope fills a significant lacuna and provides a unique teaching resource to students of classical sociological theory.

Anthologie Des Cles Des Paradis, mukhtarat Min Mafatih Al-jinan Sheikh Abbas Qommi.2014-10-03

This book is one of the many Islamic publications distributed by Talee throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Talee (www.talee.org) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Mafatihul Jinan Org is universally compatible with any devices to read.

Find Mafatihul Jinan Org

The first step is to go to make sure you're logged into your Google Account and go to Google Books at books.google.com. offers an array of book printing services, library book, pdf and such as book cover design, text formatting and design, ISBN assignment, and more. Since it's a search engine, browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall. Ebooks and Text Archives: From the Internet Archive; a library of fiction, popular books, children's books, historical texts and academic books. The free books on this site span every possible interest. FeedBooks: Select the Free Public Domain Books or Free Original Books categories to find free ebooks you can download in genres like drama, humorous, occult and supernatural, romance, action and

adventure, short stories, and more. Bookyards: There are thousands upon thousands of free ebooks here. Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's

a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. Consider signing up to the free Centsless Books email newsletter to receive update notices for newly free ebooks and giveaways. The newsletter is only sent out on Mondays, Wednesdays, and Fridays, so it won't spam you too much. BookBub is another website that will keep you updated on free Kindle books that are currently available. Click on any book title and you'll get a synopsis and photo of the book cover as well as the date when the book will stop being free. Links to where you can download the book for free are included to make it easy to get your next free eBook.
