**A Midsummer-night's Dream** William Shakespeare.1874

**The Veiled Throne** Ken Liu.2021-12-07 With the invasion of Dara complete, and the Wall of Storms breached, the world has opened to new possibilities for the gods and peoples of both empires as the sweeping saga of the award-winning Dandelion Dynasty continues in this third book of the “magnificent fantasy epic” (NPR). Princess Théra, once known as Empress Ūna of Dara, entrusted the throne to her younger brother in order to journey to Ukyu-Gondé to war with the Lyucu. She has crossed the fabled Wall of Storms with a fleet of advanced warships and ten thousand people. Beset by adversity, Théra and her most trusted companions attempt to overcome every challenge by doing the most interesting thing. But is not letting the past dictate the present always possible or even desirable? In Dara, the Lyucu leadership as well as the surviving Dandelion Court bristle with rivalries as currents of power surge and ebb and perspectives spin and shift. Here, parents and children, teachers and students, Empress and Pékyu, all nurture the seeds of plans that will take years to bloom. Will tradition yield to new justifications for power? Everywhere, the spirit of innovation dances like dandelion seeds on the wind, and the commoners, the forgotten, the ignored begin to engineer new solutions for a new age. Ken Liu returns to the series that draws from a tradition of the great epics of our history from the Aeneid to the Romance on the Three Kingdoms and builds a new tale unsurpassed in its scope and ambition.

*Speaking Bones* Ken Liu.2022-06-21 The battle continues in this silkpunk fantasy as science and destiny collide against the will of

the gods in this final installment in the epic Dandelion Dynasty series from the “genius” (Elizabeth Bear, Hugo Award-winning author of the Eternal Sky series) Hugo, Nebula, and World Fantasy Award-winning author Ken Liu. The concluding book of The Dandelion Dynasty begins immediately after the events of The Veiled Throne, in the middle of two wars on two lands among three people separated by an ocean yet held together by the invisible strands of love. Harried by Lyucu pursuers, Princess Théra and Pékyu Takval try to reestablish an ancestral dream even as their hearts grow in doubt. The people of Dara continue to struggle against the genocidal Lyucu as both nations vacillate between starkly contrasting visions for their futures. Even the gods cannot see through the Wall of Storms, for only mortal hearts can decide mortal fates. Award-winning author Ken Liu fulfills the covenants first laid out a decade ago in a series delving deep into the connection between national myths and national constitutions in this “magnificent fantasy epic” (NPR).

With enchanting, ethereal art, this wordless story shares a world where reality can be transfigured by imagination. In a meadow filled with dandelion buds just about to flower, one dandelion blooms into a real lion. Roots and leaves unfurl into four tiny paws and a long tail with a fluffy yellow tuft. What a great, wide world there is to explore when you have paws instead of roots: there are fast trains to ride, regal ships to sail, and cities with lights as bright as Dandelion's field in full bloom. But will a real lion ever be content to go back to being a rooted dandelion? Yoko Tanaka's exquisite illustrations take us on an adventure where even the smallest seeds contain cosmic dreams.

The Dandelion Seed Joseph Anthony.1997 A dandelion seed has an adventure and when spring comes it begins to grow and become a new dandelion.

Christopher Nibble Charlotte Middleton.2014-05-01 Christopher Nibble loves munching dandelion leaves. And he's not alone. All the guinea pigs in Dandeville eat dandelion leaves for breakfast, lunch and dinner. But no-one seems to do anything when the dandelions begin to dwindle. They just carry on munching. In fact the guinea pigs of Dandeville are heading for eco-disaster . . . But that's where Christopher Nibble steps in. He discovers the last dandelion growing outside his bedroom window and, rather than eat it, he does his horticultural research in the library and then nurtures the dandelion patiently until it has produced a perfect head of tiny seeds. Then he blows the seeds from a hill high over Dandeville so that each dandelion seedling takes root and grows into a new plant. Charlotte Middleton has illustrated her witty, quirky story with charming collage illustrations and her guinea pigs are the most endearing, funky little characters you are ever likely to meet.

**Dandelions** Katrina McKelvey.2015-10-27 This heart-warming picture book explores the bond between a father and his daughter. One day, a little girl notices her father mowing the lawn — in the process destroying her favourite flowers: the dandelions. She rushes out to stop him, but she's too late, they're all gone. There's nothing for it: she's just going to have to sit

outside and wait until they grow back! But fortunately, Dad has another idea. Taking her hand, he leads her to the front step, and there, nestled in a crack in the concrete, are two tiny dandelion puff balls. Father and daughter each blow as hard as they can, and the tiny dandelion parachutes spiral and spin, up, up and away, spreading their seeds to create new generations of dandelions far and wide. And together, father and daughter lie down on the grass, watching as the whirl and twirl through the air. Exquisite watercolour illustrations combine with lyrical text to create a story that's perfect for readers aged 4-8. This is a book that will be cherished by families and recommended by teachers and librarians, exploring as it does the resilience of nature, the art of forgiveness, and the love between a parent and child.
