

Essai Sur Les Femmes

Philosophie French Edition

The Independent Woman Simone De Beauvoir.2018-11-06 “Like man, woman is a human being.” When *The Second Sex* was first published in Paris in 1949—groundbreaking, risqué, brilliantly written and strikingly modern—it provoked both outrage and inspiration. *The Independent Woman* contains three key chapters of Beauvoir’s masterwork, which illuminate the feminine condition and identify practical social reforms for gender equality. It captures the essence of the spirited manifesto that switched on light bulbs in the heads of a generation of women and continues to exert profound influence on feminists today.

Women in the French Enlightenment Anna Maria Marchini.2022-07-28 This volume deals with philosophical, scientific, and ideological images of women during the French Enlightenment, examining their emergence in the reflections of the philosophes, in Catholic morality, in biological and medical knowledge, in novels, in periodicals, and in the law. Alongside the appeals for social and intellectual emancipation advanced by the femmes savantes, typical of the eighteenth-century salons, a new conception pertaining to women’s social role related to the affirmation of the bourgeoisie and of its model of the family took place. Codified in a more complex and organized way within the Rousseauian philosophy, this new conception spread in various cultural debates, gaining a real hegemony: women were meant to be excluded from any public space, devoid of cultural aspirations, and only devoted to satisfying the needs of the family. The book adopts a multidisciplinary, interdisciplinary, and synthetic approach and at the same time highlights the roots of some fundamental ways of considering women that are still active in

present-day society. It also addresses researchers in the history of philosophy, sociology, literature, and gender studies, and readers with an interest in women's issues.

Bergson et la philosophie allemande Caterina Zanfi.2013-10-16
Cet essai raconte une histoire en grande partie oubliée après la Grande Guerre : celle des rapports entre Bergson et la philosophie allemande de son temps. De *L'évolution créatrice* à *Les deux sources de la morale et de la religion*, Bergson redéfinit profondément sa philosophie et introduit de nouveaux thèmes anthropologiques et moraux, qui font écho aux questions du débat allemand sur la philosophie de la vie. À travers la reconstitution de certaines polémiques allemandes dont Bergson est l'objet et auxquelles il participe durant ces années, l'analyse se concentre ici d'un côté sur la réception de son oeuvre en Allemagne et de l'autre, sur l'effet de retour impliqué par de tels dialogues sur la philosophie de *Les deux sources*. Un atlas philosophique composé de quatre étapes - Iéna, Berlin, Heidelberg et Göttingen - suivi d'une réflexion sur le moment de la Grande Guerre, offre la description des principaux transferts entre Bergson et des philosophes tels que Eucken, Simmel, Driesch, Windelband et Scheler. Sur fond d'échanges avec ses interlocuteurs d'outre-Rhin, le dernier Bergson retrouve sa stature européenne et apparaît comme un penseur des problèmes de la vie, de la technique, de l'histoire et de la guerre à la hauteur des débats contemporains autour de ces thèmes.

Women Moralists in Early Modern France Julie Candler Hayes.2024 Julie Candler Hayes explores the contributions of seventeenth and eighteenth-century French women philosophers and intellectuals to moralist writing, a genre focusing on

dispassionate observations on the human condition and traditionally viewed through its best-known male writers. This study, the first of its kind, includes both famous thinkers--such as Æmilie Du Châtelet and Germaine de Staël--and nearly two dozen of their contemporaries. Hayes demonstrates how, through their critique of institutions and practices, their valorization of introspection and self-expression, and their engagement with philosophical issues, women moralists carved out an important space for the public exercise of their reason.

Women Philosophers on Economics, Technology, Environment, and Gender History Ruth Edith Hagengruber.2023-08-21 In times of current crisis, the voices of women are needed more than ever. The accumulation of war and environmental catastrophes teaches us that exploitation of people and nature through violent appropriation and enrichment for the sake of short-term self-interest exacts its price. This book presents contributions on the currently most relevant and most urgent issues: reshaping the economy, environmental problems, technology and the re-reading of history from the non-western and western tradition. With an outlook into the problems of class, race and gender in its intersectional framing, the collection offers a unique overview of current research in these fields and contributes to the renewal and contemporary presentation of feminist thought from partly concrete perspectives with regard to factual issues.

