ManyBooks is a nifty little site that's been around for over a decade. Its purpose is to curate and provide a library of free and discounted fiction ebooks for people to download and enjoy. The Online Books Page features a vast range of books with a listing of over 30,000 eBooks available to download for free. The website is extremely easy to understand and navigate with 5 major categories and the relevant sub-categories. To download books you can search by new listings, authors, titles, subjects or serials. On the other hand, you can also browse through news, features, archives & indexes and the inside story for information. The browsing interface has a lot of room to improve, but it's simple enough to use. Downloads are available in dozens of formats, including EPUB, MOBI, and PDF, and each story has a Flesch-Kincaid score to show how easy or difficult it is to read. If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indie authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible. Our comprehensive range of products, services, and resources includes books supplied from more than 15,000 U.S., Canadian, and U.K. publishers and more. If you are a book buff and are looking for legal material to read, GetFreeEBooks is the right destination for you. It gives you access to its large database of free eBooks that range from education & learning, computers & internet, business and fiction to novels and much more. That's not all as you can read a lot of related articles on the website as well. Most of the ebooks are available in EPUB, MOBI, and PDF formats.

They even come with word counts and reading time estimates, if you take that into consideration when choosing what to read. Being an Android device owner can have its own perks as you can have access to its Google Play marketplace or the Google eBookstore to be precise from your mobile or tablet. You can go to its "Books" section and select the "Free" option to access free books from the huge collection that features hundreds of classics, contemporary bestsellers and much more. There are tons of genres and formats (ePUB, PDF, etc.) to choose from accompanied with reader reviews and ratings. All the books are listed down a single page with thumbnails of the cover image and direct links to Amazon.
