Wings Mikhail Kuzmin.2023-11-01 New to St Petersburg, young, naive Vanya Smurov finds a mentor in the enigmatic and intellectual Larion Stroop, who initiates him into a fascinating sphere of art and beauty. As Vanya is drawn into Stroop's world of aesthetic sensuality, he also becomes aware that Stroop is a frequenter of bathhouses: a homosexual. Disturbed by this revelation, Vanya abandons Stroop and moves to the Volga countryside in search of a more traditional existence. Yet he soon finds that the alternatives offered there are equally unsettling, leading him to question his initial reaction to Stroop's hedonistic lifestyle.

Spatial Commons. Urban open spaces as a resource Klever, Paul,Klotz, Steffen,Pappert, Lukas,Schulze, Jens.2017-10-18 Space has to be discussed once one focuses on the commons, the natural and cultural resources securing the well-being of a community. The question of availability of these resources includes asking for the place where they are accessible or where they are made accessible and thus always the question of the spatial organization of this society. This publication wants to provide a first overview about historical types of commons, about contemporary theories on urban commons, and speculate about possible forms of future commoning. Die Beschäftigung mit den Gemeingütern, den elementaren natürlichen und kulturellen Ressourcen, die dem Wohle der Gemeinschaft dienen, fordert auch eine Auseinandersetzung mit Räumen. Denn die Frage nach der Verfügbarkeit von Ressourcen schließt die Frage nach dem Ort, an dem diese für die Gemeinschaft zugänglich sind oder zugänglich gemacht werden, und damit immer auch die Frage nach der räumlichen Organisation dieser Gemeinschaft, ein. Diese Publikation gibt einen ersten Überblick über historische Typen von Allmenden, über die aktuelle Theoriebildung zum Thema des urbanen Gemeingutes und spekuliert über mögliche Formen von zukünftigem Commoning.

Repressed, Remitted, Rejected Dr. Karl Heinz Roth,Hartmut Rübner.2021-12-10 Since unification, the Federal Republic of Germany has made vaunted efforts to make amends for the crimes of the Third Reich. Yet it remains the case that the demands for restitution by many countries that were occupied during the Second World War are unresolved, and recent demands from Greece and Poland have only reignited old debates. This book reconstructs the German occupation of Poland and Greece and gives a thorough accounting of these debates. Working from the perspective of international law, it deepens the scholarly discourse around the issue, clarifying the 'never-ending story' of German reparations policy and making a principled call for further action. A compilation of primary sources comprising 125 annotated key texts (512 pages) on the complexity of reparations discussions covering the period between 1941 and the end of 2017 is available for free on the Berghahn Books website, doi: 10.3167/9781800732575.dd.

Children and War Grazia Prontera,John Buckley,Wolfgang Aschauer,Helga Embacher,Albert Lichtblau,Johannes-Dieter Steinert.2016 The amount of international research on 'Children and War' carried out by academics, governments and non-governmental organizations has continually increased in recent years. At the same time there has been growing public interest in how children experience military conflicts and how their lives have been affected by war and its aftermath. In light of the many brutal post-colonialist civil wars or 'new wars', especially in Africa and Asia, child soldiers have in particular gained increased attention. Simultaneously, since the 1990s, the history of the Holocaust and World War II has also increasingly been written from the perspective of children; those who speak out now and publish their memoirs experienced the Holocaust as children. A similar generational change has also taken place in the societies of the perpetrators: Germans and Austrians who experienced the war as children took over the role of war witnesses from the soldiers of the German Wehrmacht. Moreover, intensified focus on children's experiences and their strategies for dealing with what they went through is evident in Eastern Europe as well. In *Children and War: Past and Present Volume II* scholars from different academic disciplines, practitioners in the field, and representatives of government and non-governmental institutions present a further selection of studies in this sensitive subject from different angles and in various methodological ways. A number of studies investigate the difficult areas of recovery and reintegration both of child soldiers specifically, and children affected by armed conflict. Further sections examine Victims and Witnesses, Public Discourse and Education and World War II and the Second Generation.

Deutsch, na klar! Robert Di Donato,Monica Clyde,Jacqueline Vansant.1998-10 This lively, beginning

German text is the perfect choice for those who want to move in a more communicative direction without abandoning a focus on grammar. *Deutsch: Na Klar!* uses a solid four-skills approach with a difference: the vocabulary, grammar, and reading sections are integrated with authentic materials, allowing students to learn language and culture simultaneously. German materials (advertisements, menus, newspaper articles, etc.) are used to present new vocabulary, introduce grammar points, and launch communicative activities. A listening-comprehension tape is tied to the text-book to help students improve listening skills.

Ping, an American citizen, returns to Singapore after many years and sees a country transformed by prosperity. Gone are the boatmen and hawkers who once lived along the crowded riverside and in their place rise the gleaming towers of the financial district. Her childhood growing up among the river people had been very different, and leaving her first love Weng, a musician, for America, had been devastating. Now that she is back in Singapore, can she face her former lover and reveal the secret that has separated them for many years? Reviews: "Lim's affecting, lushly textured historical novel... A fine, deeply felt saga of lives caught up in progress that's as heartbreaking as it is hopeful." Kirkus, 5 * Blue Star Review *The River's Song* is a startling work of brilliance that leaves the reader spellbound. kitaab.org "...just as the best novels should be but so rarely are: like immersion in a vivid dream.