Les Femmes Chasseresses, etc César François Adolphe d'HOUDETOT (Viscount.).1860

Essai sur les femmes (L'édition intégrale) Arthur Schopenhauer.2024-01-08 Ce livre numérique présente Essai sur les femmes (L'édition intégrale) avec une table des matières

dynamique et détaillée. Notre édition a été spécialement conçue pour votre tablette/liseuse et le texte a été relu et corrigé soigneusement. Essai sur les femmes est un texte publié par Arthur Schopenhauer en 1851 (en Allemand, *Über die Weiber*). Il s'agit de considérations représentatives de l'opinion commune à cette époque mais qui ne doivent pas être interprétées selon les critères contemporains. Extrait: Leur destinée: Elles vivent plus que l'homme dans le présent, elles sont plus portées vers la pitié que vers la justice ; le mensonge est la défense naturelle de leur faiblesse. Les passions des femmes servent les intérêts de l'espèce. Leur rivalité vient de leur vocation unique. Au fond ce sexe laid n'a pas le sentiment du beau... Arthur Schopenhauer (1788-1860) est un philosophe allemand, il se réfère à Platon, se place en unique héritier légitime de Kant, et se démarque surtout ouvertement des post-kantiens de son époque; en effet, dès que l'occasion se présente, il critique féroce non seulement les personnalités - de façon souvent comique par l'outrance de ses imprécations et de ses insultes - mais aussi et surtout les idées de Fichte, Hegel et Schelling, philosophes qu'il exclut non seulement de la filiation de la philosophie kantienne en arguant de leur incompréhension de celle-ci mais aussi, parfois, purement et simplement, de la philosophie.

Essai sur les femmes Arthur Schopenhauer.2002 Pièce maîtresse des petits écrits où le philosophe apparaît drôlatique et sarcastique.

The French Invention of Menopause and the Medicalisation of Women's Ageing Alison M. Downham Moore.2022-10-06 Doctors writing about menopause in France vastly outnumbered those in other cultures throughout the entire nineteenth century. The concept of menopause was invented by French male medical students in the aftermath of the French Revolution, becoming an important pedagogic topic and a common theme of doctors' professional identities in postrevolutionary biomedicine. Older women were identified as an important patient cohort for the

expanding medicalisation of French society and were advised to entrust themselves to the hygienic care of doctors in managing the whole era of life from around and after the final cessation of menses. However, menopause owed much of its conceptual weft to earlier themes of women as the sicker sex, of vitalist crisis, of the vapours, and of astrological climacteric years. This is the first comprehensive study of the origins of the medical concept of menopause, richly contextualising its role in nineteenth-century French medicine and revealing the complex threads of meaning that informed its invention. It tells a complex story of how women's ageing featured in the demographic revolution in modern science, in the denigration of folk medicine, in the unique French field of *hygiène*, and in the fixation on women in the emergence of modern psychiatry. It reveals the nineteenth-century French origins of the still-current medical and alternative-health approaches to women's ageing as something to be managed through gynaecological surgery, hormonal replacement, and lifestyle intervention.

Moi aussi je pense donc je suis Elodie Pinel.2024-02-14

Simone de Beauvoir, Hannah Arendt, Simone Weil... difficile pour la plupart d'entre nous de citer d'autres noms de femmes philosophes que ceux-là. Sans doute parce que la plupart d'entre elles n'ont pas eu la chance de se voir attribuer le noble statut de « philosophe », tantôt qualifiées de « femme de lettres », ou au mieux de « penseuses » et « intellectuelles ». Et pour les quelques chanceuses qui sont au panthéon des philosophes, on ne connaît bien souvent qu'une infime partie de leur pensée, ou on les réduit à leur pensée féministe. Ce livre vous invite à changer de point de vue et à reparcourir l'histoire de la pensée à travers celle de femmes qui ont fait œuvre de philosophe, alors qu'elles étaient soit exclues de l'institution soit empêchées par les hommes. Vous découvriez une pensée riche, originale, des sujets forts, des formes inattendues, novatrices, car il a bien fallu faire preuve de créativité pour faire entendre sa voix. Pour Elodie Pinel, elle-

même professeure de philosophie, il est plus que temps de prendre au sérieux ces femmes philosophes, d'entrer pleinement dans leur œuvre et de militer pour qu'elles intègrent les programmes scolaires et que leurs idées infusent enfin dans notre société.

The Hysteric's Revenge Rachel Mesch.2006 Brings into relief a critical relationship between the female mind and body that is essential to understanding the discursive position of the turn-of-the-century woman writer. This book includes novels that confront this mind/body problem through a wide variety of styles and genres that challenge conventional fin-de-siecle notions of femininity.

Philosophy and the State in France Nannerl O.

