Merry Christmas Ruth Sanderson.2018-09 Enjoy coloring these 36 beautiful scenes of the Christmas season in this all-new Christmas coloring book for adults by illustrator Ruth Sanderson. Like her first Christmas coloring book, Santa's Christmas, these illustrations have been carefully converted to grayscale. Ruth's paintings have been reproduced in many children's books, as well as on collectors plates, greeting cards and puzzles. Colored pencils work beautifully over grayscale images and the gray tones underneath help give realism and depth to the final colored image. Simply choose light, medium, and dark tones of each color to match the values in the pictures. This book will make a lovely holiday gift that families can share. The pictures are printed single-sided on 60# pure white paper. Try out grayscale coloring with free samples to download from ruthsanderson.com.
