eBooks Habit promises to feed your free eBooks addiction with multiple posts every day that summarizes the free Kindle books available. The free Kindle book listings include a full description of the book as well as a photo of the cover. Established in 1978, O'Reilly Media is a world renowned platform to download books, magazines and tutorials for free. Even though they started with print publications, they are now famous for digital books. The website features a massive collection of eBooks in categories like, IT industry, computers, technology, etc. You can download the books in PDF format, however, to get an access to the free downloads you need to sign up with your name and email address.

**FeedBooks:** Select the Free Public Domain Books or Free Original Books categories to find free eBooks you can download in genres like drama, humorous, occult and supernatural, romance, action and adventure, short stories, and more.

**Bookyards:** There are thousands upon thousands of free eBooks here. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

**OnlineProgrammingBooks** feature information on free computer books, online books, eBooks and sample chapters of Computer Science, Marketing, Math, Information Technology, Science, Business, Physics and Internet. These books are provided by authors and publishers. It is a simple website with a well-arranged layout and tons of categories to choose from. If you're looking for an easy to use source of free books online, Authorama definitely fits the bill. All of the books offered here are classic, well-written literature, easy to find and simple to read. All of the free books at ManyBooks are downloadable — some directly from the ManyBooks site, some

from other websites (such as Amazon). When you register for the site you're asked to choose your favorite format for books, however, you're not limited to the format you choose. When you find a book you want to read, you can select the format you prefer to download from a drop down menu of dozens of different file formats. The blog at FreeBooksHub.com highlights newly available free Kindle books along with the book cover, comments, and description. Having these details right on the blog is what really sets FreeBooksHub.com apart and make it a great place to visit for free Kindle books. You can literally eat, drink and sleep with eBooks if you visit the Project Gutenberg website. This site features a massive library hosting over 50,000 free eBooks in ePu, HTML, Kindle and other simple text formats.