Keohane. 2017-03-14 Tracing the development of French political thought in the seventeenth century, Nannerl Keohane explores a quite different emphasis on the indivisibility of sovereignty and the expression of interests rather than rights. Originally published in 1980. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Women are the Future of Islam Sherin Khankan. 2020-04-23 'We will change things from within' Sherin Khankan is a pioneer, founding the first mosque for women in Europe and leading the way for a more progressive form of Islam. In this remarkable work, she shares her journey growing up between east and west to then becoming one of the first female imams in Europe. Addressing controversial issues such as radical Islamic groups, the right of Muslim women to divorce and the patriarchal structure of Islam, this is an eye-opening and empowering manifesto for change.

Les Mots des femmes Mona Ozouf. 2014-04-01 La France a longtemps passé pour le pays des femmes. Elle a pourtant la réputation d'être aussi celui d'un féminisme timoré qui a tardé plus qu'ailleurs à asseoir ses conquêtes. D'où vient cette timidité? Et pourquoi le discours du féminisme extrémiste trouve-t-il en France si peu d'écho? C'est ce paradoxe qu'explore le livre de

Mona Ozouf, en cherchant à écouter et à faire entendre les mots des femmes, ceux qu'elles ont choisis elles-mêmes pour décrire la féminité. Ainsi se succèdent les figures et les voix de Madame du Deffand, Madame de Charrière, Madame Roland, Madame de Staël, Madame de Rémusat, George Sand, Hubertine Auclert, Colette, Simone Weil, Simone de Beauvoir. La traversée de cette galerie fait découvrir la diversité inventive des cheminements féminins. Elle met en valeur une singularité française dont l'essai qui clôt cet ouvrage restitue l'histoire et les contours. Mona Ozouf, directeur de recherche au C.N.R.S., a consacré l'essentiel de son oeuvre à la Révolution française, à l'histoire de l'École et à l'idée républicaine. Elle est l'auteur notamment de *La Fête révolutionnaire* (1976), de *L'École de la France* (1984) et, avec Jacques Ozouf, de *La République des instituteurs* (1992).

L'alchimie et les alchimistes essai historique et critique sur la philosophie hermétique par Louis Figuié Louis Guillaume Figuié.1860

Mind, Values, and Metaphysics Anne Reboul.2014-08-06 There are three themed parts to this book: values, ethics and emotions in the first part, epistemology, perception and consciousness in the second part and philosophy of mind and philosophy of language in the third part. Papers in this volume provide links between emotions and values and explore dependency between language, meanings and concepts and topics such as the liar's paradox, reference and metaphor are examined. This book is the second of a two-volume set that originates in papers presented to Professor Kevin Mulligan, covering the subjects that he contributed to during his career. This volume opens with a paper by Moya, who proposes that there is an asymmetrical relation between the possibility of choice and moral responsibility. The first part of this volume ends with a description of foolishness as insensitivity to the values of knowledge, by Engel. Marconi's article makes three negative claims about relative truth and Sundholm notes shortcomings of the English language for

epistemology, amongst other papers. This section ends with a discussion of the term 'subjective character' by Nida-Rümelin, who finds it misleading. The third part of this volume contains papers exploring topics such as the mind-body problem, whether theory of mind is based on simulation or theory and Künne shows that the most common analyses of the so-called 'Liar' paradox are wanting. At the end of this section, Rizzi introduces syntactic cartography and illustrates its use in scope-discourse semantics. This second volume contains twenty nine chapters, written by both high profile and upcoming researchers from across Europe, North America and North Africa. The first volume of this set has two main themes: metaphysics, especially truth-making and the notion of explanation and the second theme is the history of philosophy with an emphasis on Austrian philosophy.

Therese the Philosopher Marquis De D'Argens.2013-12-23 This first-person narrative by Therese is the charming tale of an innocent's initiation into sexual happiness. Self-discovery in a convent leads her to her confessor, Father Dirrag, and she is soon launched upon the path of reason that convinces her that passion and love of the Deity are equal gifts of God. With additional mentors, Therese learns that sensations are but a part of temperament, as natural as hunger and thirst, and all may be satisfied as long as it does not harm others.

Morbid Undercurrents Sean M. Quinlan.2021-09-15 In *Morbid Undercurrents*, Sean M. Quinlan follows how medical ideas, stemming from the so-called birth of the clinic, zigzagged across the intellectual landscape of the French Revolution and its aftermath. It was a remarkable hotspot in the historical timeline, when doctors and scientists pioneered a staggering number of fields—from forensic investigation to evolutionary biology—and their innovations captivated the public imagination. During the 1790s and beyond, medicine left the somber halls of universities, hospitals, and learned societies and became profoundly politicized, inspiring a whole panoply of different—often bizarre

and shocking—subcultures. Quinlan reconstructs the ethos of the time and its labyrinthine underworld, traversing the intersection between medicine and pornography in the works of the Marquis de Sade, efforts to create a natural history of women, the proliferation of sex manuals and books on family hygiene, anatomical projects to sculpt antique bodies, the rage for physiognomic self-help books that taught readers to identify social and political types in post-revolutionary Paris, the use of physiological medicine as a literary genre, and the mesmerist renaissance with its charged debates over animal magnetism and somnambulism. In creating this reconstruction, Quinlan argues that the place and authority of medicine evolved, at least in part, out of an attempt to redress the acute sense of dislocation produced by the Revolution. *Morbid Undercurrents* exposes how medicine then became a subversive, radical, and ideologically charged force in French society.

