Words on Cassette .2000

It Came from the 80s! Francesco Borseti.2016-08-12 From their heyday in the 1950s and 1960s, B movies declined in popularity through the 1970s. As the big Hollywood studios began to make genre films with sky-high budgets, independent producers of low-budget movies could not compete in theaters. The sale of American International Pictures in 1979 and New World Pictures in 1983 marked the end of an era. The emergence of home video in the 1980s marked the beginning of a new phase, as dozens of B movies were produced each year for the small screen, many becoming cult classics of science fiction, horror and fantasy. Through numerous interviews with producers, directors, photographers and actors, this book sheds light on an overlooked corner of film history with behind-the-scenes stories of 28 low-budget favorites from the 1980s.

Someone is Killing the Great Chefs of Europe Nan Lyons,Ivan Lyons.1976 Just after Switzerland's Enstein Clinic releases formerly obese murderer Achille van Golk, culinary sleuths Natasha O'Brien and Millie Ogden once again set out on the trail of a serial chef killer--this time stalking American cooking experts. Nan Lyons has been a food and travel writer for over twenty years, contributing to Bon Appetit, Travel + Leisure, More, Hamptons, L'official New York Newsday, as well as creating the Fielding's Agenda series and the Access Walking guides. In collaboration with her husband Ivan, she wrote the first novel with a food background, Someone is Killing the Great Chefs of Europe which was then made into a major motion picture. They went on to write four other novels as well as scores of articles on food and travel. She has just finished her newest book, Around the World in 80 Meals (Red Rock Press) was published in late 2010. Nan has most recently been made Associate Editor for Let's Travel a new website which features interviews as well as podcasts and articles on every aspect of travel. Her particular expertise is focused on restaurants, shopping and luxury hotels. This delectable, high-energy sequel to Someone Is Killing the Great Chefs of Europe finds gorgeous, svelte, Valentino-clad pastry chef Natasha O'Brien back in the States, now promoting American regional cooking. With her mad mentor and would-be murderer, the obese food critic Achille van Golk, buried in a Swiss cemetery, Natasha prepares to launch American Cuisine magazine, while taking gigs as chef for the new occupants of the White House and organizing the upcoming Culinary Olympics in Paris. But readers know from the outset that Achille is alive, transformed in body and spirit into trim Alec Gordon, who lands a job at American Cuisine . While various high-profile chefs in Dallas, L.A. and New York are gruesomely bumped off (barbecued, roasted and poached, respectively), Natasha dispels her growing anxiety in high-spirited sex with assorted partners, including her ex-husband, food conglomerate king Maximillian Ogden. This binge of foodie name-dropping, laced with one-liners (a bitchy critic accuses a new chef in L.A. of Pucking around with the pizza'), culminates in a frenzy of culinary excess in Paris. Alec's struggles to repress the appetites of his former self will strike a chord in any reader who has ever battled a craving. The calories in this creampuff entertainment may be empty, but they are undeniably delicious. -Publishers Weekly (c) PWxyz, LLC. All rights reserved. For those moments when you wanted to kill. Life, on the Line Grant Achatz,Nick Kokonas.2012-03-06 One of America's great chefs (Vogue) shares how his drive to cook immaculate food won him international renown-and fueled his miraculous triumph over tongue cancer. In 2007, chef Grant Achatz seemingly had it made. He had been named one of the best new chefs in America by Food & Wine in 2002, received the James Beard Foundation Rising Star Chef of the Year Award in 2003, and in 2005 he and Nick Kokonas opened the conceptually radical restaurant Alinea, which was named Best Restaurant in America by Gourmet magazine. Then, positioned firmly in the world's culinary spotlight, Achatz was diagnosed with stage IV squamous cell carcinoma-tongue cancer. The prognosis was grim, and doctors agreed the only course of action was to remove the cancerous tissue, which included his entire tongue. Desperate to preserve his quality of life, Grant undertook an alternative treatment of aggressive chemotherapy and radiation. But the choice came at a cost. Skin peeled from the inside of Grant's mouth and throat, he rapidly lost weight, and most alarmingly, he lost his sense of taste. Tapping into the discipline, passion, and focus of being a chef, Grant rarely missed a day of work. He trained his chefs to mimic his palate and learned how to cook with his other senses. As Kokonas was able to attest: The food was never better. Five months later, Grant was declared cancer-free, and just a few months following, he received the James Beard Foundation Outstanding Chef in America Award. *Life, on the Line* tells the story of a culinary trailblazer's love affair with cooking, but it is also a book about survival, about nurturing creativity, and about profound friendship. Already much- anticipated by followers of progressive cuisine, Grant and Nick's gripping narrative is filled with stories from the world's most renowned kitchens-The French Laundry, Charlie Trotter's, el Bulli- and sure to expand the audience that made Alinea the number-one selling restaurant cookbook in America last year. Too Many Cooks Rex Stout.2010-07-21 As Nero Wolfe prepares to speak at a gathering of the world's great chefs, one is found indelicately murdered. When the target for killing shifts to himself, the great detective must close this case quickly or his next meal may be his last. World-class cuisine, charming company . . . The secret ingredient is poison. Everyone knows that too many cooks spoil the broth, but you'd hardly expect it to

lead to murder. But that's exactly what's on the menu at a five-star gathering of the world's greatest chefs. As guest of honor, Wolfe was lured from his brownstone to a posh southern spa to deliver the keynote address. He never expected that between courses of haute cuisine he and Archie would be compelled to detect a killer with a poison touch—a killer preparing to serve the great detective his last supper. “It is always a treat to read a Nero Wolfe mystery. The man has entered our folklore.”—The New York Times Book Review A grand master of the form, Rex Stout is one of America’s greatest mystery writers, and his literary creation Nero Wolfe is one of the greatest fictional detectives of all time. Together, Stout and Wolfe have entertained—and puzzled—millions of mystery fans around the world. Now, with his perambulatory man-about-town, Archie Goodwin, the arrogant, gourmandizing, sedentary sleuth is back in the original seventy-three cases of crime and detection written by the inimitable master himself, Rex Stout.

Academic Vocation in the Church and Academy Today Shaun C. Henson, Michael J. Lakey. 2017-05-15 This book explores the vital, common, yet surprisingly often misunderstood and neglected vocation of people gifted to combine academic and priestly roles in church, church-related, and secular academic contexts. The works of those who unite priestly and academic functions into one vocation have been vital to the Church since its first-century foundations. The Church would have no practically informed theology or liturgy, and arguably no New Testament, if not for individuals who have been as gifted at researching, writing, and teaching as at conventional ministry skills like preaching and pastoral care. With a specific focus on Anglicanism as one useful lens, prominent voices from around the Anglican Communion reflect here on their experiences and expertise in academic-priestly vocation. Including contributions from the UK, USA, and Australia, this book makes a distinctive and timely offering to discussions that must surely continue.
