AvaxHome is a pretty simple site that provides access to tons of free eBooks online under different categories. It is believed to be one of the major non-torrent file sharing sites that features an eBooks&eLearning section among many other categories. It features a massive database of free eBooks collated from across the world. Since there are thousands of pages, you need to be very well versed with the site to get the exact content you are looking for. Sacred Texts contains the web's largest collection of free books about religion, mythology, folklore and the esoteric in general. Browsing books at eReaderIQ is a breeze because you can look through categories and sort the results by

newest, rating, and minimum length. You can even set it to show only new books that have been added since you last visited. As you'd expect, free ebooks from Amazon are only available in Kindle format - users of other ebook readers will need to convert the files - and you must be logged into your Amazon account to download them. You can also browse Amazon's limited-time free Kindle books to find out what books are free right now. You can sort this list by the average customer review rating as well as by the book's publication date. If you're an Amazon Prime member, you can get a free Kindle eBook every month through the Amazon First Reads program. Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail. The free Kindle books here can be borrowed for 14 days

and then will be automatically returned to the owner at that time. eBooks Habit promises to feed your free eBooks addiction with multiple posts every day that summarizes the free kindle books available. The free Kindle book listings include a full description of the book as well as a photo of the cover. Read Your Google Ebook. You can also keep shopping for more books, free or otherwise. You can get back to this and any other book at any time by clicking on the My Google eBooks link. You'll find that link on just about every page in the Google eBookstore, so look for it at any time.