[The Risky Business of French Feminism](#) Jennifer L.

Sweatman.2014-08-26 *The Risky Business of French Feminism: Publishing, Politics, and Artistry* examines the women-owned publishing house Editions des Femmes and its rivals in order to understand how the French Women's Liberation Movement used print media to transform French culture and society from the 1970s through the 1990s.

[Essai sur les femmes](#) Arthur Schopenhauer.2005-01-19 « Le seul aspect de la femme révèle qu'elle n'est destinée ni aux grands travaux de l'intelligence, ni aux grands travaux corporels. Elle paie sa dette à la vie non par l'action mais par la souffrance, les douleurs de l'enfantement [...] ; elle doit obéir à l'homme, être une compagne patiente qui le rassérène. » Dans son *Essai sur les femmes* (1851), Arthur Schopenhauer, célibataire endurci, défend les conceptions les plus rétrogrades de la femme pour justifier la domination masculine. Mais, pour échapper au cauchemar du mariage, le philosophe n'hésite pas à imaginer une étonnante solution : « Le Ménage à trois » ; vibrant plaidoyer en faveur de la

polygamie, ce court texte inédit, tiré d'un manuscrit de 1822, constitue une charte du bien-vivre ensemble qui assurerait au genre humain le bonheur.

Premiers essais de philosophie par m. Victor Cousin Victor Cousin.1862

Hipparchia's Choice Michèle Le Dœuff.2007 To be a philosopher and to be a feminist are one and the same thing. A feminist is a woman who does not allow anyone to think in her place.-from Hipparchia's Choice A work of rare insight and irreverence, Hipparchia's Choice boldly recasts the history of philosophy from the pre-Socratics to the post-Derrideans as one of masculine texts and male problems. The position of women, therefore, is less the result of a hypothetical femininity and more the fault of exclusion by men. Nevertheless, women have been and continue to be drawn to the exercise of thought. So how does a female philosopher become a conceptually adventurous woman? Focusing on the work of Sartre and Beauvoir (specifically, his sexism and her relation to it), Michèle Le Doeuff shows how women philosophers can reclaim a place for feminist concerns. Is The Second Sex a work of philosophy, and, if so, what can it teach us about the relation of philosophy to experience? Now with a new epilogue, Hipparchia's Choice points the way toward a discipline that is accountable to history, feminism, and society.

Les Avantages Que Les Femmes Peuvent Recevoir de La Philosophie Et Principalement de La Morale Louis De Lesclache.2013-03-24 Les avantages que les femmes peuvent recevoir de la philosophie et principalement de la morale, ou L'abrege de cette science, par Louis de LesclacheDate de l'edition originale: 1667Mecenas texte imprime: Cet ouvrage a ete numerise grace a Edouard Fernandez-BolloCe livre est la reproduction fidele d'une oeuvre publiee avant 1920 et fait partie d'une collection de livres reimprimees a la demande editee par Hachette Livre, dans le cadre d'un partenariat avec la Bibliotheque nationale de France, offrant l'opportunit e d'acceder

France Between the Wars Sian Reynolds. 2002-11-01 First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Essai sur les éléments de philosophie Jean Le Rond d'Alembert. 1965

Resistance, Flight, Creation Dorothea Olkowski. 2000 Thirteen women at the forefront of philosophy locate new feminist points of view within the discipline by rigorously engaging works of contemporary French philosophy. In so doing, they both transform the standard practices of the field and carve out new territory. These writers amplify the work of feminist philosophers such as Simone de Beauvoir, Luce Irigaray, and Sarah Kofman in ways that are both stylistically and substantively creative. They also appropriate for radical feminist use the works of male philosophers such as Michel Foucault, Gilles Deleuze, Maurice Merleau-Ponty, and Jean-Paul Sartre. The essays illustrate the manner in which feminist philosophers bypass traditional methodology in favor of a disciplinary freedom characterized by fluid methodologies--best exemplified in Beauvoir's work--and by the employment of imaginative forms, including the

autobiographical and the poetic. The modes of inquiry used here range variously from psychoanalysis and existentialism to deconstruction, post-structuralism, and newly resurgent phenomenology. This volume also contains a comprehensive bibliography of feminist thinkers who are enacting French philosophy in English, German, and French.

