Collected Plays Wole Soyinka. 1973 'The Lion and the Jewel alone is enough to establish Nigeria as the most fertile new source of English-speaking drama since Synge's discovery of the Western Isles.' The Times The ironic development and consequences of 'progress' may be traced through both the themes and the tone of the works included in this second volume of Wole Soyinka's plays. The Lion and the Jewel shows an ineffectual assault on past tradition soundly defeated. In Kongi's Harvest, however, the pretensions of Kongi's regime are also fatal. The denouement points the way forward. The two Brother Jero plays pursue that way, the comic 'propheteering' of the earlier play giving way to the sardonic reality of Jero's Metamorphosis. Madmen and Specialists, Soyinka's most pessimistic play, concerns the physical, mental, and moral destruction of modern civil war.

What Literature Teaches Us about Emotion Patrick Colm Hogan.2011-03-21 Literature provides us with otherwise unavailable insights into the ways emotions are produced, experienced and enacted in human social life. It is particularly valuable because it deepens our comprehension of the mutual relations between emotional response and ethical judgment. These are the central claims of Hogan's study, which carefully examines a range of highly esteemed literary works in the context of current neurobiological, psychological, sociological and other empirical research. In this work, he explains the value of literary study for a cognitive science of emotion and outlines the emotional organization of the human mind. He explores the emotions of romantic love, grief, mirth, guilt, shame, jealousy, attachment, compassion and pity - in each case drawing on one work by Shakespeare and one or more works by writers from different historical periods or different cultural backgrounds, such as the eleventh-century Chinese poet Li Ch'ing-Chao and the contemporary Nigerian playwright Wole Soyinka.
