Eve Dallas turns to the department's top profiler, who confirms what seems obvious to Eve: They're dealing with a killer whose childhood involved some sort of trauma—a situation Eve is all too familiar with herself. When Eve discovers that other young women—who physically resemble the first victim—have vanished, the clock starts ticking louder. But to solve this case she will need to find her way into a hidden place of dim light and concrete, into the distant past, and into the cold depths of a shattered mind.
