Dictionnaire universel des contemporains contenant toutes les personnes notables de la France et des pays étrangers ... Gustave Vapereau.1893

The Rules of Art Pierre Bourdieu.1996 Written with verve and intensity (and a good bit of wordplay), this is the long-awaited study of Flaubert and the modern literary field that constitutes the definitive work on the sociology of art by one of the world's leading social theorists. Drawing upon the history of literature and art from the mid-nineteenth century to the present, Bourdieu develops an original theory of art conceived as an autonomous value. He argues powerfully against those who refuse to acknowledge the interconnection between art and the structures of social relations within which it is produced and received. As Bourdieu shows, art's new autonomy is one such structure, which complicates but does not eliminate the interconnection. The literary universe as we know it today took shape in the nineteenth century as a space set apart from the approved academies of the state. No one could any longer dictate what ought to be written or decree the canons of good taste. Recognition and consecration were produced in and through the struggle in which writers, critics, and publishers confronted one another.

My Place at the Table Alexander Lobrano.2021 In this debut memoir, a James Beard Award-winning writer, whose childhood idea of fine dining was Howard Johnson's, tells how he became one of Paris's most influential food critics Until Alec Lobrano landed a job in the glamorous Paris office of Women's Wear Daily, his main experience of French cuisine was the occasional supermarket éclair. An interview with the owner of a renowned cheese shop for his first article nearly proves a disaster because he speaks no French. As he goes on to cover celebrities and couturiers and improves his mastery of the language, he gradually learns what it means to be truly French. He attends a cocktail party with Yves St. Laurent and has dinner with Giorgio Armani. Over a superb lunch, it's his landlady who ultimately provides him with a lasting touchstone for how to judge food: you must understand the intentions of the cook. At the city's brasseries and bistros, he discovers real French cooking. Through a series of vivid encounters with culinary figures from Paul Bocuse to Julia Child to Ruth Reichl, Lobrano hones his palate and finds his voice. Soon the timid boy from Connecticut is at the epicenter of the Parisian dining revolution and the restaurant critic of one of the largest newspapers in the France. A mouthwatering testament to the healing power of food, My Place at the Table is a moving coming-of-age story of how a gay man emerges from a wounding childhood, discovers himself, and finds love. Published here for the first time is Lobrano's little black book, an insider's guide to his thirty all-time-favorite Paris restaurants.

Le Figaro Claire Blandin.2007-05-30 Plus ancien titre de la presse française, Le Figaro est sans doute l'un des plus vieux journaux du monde. Apparu en 1826 sous la forme d'un petit journal

satirique, devenu quotidien en 1866 sous l'impulsion d'Hippolyte de Villemessant, il était déjà, à la fin du XIXe siècle une institution de la vie politique et culturelle française. La Belle Époque est aussi la sienne ; il bénéficie de l'élan de l'ensemble de la presse qui connaît un âge d'or, exerçant une influence sans partage sur l'opinion. Rupture majeure, la Première Guerre mondiale ouvre une période d'instabilité pendant laquelle les propriétaires du journal se succèdent. L'institution résiste cependant jusqu'à la reprise en mains par Pierre Brisson qui fait du Figaro le journal triomphant de la Libération. La prospérité de la maison Figaro accompagne celle des Trente Glorieuses : le prestigieux journal du Rond-Point peut choyer ses « grandes plumes ». Dans le contexte de crise de la presse écrite quotidienne des trente dernières années, le journal invente enfin nouvelles formes et nouvelles formules pour se maintenir parmi les deux plus grands quotidiens français : Le Figaro magazine naît en 1978, et la politique des suppléments initiée par le groupe contamine rapidement l'ensemble du secteur. S'appuyant sur plusieurs fonds d'archives inédits, cette histoire offre non seulement une histoire renouvelée du Figaro, une aventure intellectuelle et économique passionnante, mais aussi un récit vivant de deux siècles d'évolution de la presse française. Maître de conférences à l'Université Paris 12, Claire Blandin est l'auteur d'une thèse de doctorat sur Le Figaro littéraire (1946-1971). En septembre 2006, elle a organisé, le premier colloque sur l'histoire du Figaro. Préface de Alain-Gérard Slama. Les premiers Figaro. Hippolyte de Villemessant inventeur du Figaro. La Belle Époque du Figaro. Le traumatisme de la Première Guerre mondiale. François Coty au Figaro. Le Figaro occupé, Le Figaro libéré. Le Figaro triomphant. Un journal dans la tourmente. Hungry for France Alec Lobrano.2014 A culinary tour of some of the most alluring inns, food producers, restaurants, and winemakers of France, with more than seventy-five recipes updating classic regional dishes. Every food lover's ultimate dream is to tour the countryside of France, stopping off at luxurious inns with world-class restaurants and sampling fresh produce from local markets. Imagine having as your guide a savvy bon vivant, someone who lives for the pleasures of the table and knows just where to ferret out all the delicacies in each town. This book delivers just that. Each chapter covers a different region, from Normandy to Provence, and includes recommendations for a handful of the area's most excellent, off-the-beaten-path restaurants, along with recipes. Uniting all of the places in the book is an embrace of the farm-to-table ethos that has swept France's new generation of chefs and fueled such movements as Le Fooding. The more than seventy-five recipes sprinkled throughout exemplify contemporary riffs on quintessential regional specialties. For instance, from Normandy, there is Curried Pork in Cider Sauce; from Provence, Tartare of Salt Cod with Sesame-Chickpea Puree; from the Rhone, Pink Praline Tart. *Hungry for France* will inspire you to transform your cooking at home as well as to plan the trip of a lifetime.