Routledge Encyclopedia of Philosophy Edward Craig.1998
Volume five of a ten volume set which provides full and detailed coverage of all aspects of philosophy, including information on how philosophy is practiced in different countries, who the most influential philosophers were, and what the basic concepts are.

Le sexe de la philosophie Rada Iveković.1997 Si la différence sexuelle était une différence ontologique, comment le saurait-on ? La philosophie place la différence, de même que le féminin, par-delà la raison. En établissant un dualisme involontaire, on se ramène au seul monisme masculin. Pourquoi ne pas penser la pluralité dans un universel humain concret et différencié ? Cela permettrait à la philosophie de ne pas continuer à nier la sexuation de la pensée et de ne pas refuser la raison aux femmes.

French Women Philosophers Christina Howells.2013-04-15
This reader is the first of its kind to present the work of leading French women philosophers to an English-speaking audience. Many of the articles appear for the first time in English and have been specially translated for the collection. Christina Howells draws on major areas of philosophical and theoretical debate including Ethics, Psychoanalysis, Law, Politics, History, Science and Rationality. Each section and article is clearly introduced and situated in its intellectual context. The book is necessarily feminist in inspiration but draws on an unusually wide range of thinkers, chosen to represent the philosophy of women rather than feminist philosophy. It will be ideal for anyone coming to this area for the first time as well as those seeking to extend their understanding of French thought and Continental Philosophy. Articles by the following writers are included: Françoise Collin,

Sylviane Agacinski, Catherine Chalièr, Luce Irigaray, Françoise Proust, Françoise Dastur, Barbara Cassin, Natalie Depraz, Elisabeth de Fontenay, Elisabeth Badinter, Françoise Heritier, Helene Cixous, Monique Schneider, Julia Kristeva, Sarah Kofman, Monique David Menard, Françoise d'Eaubonne, Genevieve Fraisse, Michele Le Doeuff, Natalie Charraud, Françoise Balibar, Anne Fagot-Largeault, Colette Guillaumin, Dominique Schnapper, Myriam Revault-D'Allonnes, Nicole Loraux, Mireille Delmas-Marty, Blandine Kriegel.

Essai Sur Les Femmes Philosophie French Edition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites

*Downloaded from
gws.ala.org on
2019-11-08 by guest*

and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Essai Sur Les Femmes Philosophie French Edition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open

Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Essai Sur Les Femmes Philosophie French Edition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres.

Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files.

Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Essai Sur Les Femmes Philosophie French Edition free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Essai Sur Les Femmes Philosophie French Edition. In conclusion, the internet offers numerous platforms and websites that

allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files.

However, users should always be cautious and verify the legality of the source before downloading Essai Sur Les Femmes Philosophie French Edition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Essai Sur Les Femmes Philosophie French Edition Books

1. Where can I buy Essai Sur Les Femmes Philosophie French Edition books?
Bookstores: Physical bookstores like Barnes &

site span every possible interest. Self publishing services to help professionals and entrepreneurs write, publish and sell non-fiction books on Amazon & bookstores (CreateSpace, Ingram, etc). If your books aren't from those sources, you can still copy them to your Kindle. To move the ebooks onto your e-reader, connect it to your computer and copy the files over. In most cases, once your computer identifies the device, it will appear as another storage drive. If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book. All the books are listed down a single page with thumbnails of the cover image and direct links to Amazon. If you'd rather not check Centsless Books' website for updates, you can follow them on Twitter and subscribe to email updates. Myanonamouse is a private bit torrent tracker that needs you to register with your email id to get access to

its database. It is a comparatively easier to get into website with easy uploading of books. It features over 2 million torrents and is a free for all platform with access to its huge database of free eBooks. Better known for audio books, Myanonamouse has a larger and friendly community with some strict rules. With a collection of more than 45,000 free e-books, Project Gutenberg is a volunteer effort to create and share e-books online. No registration or fee is required, and books are available in ePub, Kindle, HTML, and simple text formats. From books, magazines to tutorials you can access and download a lot for free from the publishing platform named Issuu. The contents are produced by famous and independent writers and you can access them all if you have an account. You can also read many books on the site even if you do not have an account. For free eBooks, you can access the authors who allow you to download their books for

free that is, if you have an account with Issuu.4eBooks has a huge collection of computer programming ebooks. Each downloadable ebook has a short review with a description. You can find over thousand of free ebooks in every computer programming field like .Net, Actionscript, Ajax, Apache and etc.It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations.
